

Yes it's gross and humiliating  
but what I know is true  
is that after a month  
I'd thank her too

This is the  
story of a  
submissive  
male

totally OWNED  
and CONTROLLED  
by his Wife-  
Mistress Gail,

who begged for  
a HAND JOB  
while washing  
her floor

cause she  
hadn't let  
him cum for  
a month

and he just  
couldn't  
take it no  
more!

So she told  
him to put  
away his  
bucket and  
his mop

and said  
"Go lay on  
the bed and

I'll HELP you!"

**"I'll Milk Out EVERY Drop!"**

**The End**

And it was VERY  
kind of her to  
ALLOW you that  
end of a very  
LONG month of  
denial!

Now  
THANK  
her!

YES  
MISTRESS!
