

I'm not ashamed of what I did at  
this story's end

after waiting two months you'd do  
the same thing my friend!

For months  
MY sexual  
release she  
put on  
the shelf

till she  
FINALLY took  
me in her  
hand and  
said

**"Do It Yourself!"**

**And I  
CAME!**

**GOD,  
I CAME!**

**After  
THANKING  
her, oh YES!**

and at  
the END  
of my  
COMING

I very HAPPILY licked up  
and swallowed my mess!
