

Do you think he got punished
for being a jerk
and bothering her
while she's trying to work?

**Awww!
Poor baby
wants to
COME!**

How
long's
it been?

Almost
a WEEK,
Mistress!

Well,
I'm sure
you ARE
suffering

but about
this we
DID
speak,

and you
know you
only come
ONCE

at the
END of
each
week!

So look
at the
BRIGHT
side,

this
could
have been
YOU,

if I
wasn't
your
Mistress

and
instead
it was
SUE!

She don't
CARE
if him
coming

is some
thing he
NEEDS

after
twenty
six
weeks

Oh NO,
not
INDEED,

while
he's
amusing
her and
her Girl
friend

as they
relax

"And Read!"

The End

Oooh YES
slave,
the end
of this
story may
trouble
you some,

because
as you
can SEE,

she did
NOT let
him come!

A woman with blonde, wavy hair and blue eye makeup stands in a doorway, holding the wooden-framed glass doors open with both hands. She is wearing a black long-sleeved blouse with a ruffled front and a tan, shiny, knee-length skirt. She is also wearing white high-heeled pumps. The background shows an office interior with a desk, a computer monitor, and a lamp. The floor is made of dark wood.

**DID
she?**

No Mistress!

Mistress?

Yes?

Thank you for
letting me
come once
each week!

You're
welcome!

Now go
clean my
house,

and
do NOT
bother
me AGAIN
while
I'm
working!

Yes Mistress!
