

I'm going to tell you a story which  
I'm sure you'll agree

is definitely every submissive mans  
fantasy

when EVERY orgasm is controlled and  
strictly RATIONED by your stict Wife  
or Mistress

oh my God you would DIE for something  
like this!

IMAGINE this in  
your sexually  
denied submissive  
male soul  
where ALL of your  
orgasms are under  
your strict  
Mistresses  
control,

who in her mercy  
finally unlocks  
what's keeping you  
chaste,

lets you OUT,

and proceeds  
to do THIS

**"With Great Haste!"**

You have permission  
to cum and I want  
you to TELL me  
when you're  
going to cum!

**YES MISTRESS!  
THANK YOU  
MISTRESS!**

**OH MY GOD!  
I'M GONNA CUM  
NOW MISTRESS!**

**GOOD!**

Now give me  
ALL of it!

**OH GOD  
YES MISTRESS!**

And as he  
was SCREAMING  
"THANK YOU  
MISTRESS!"  
he KNEW from  
the very DEPTHS  
of his SOUL

he wanted to be  
HERS forever as  
her obedient  
SLAVE under her  
TOTAL control!

Huh?
