

Oh NO my friend

it ISN'T absurd

she CAN speak quite loudly

without saying a word!

Don't say ONE
fucking WORD!

Just WATCH me,

"And Pay Attention!"

Do you have any
PROBLEMS with
that, SLAVE?

"NO,
MISTRESS!"

GOOD !

Then that's ALL,
right NOW,
of what I wanted
to tell you about
how things will be
from now on in
MY house!

Now go get my
dinner ready!
