

This story's about something that
happened one night

in the life of a submissive
husband and his dominant wife

and what he'd secretly desired and
longed for since he was only a boy

and what truly gave his dominant
Wife/Mistress such joy

"God, look at you kneeling there in front of me humiliated and meek

with a throbbing erection because your Mistress hasn't let you cum for a week

God, it's pathetic the way you obey like a DOG as you serve her as her SLAVE and you gladly DO it without ANY surcease

so she'll allow you the PRIVILEGE of FINALLY being allowed your most NEEDED and LONGED for sexual release,

ISN't it,
SLAVE?

YES
MISTRESS
DENISE!

YES!
but it
makes your
Mistress
HAPPY that
she's the
OWNER of
not only
YOU,
but your
SOUL and
BOTH of
your BALLS
belong to
her TOO!

And she'll
do what she
WANTS with
what she
OWNS like
you WANT
her to do,
and you
LOVE her
for that
DON'T you?

"Yes Mistress! It's True!"

I was born with a need
buried DEEP in my soul
to be a slave to a Woman
and be HER'S to control!

And though you may
think it's PATHETIC
and SO fucking SAD,
but it makes me so HORNY
I want to cum for her
SO fucking BAD!

YES! I KNOW that
you do but if you
REALLY want to cum
you will do it MY
way,
and not cum ONE
drop until I SAY
that you MAY!

Now take your sorry
pathetic excuse for
a cock in your
hand
and jerk off for
Denise's amusement
or I'll have you
unmanned!

OH GOD YES MISTRESS!
THANK YOU!
THANK YOU MISTRESS
DIANNE!

Oh my GOD!
He's DOING
it DIANNE!

YES! And he'd
better obey the
SECOND part of
what I told him!

Good BOY!
Now look into
denise's eyes
and CUM for me
while you're
jerking off for
me as FAST as
you CAN!

YES MISTRESS
DIANNE! THANK
YOU MISTRESS
DIANNE!

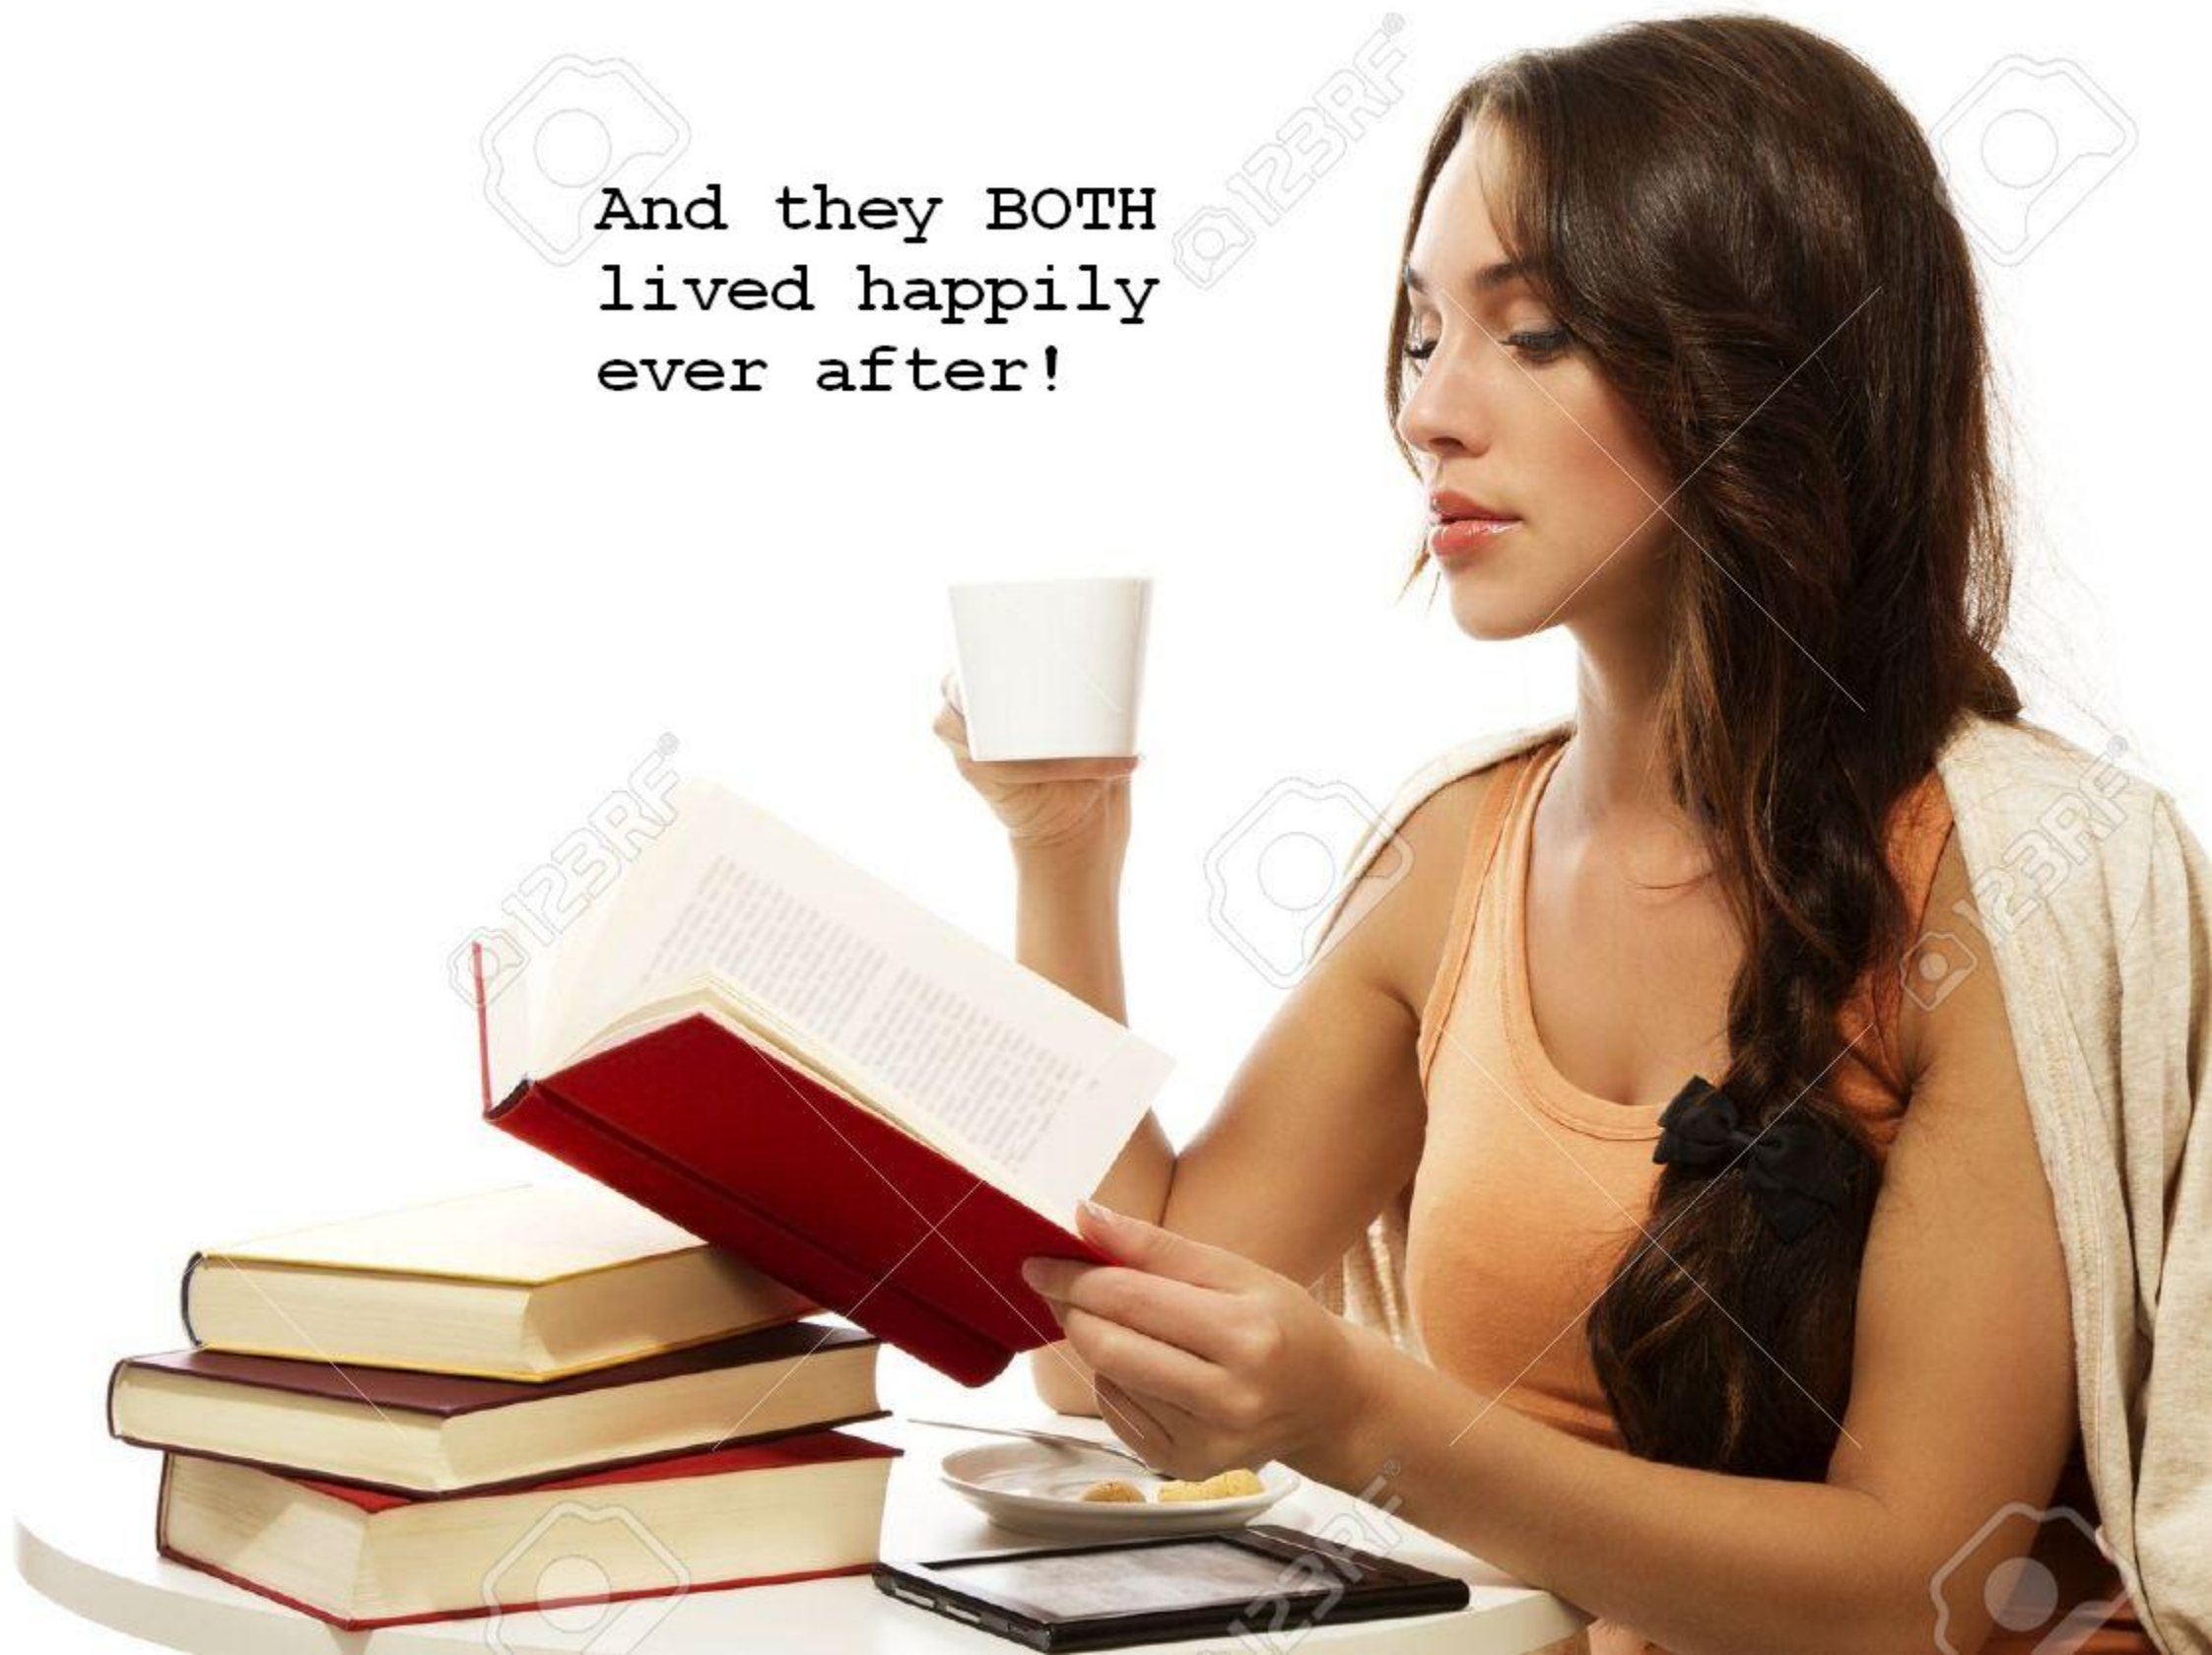

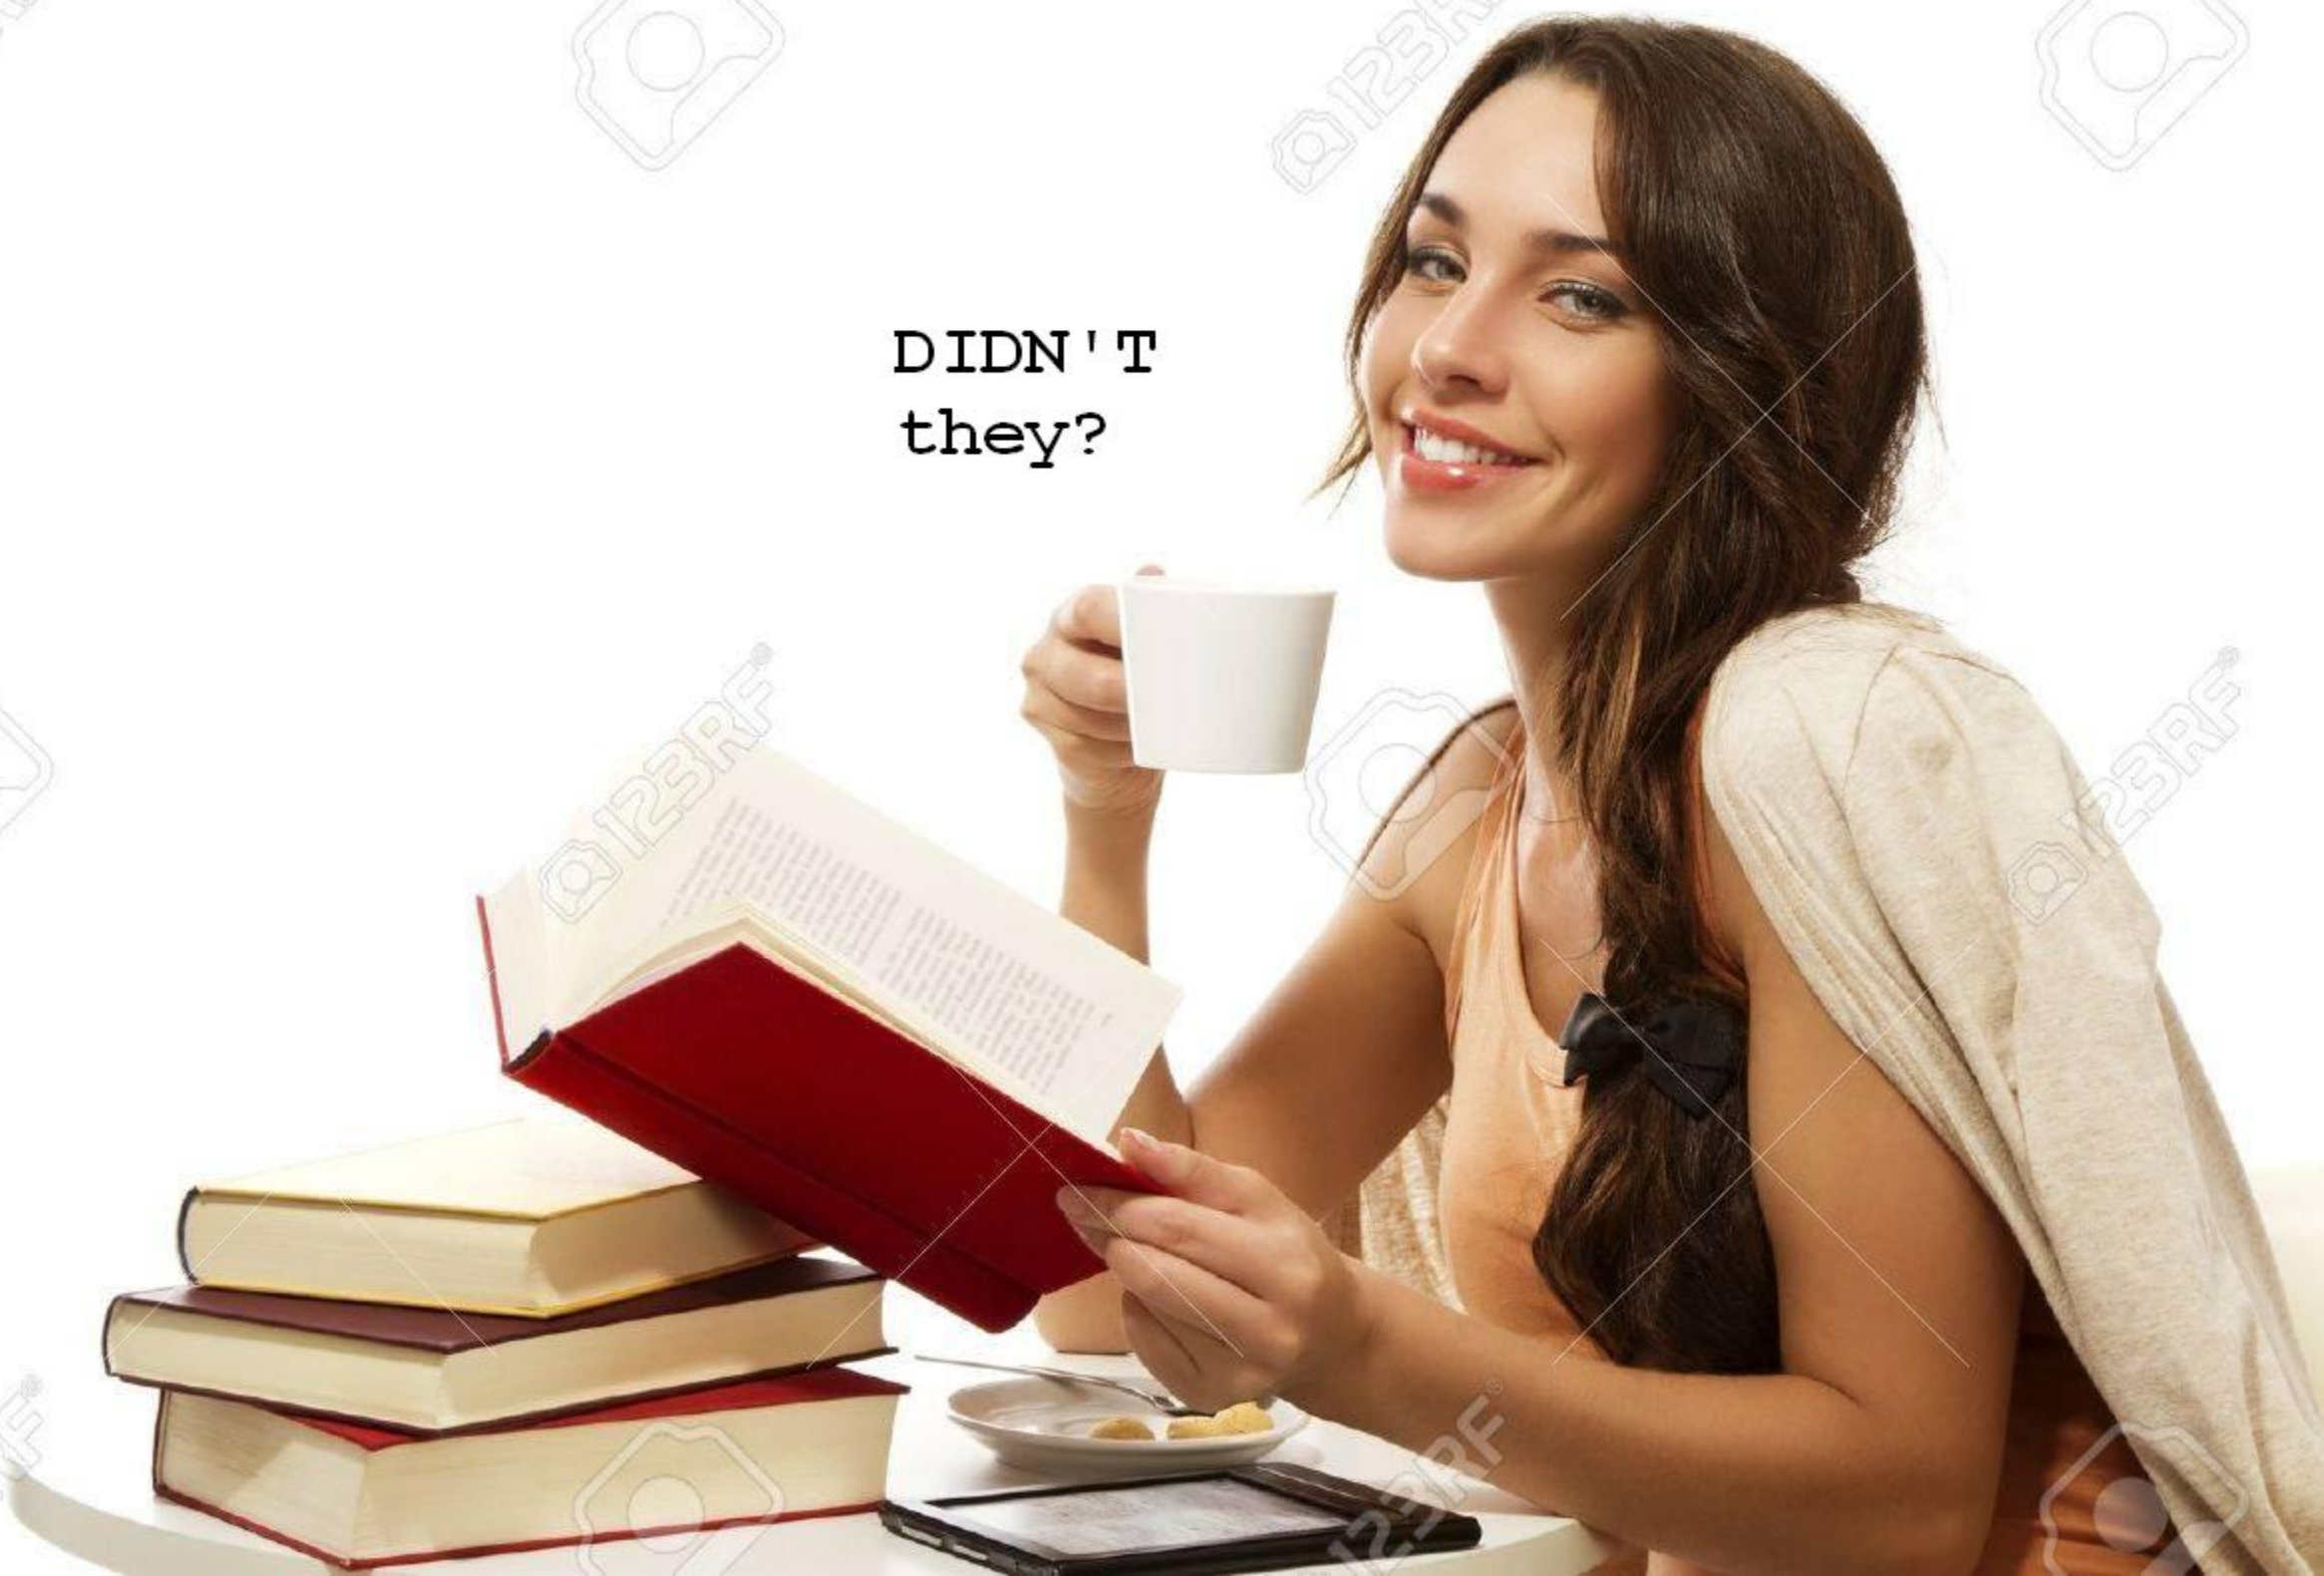

The End

And they BOTH
lived happily
ever after!

DIDN'T
they?

Ooooooh YES!
VERY happily!
