

God, it makes you SO horny being her
slave and serving that beautiful Woman
sitting there

but you have to patiently suffer with
your horniness in silence because
ABOUT it she simply don't care

Mistress?

WHAT,
slave?

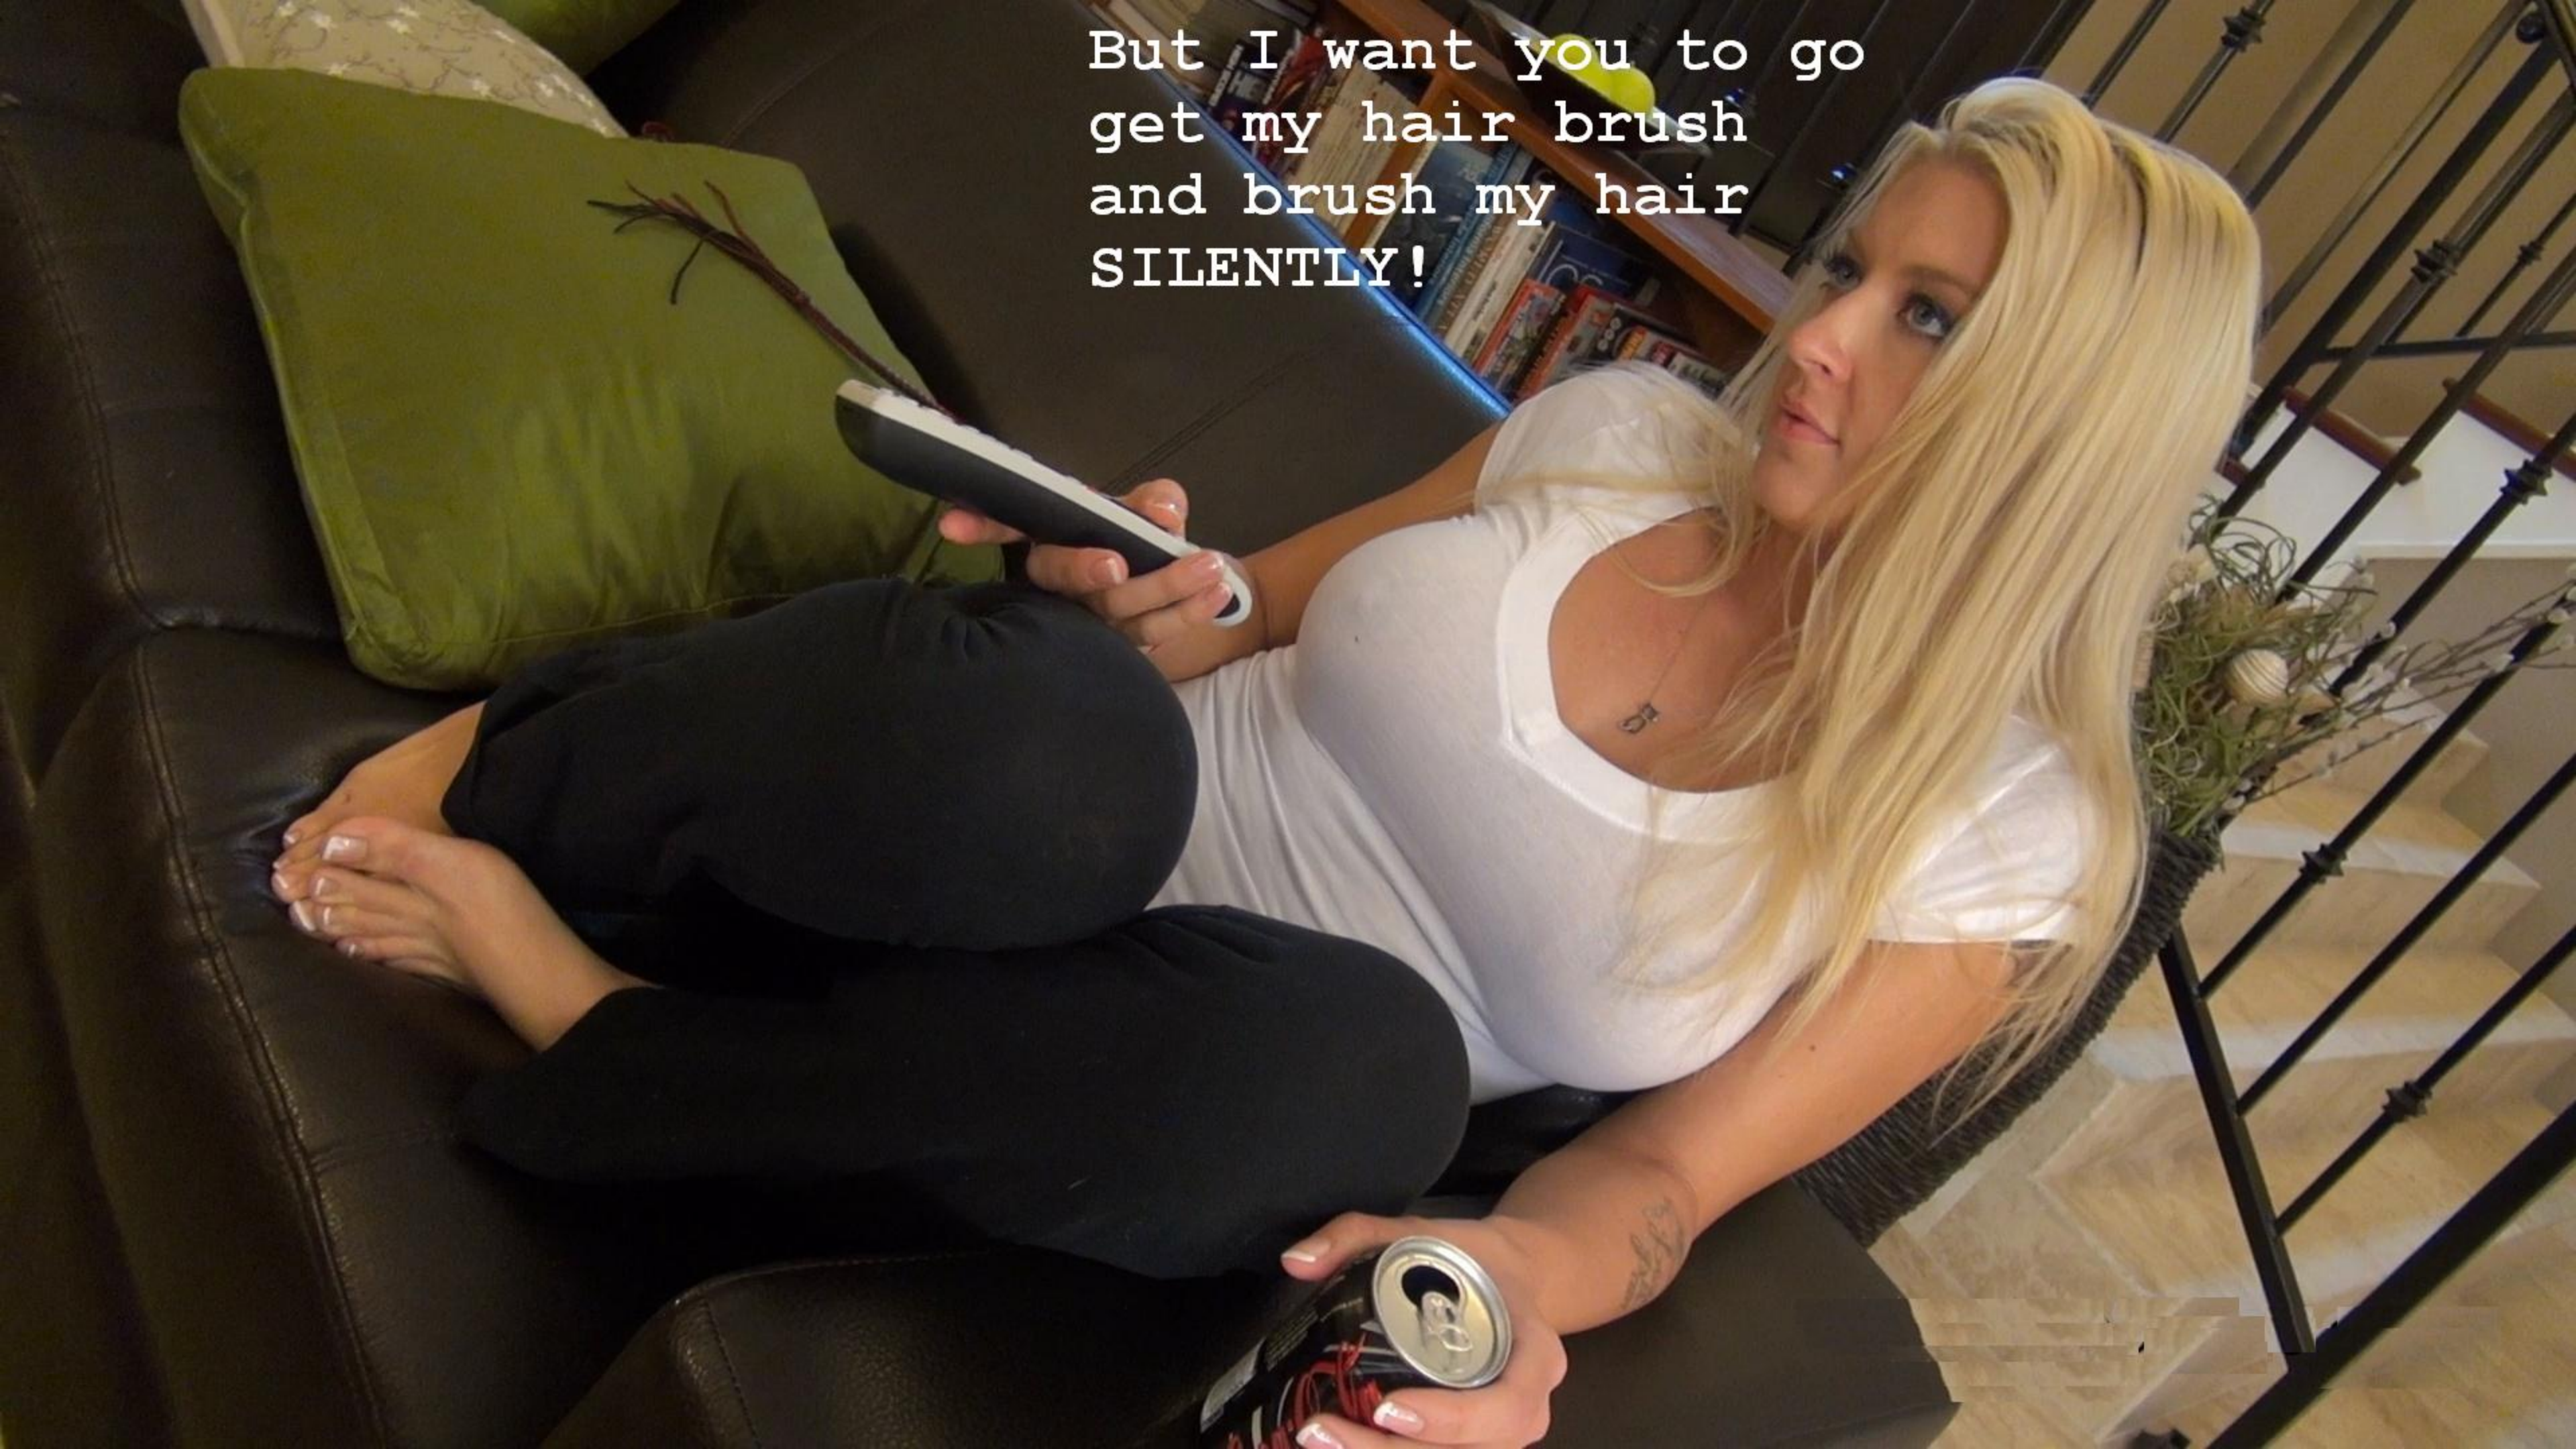

I'm finished cleaning
the house and the
laundry and ironing
are done and your
clothes are all hung
up and put away!

Yeah yeah yeah, don't
bother me, I want to
watch this movie
right now on TV!

But I want you to go
get my hair brush
and brush my hair
SILENTLY!

Mistress?

God DAMN
it slave,
WHAT?

Before I go get your brush
and brush your hair while
you're relaxing,

May I make myself cum for
you? PLEASE? It's been
over two weeks since the
last time you let me
cum and I'm REALLY horny!

YES slave I can SEE that
you're horny! You're
horny as HELL! Look at
this story slave and
don't BOTHER me,

because it will
tell you very
CLEARLY

"What My Answer Will Be!"

YOU are
HORNY!
Aren't
you
slave?

Yes Mistress!

So why don't
you just make
yourself cum
and make your
horniness go
QUICKLY away?

Because
I'm not allowed
to cum even ONE
drop ANY way,
unless YOU
Mistress Teresa
SAYS that I may!

That's CORRECT!
And what will happen
if I CATCH you or even
SUSPECT you of
HELPING yourself?

A woman with long dark hair, wearing a black sleeveless top and shorts with a large white circular belt buckle, stands in a living room. She is looking at a naked man who is standing with his back to the camera, facing her. The man has a large belly and is looking back at her. The room features a light-colored sofa with orange and white pillows, a window with blinds, and a dark trash can in the background.

Ny naked ass will
be whipped HARD
with the big belt
you keep handy on
your night tables
shelf!

ALSO correct!
And what will happen
if you don't
PROPERLY serve me
and please me
and ALWAYS obey?

"You may make
yourself cum
NOW slave!"
are the words
you NEVER will
say,

because if you
ever DO let me
cum, that WILL
be the way!

YES slave, your cumming
is only IF WHEN and HOW
I may decide!
Now do my laundry and
when it's done being
washed, I want it ALL
hung OUTSIDE!

Yes Mistress!

OH!
AND
SLAVE?
