

We want to cum SO fucking BADLY
it's degrading and sad

but degrading ourselves while
waitng makes our Mistresses glad

and we LOVE them for BEING that
way!

Oh my GOD! Are we MAD?

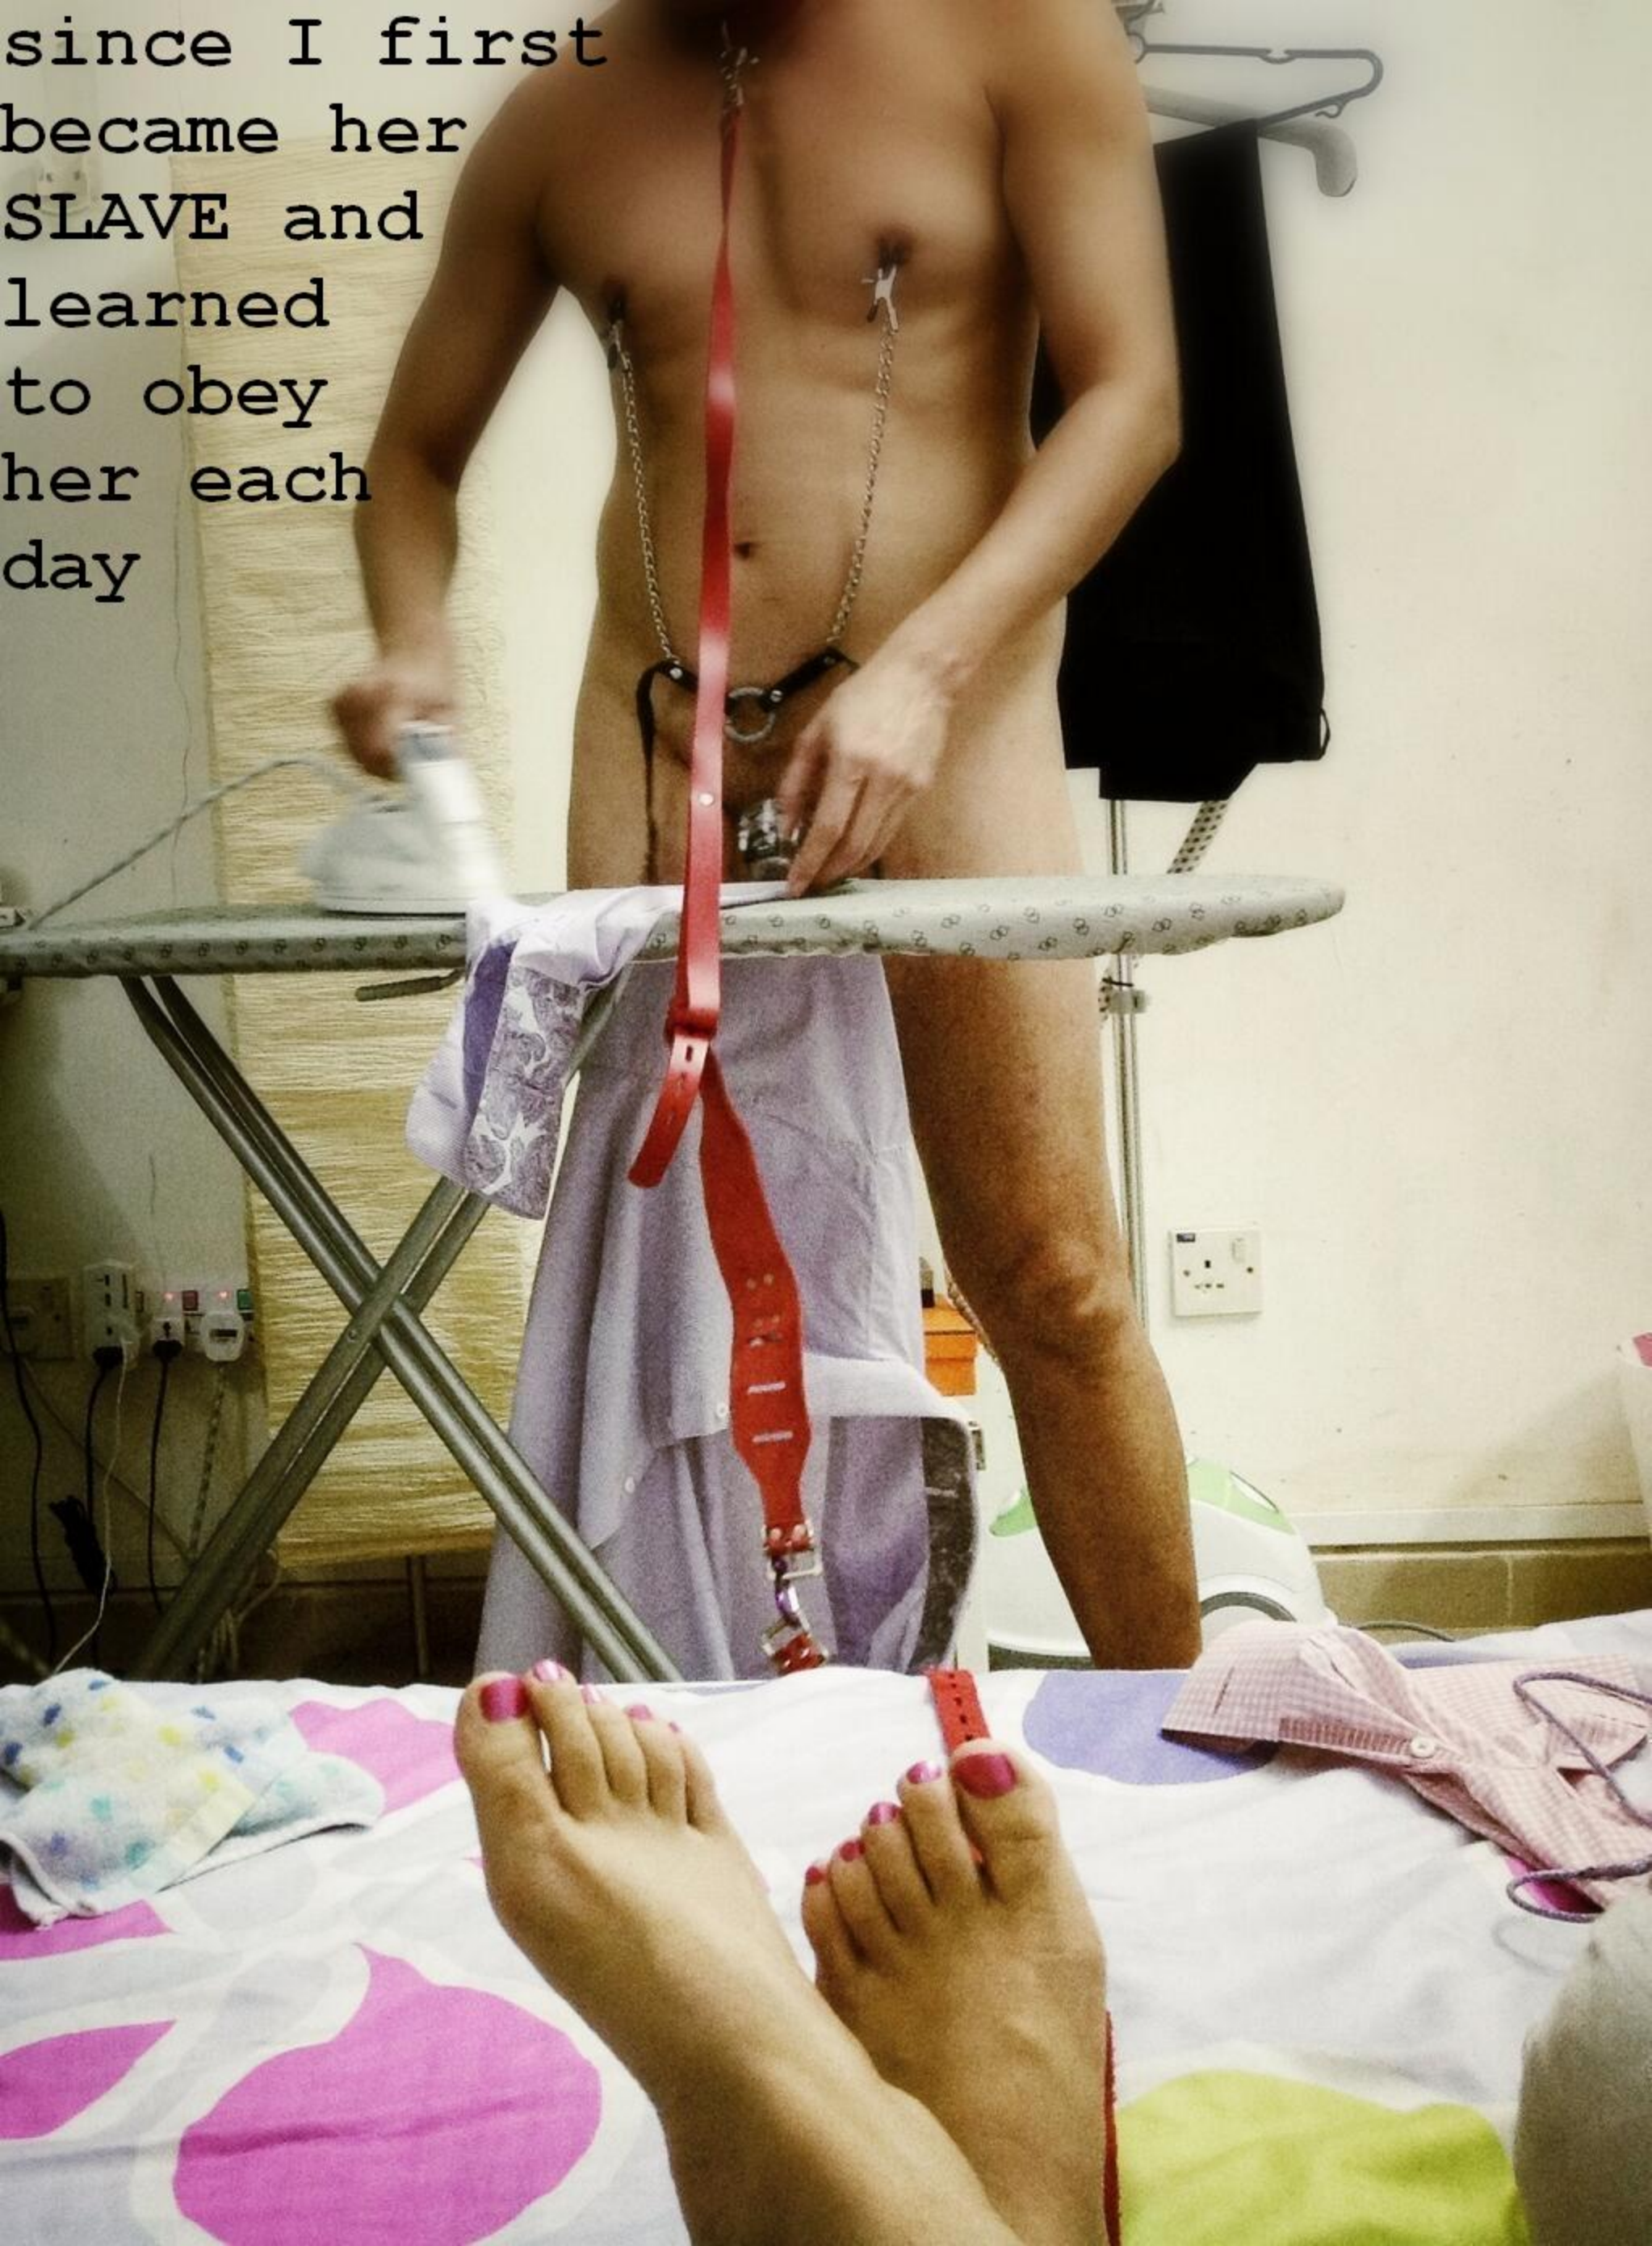

Once upon
a time
my Wife,
Mistress
Faye,

said "Fuck
it!" and
BOUGHT
what
she'd
wanted
for MANY
a day

since I first
became her
SLAVE and
learned
to obey
her each
day

and she'd
wanted to
CONTROL
me

"In The ULTIMATE Way!"

God, it's NICE to
just lay here and
relax at the end
of a long weekend!

I'll bet you never
wanted to please
a Woman as badly as
you've wanted to please
ME this week,
Huh Honey?

NO MISTRESS!

I bet you want
to cum REALLY
bad, huh?

YES MISTRESS!

Honey?

YES MISTRESS?

Does it give you
any consolation
knowing that you're
going to please me
even BETTER all of
NEXT week?

NO MISTRESS!

Too fucking
BAD Honey!

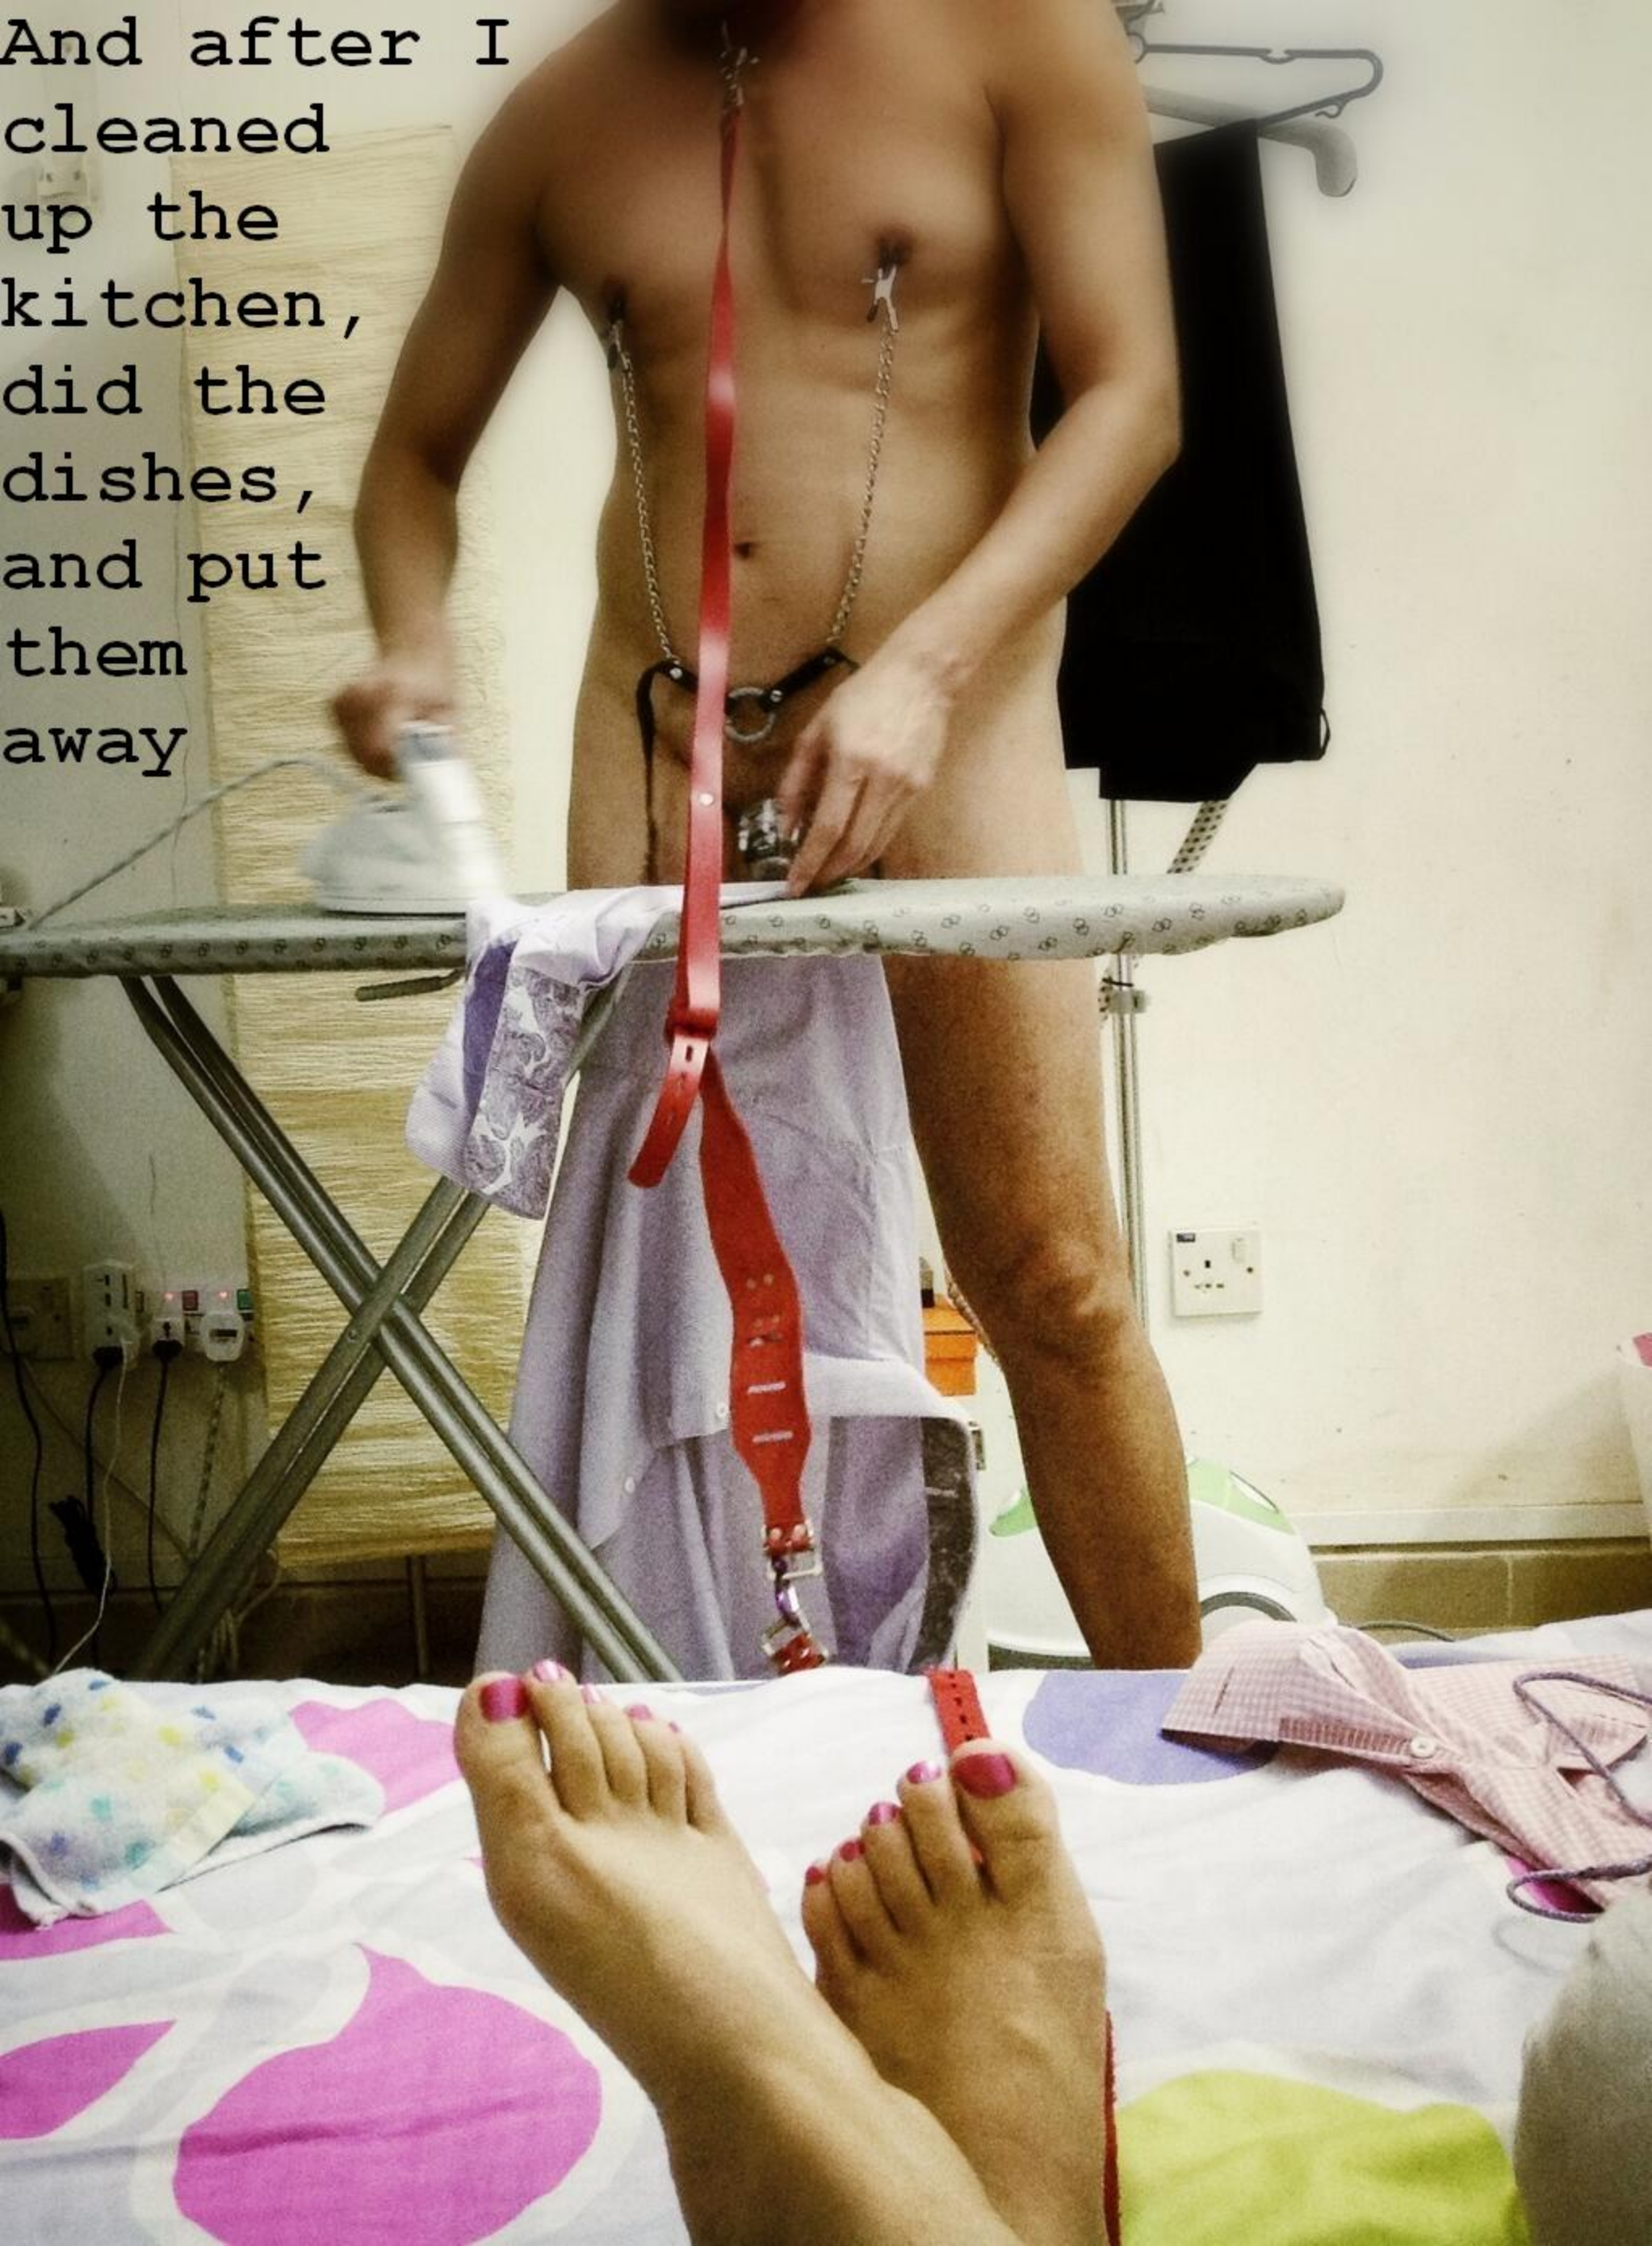

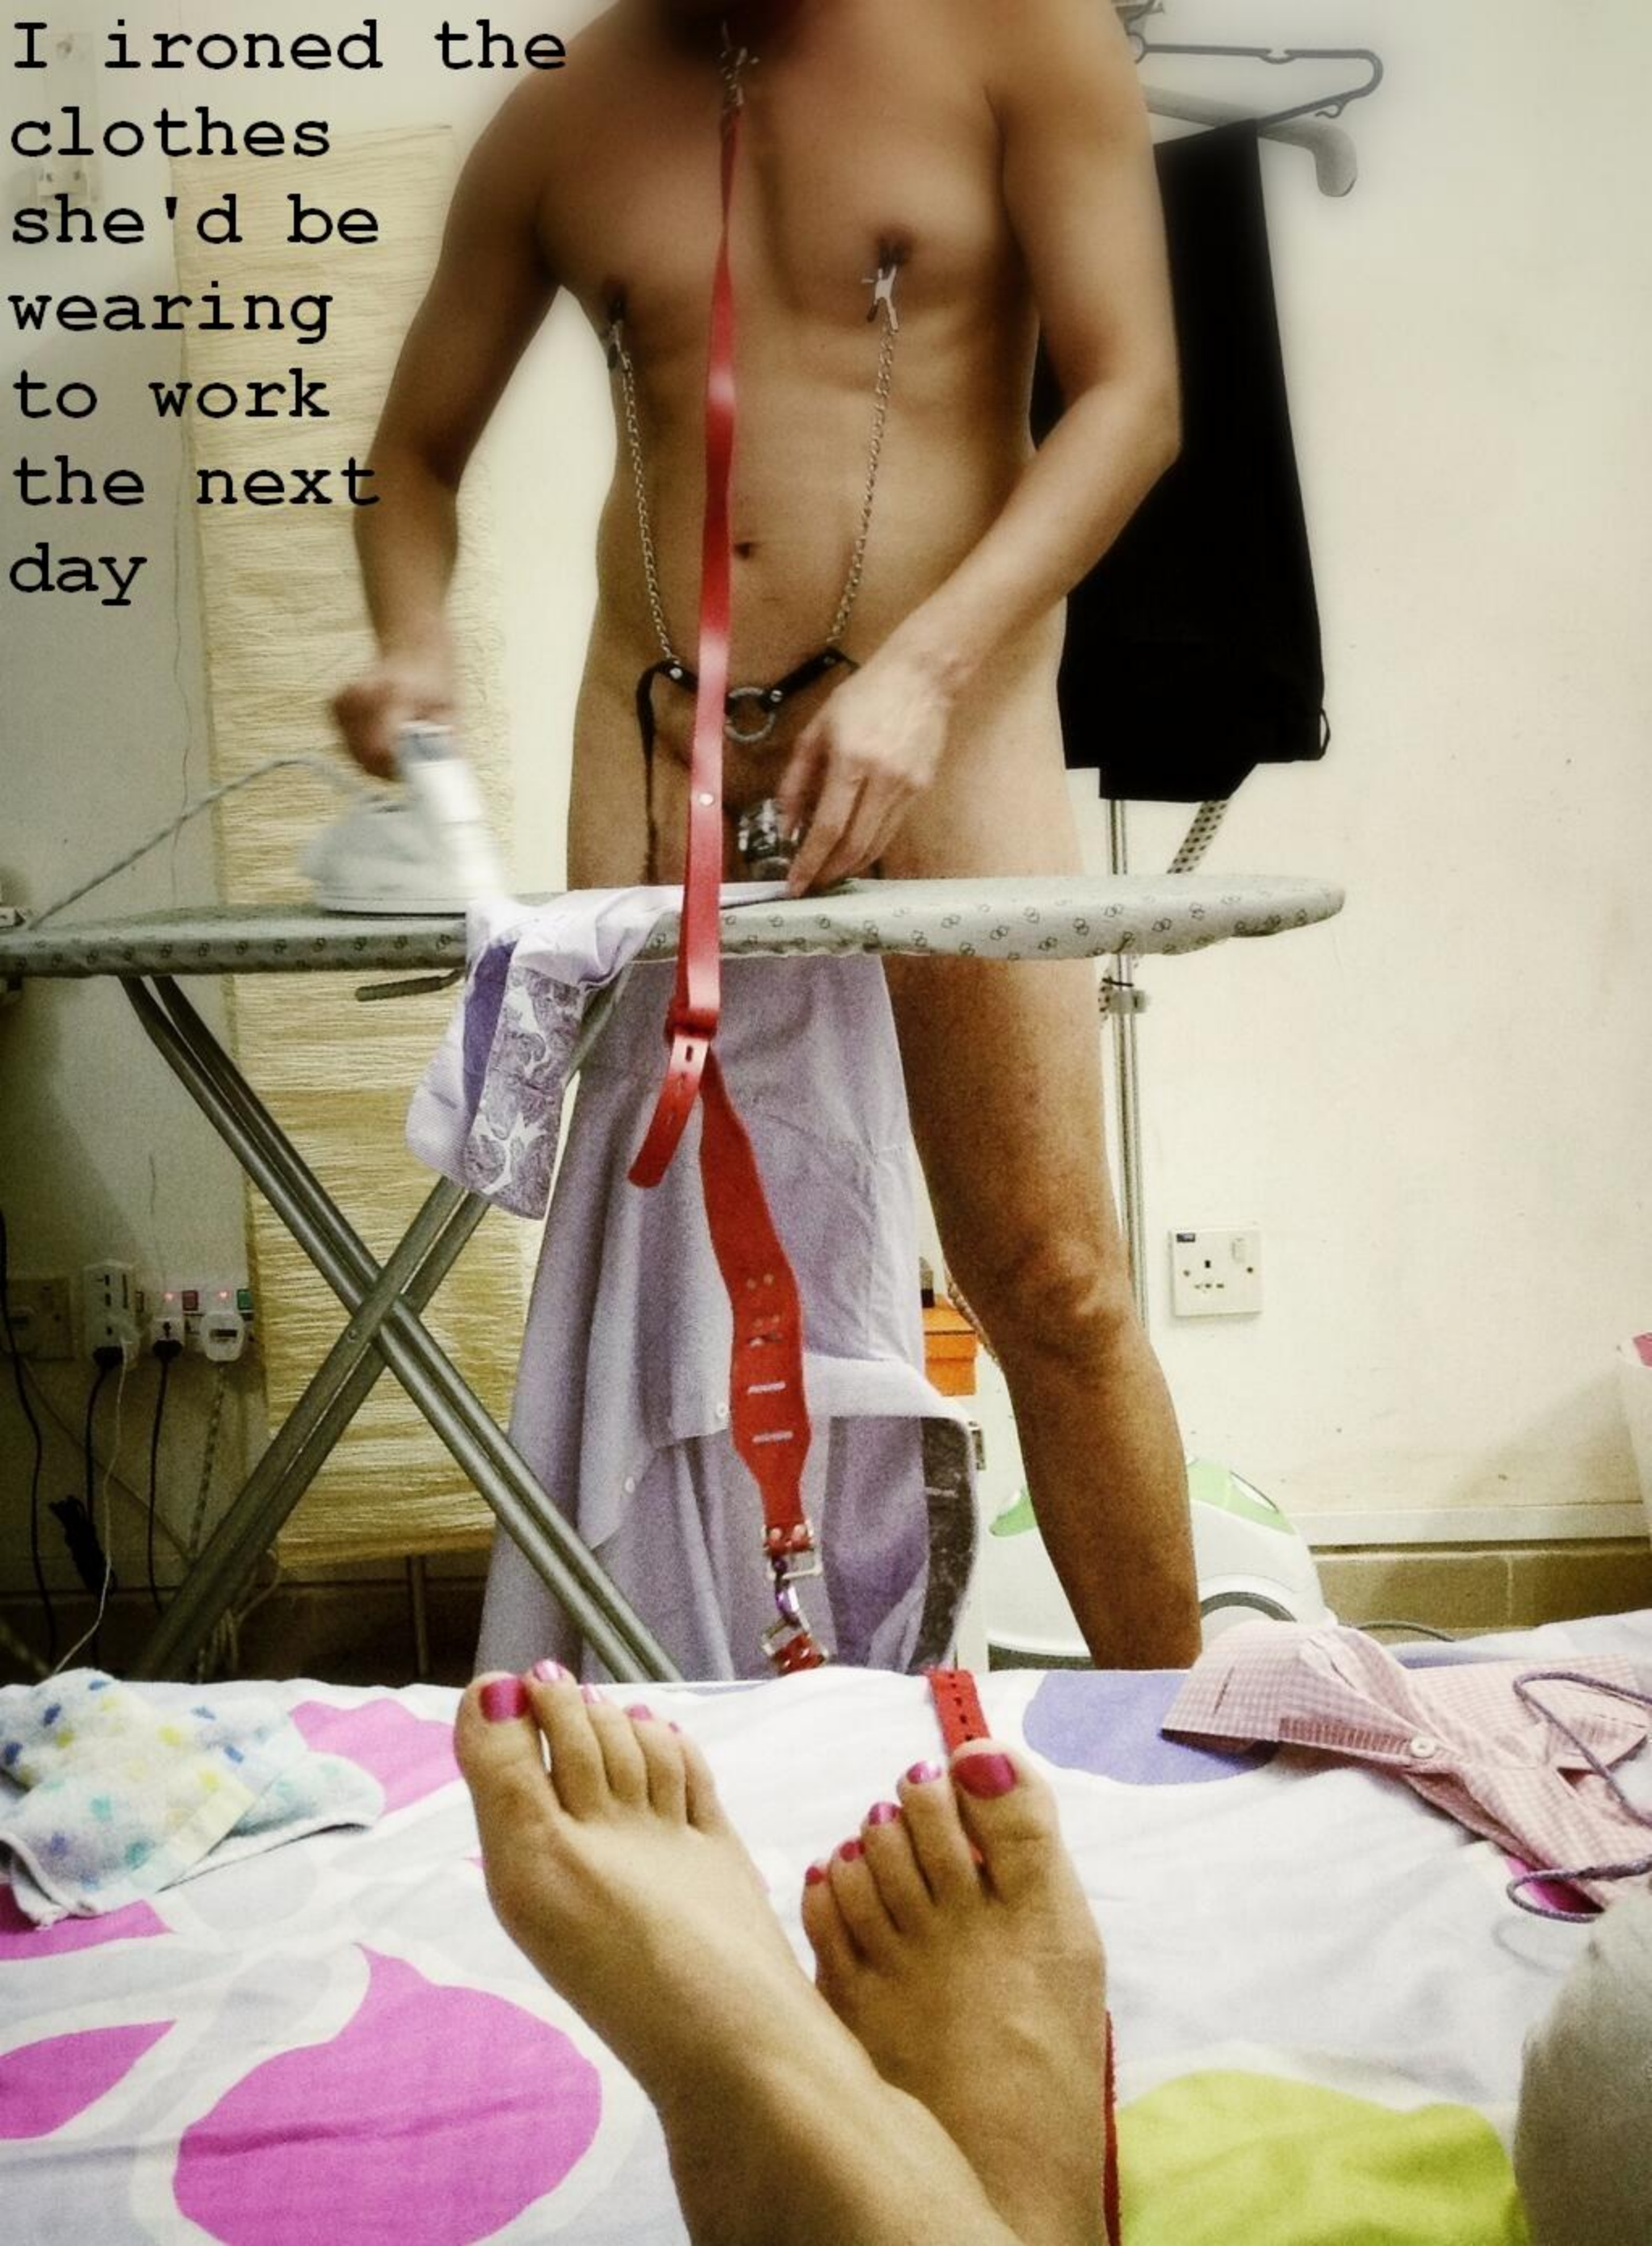

And after I
cleaned
up the
kitchen,
did the
dishes,
and put
them
away

I ironed the
clothes
she'd be
wearing
to work
the next
day

A photograph showing a person from the waist up, shirtless, wearing a red harness with a silver chain and a small star-shaped pendant. They are standing behind an ironing board, using a steam iron to press a purple patterned shirt. In the foreground, the feet of another person are visible, wearing red nail polish and a red strap. The background includes a white wall with a power outlet, a black garment hanging on a rack, and a wooden panel.

while I
was RELAXING
in a most
BLISSFUL way

watching
my slave
want to
PLEASE me
this way!

And when I
BEGGED her
to let me
cum for
her NEXT
week
Sunday,

I said
"I'll THINK
about it
Honey!"

And I said
"OH MY GOD
THANK YOU!
THANK YOU
MISTRESS
FAYE!"
