

Be careful what you say
or do

It may come back to
torture you.

That little sticker on
your ride

May really hurt her deep
inside.

And her revenge will
sure occur

when you are on your
knees for her!

Hi!

Remember
that old
saying about
"A woman
scorned" ?

Well,
here's a
story about
that,

it's
called

"Bumper Sticker"

NO
fat chicks

"NO FAT
CHICKS"

That's
what your
bumper
sticker
said!

DIDN'T
IT?

"Yes Mistress
Laura!"

I remember
seeing it
when you
were
dating
my room
mate
Sharon.

And I also
remember
how that
bumper
sticker
HURT a
fat girl
like
me!

"I'm sorry
Mistress
Laura!"

A girl you
wouldn't
even say
HELLO to
because
I wasn't
like
Sharon!

NO, I was
FAT, and
Sharon
was thin
and sexy
and very
pretty.

Sharon was
everything
you wanted
except
for ONE
thing.

A
strict
MISTRESS!

No, Sharon
didn't
WANT to
dominate
you,

and you
being her
slave
was a
definite
turn off
for her,

WASN'T
it?

"Yes Mistress
Laura!"

Yeah, but
it wasn't
a turn
off for
ME,

which you
found
out as
soon as
you guys
broke
up,

DIDN'T
you?

"Yes Mistress
Laura!"

Yeah, and
you've
been
calling
me
MISTRESS
ever
since!

haven't
you?

"Yes Mistress
Laura!"

And how
long HAVE
you been
calling
me
MISTRESS
slave?

"Almost a year now,
Mistress Laura!"

And how
many times
have I
allowed
you to
COME
as my
slave?

"NONE, Mistress
Laura!"

Hey,
what can
I tell
you
slave,

us FAT
chicks
are
cruel!

OUR
bumper
stickers
say
"SUFFER
SLAVE!"

And you're
going to
DO it
for a
LONG
time!

Now
get my
fucking
clothes
ironed!

"Yes Mistress
Laura!"

WOW!

Almost a
YEAR
without
coming!

God,

she's
being a
real
BITCH,
isn't
she?

"Yes
Mistress
Theresa!"

GOOD!
