

Take it from me
discipline CAN be
administered quite
IMPERSONALLY!

The job of
DISCIPLINING
me is my
Wifes sister
Graces,

but we NEVER
see

"Each Others Faces!"

DO we,
Mistress?

NO
slave,

A black and white photograph of a woman with her eyes closed, wearing a patterned top. She is looking upwards and to the right. In the background, a newspaper clipping is pinned to a wall. The clipping has the headline "BEACHHEADS" and a sub-headline "The New York Times". It features a large photograph of a ship and a smaller portrait of a person. The text "we DON'T!" is overlaid on the image.

we
DON'T!

And at
the end
of these
WHIPPINGS

that I
give you
each day,

I don't
WANT to
see your
FACE

A black and white photograph of a woman with dark hair, wearing a patterned top, looking upwards with her eyes closed. The background is a wall with a newspaper clipping pinned to it. The clipping has the headline 'BEACHHEADS' and a sub-headline 'The New York Times'. The text 'as you're CRAWLING away!' is overlaid on the image.

as you're
CRAWLING
away!

What I
want to SEE
is your ASS,

BLEEDING
and
BLISTERED,

crawling away
to go BACK

to OBEYING
my Sister!
