

Mistress PLEASE? It's HARD
to wait!"

I cried and begged that day

but she looked at me in her stern 
loving way

and here is what she had to say

I know
that this
is HARD,

pardon
the pun,

for you
to get
USED to
Honey,

but my most
steadfast rule
is that you
never come
without my
permission,

ISN'T it?

"Yes
Mistress!"

And when and
how often do
I GIVE you
permission
to come,
Honey?

"You allow me to
come once a week
on Sunday night,
Mistress!"

• YES!
And what
day is
TODAY,
Honey?

"Thursday,
Mistress!"

YES!
It's ONLY
Thursday,

the fifth
of APRIL,

* and you're on
your knees
CRYING and
BEGGING me,

and I'm
going to
tell you
NO!

**You WILL
wait until
SUNDAY!**

And if you
decide to
disobey me,

and take matters
"into your own
hands" so to
speak,

because you
don't WANT to
have to wait
until Sunday,

it'll
be ME
saying

"I Got You A Present"

Honey !

You are
GOING to
wear this!

And NO!
You DON'T
have a say,

because I
found out
from the
"Nanny Cam"

that I got
for Christmas
from Kaye,

that you've
been doing
THIS

while
I'm working
my ASS off
at my office
all day!

So it left
me no choice
but to make
the decision

to STOP you
from coming
WITHOUT my
PERMISSION!

And if you
DO find a
way to come
with THIS
on one day,

here's the
image that
my Nanny cam
is going to
display!

And you
don't want
THAT,

DO you?

"No
Mistress!"

NOOOOO!

Now stop
stop crying
and begging

and bugging
the SHIT out
of your
Mistress,

about COMING
or I'll make
your ass
wait until
CHRISTMAS!
