

"For your MERCY Mistresses!"

is what he might say

in answer to the question

they're asking today

Now ask
HER nice,
slave!

"YES
MISTRESS!"

So
what's
it FOR
slave,

that
you're

"Asking Nice?"

Is it for ME
to let you
COME

or for ME
to be NICE

and NOT snip
your balls
off

for
coming

without
PERMISSION
tonight?

And as far
as WHETHER
you will,

we have a
VERY strong
hunch,

because we
haven't let
you COME
since

the end
of LAST
month!

so tell
BOTH of
us ONCE,

or tell EACH
of us TWICE,

what's
it FOR
slave

that you're
asking NICE?

Huh?

Huh?
