

One night at the end
of a beautiful day
I became a slave
to my Wife/Mistress May

I hope the
leash
I put
ON you

makes it
perfectly
CLEAR,

**You're my
PROPERTY
now!**

Sooooo ,

"Get OVER Here Dear!"

**YES
MISTRESS!**

Well?
Don't just
STAND
there!

**Get BUSY
my sweet!**

**Get down
on your
KNEES**

**and kiss and
worship my
feet!**

And I GOT
on my
knees

and put my
leash in
her hand

and
WORSHIPPED
her like

I never
knew that
I CAN!

And now
as I
stand
here in
front

of all you
readers
today,

about to
hand her
my leash,
I can't
WAIT to
say

"Please
take me
I'm
YOURS!"

"PLEASE
Mistress
May?"
