

Yes, we ALL know
that there really ARE some
times when a male
would rather NOT come

"Mistress?"

YES,
slave?

"Please unlock me
and let me make
myself come
for you?"

"Please?"

"It's been almost
a YEAR, Mistress!"

Wow!
My LAST slave
begged me to
unlock him and
let him come
TOO!

"Did you let HIM
come, Mistress?"

I sure DID!

I took
his throbbing
erection in
my HAND,

and sternly
told him,

slave!
You have
permission to
come for me

"When EVER You're Ready!"

And after
a VERY
long hour,

of begging
and pleading,

he
finally
DID!

And I DO
mean FINALLY!

Doe's THAT
answer your
question,
slave?

"Yes Mistress!"
