

Here's a short story

which takes it to task

how your begging her for sex

can be a pain in the ass!

So what have  
YOU learned  
from the  
story that  
comes next

about how  
often and how  
you should  
beg ME  
for sex?

"I learned to keep  
quiet and suffer  
alone",

"And that I  
must NEVER"

**YOU**  
**"Bother<sup>^</sup>On The Phone"**

Get your ass on  
that bed slave,

and assume the  
POSITION!

"Yes  
Mistress!"

Keep that  
hand RIGHT  
where it IS  
slave!

"Yes  
Mistress!"

I WAS having  
a nice chat  
with my Mom  
until YOU  
started  
to  
BEG!

"Please let me  
come tonight  
Mistress?"

"It's been  
six months  
Mistress!"

"Oh God  
PLEASE  
Mistress!"

"PLEASE?"

Do you know what a  
pain in the ass it is  
having to listen to  
that while I'm trying  
to talk on the  
PHONE, slave?

"OH GOD, IT HURTS  
MISTRESS!"

ANSWER ME,  
BITCH!

"NO MISTRESS!  
I DON'T KNOW,  
MISTRESS!"

A woman with long, dark, curly hair, wearing a black strapless corset and high-heeled sandals, is kneeling on the back of a shirtless man who is lying on his stomach on a bed. She is leaning forward, with her hands resting on his head and neck. The man is looking down. The bed has a white sheet and is framed by a dark wood four-poster headboard and footboard. In the background, there is a white door, a potted plant, and a bedside table with a lamp.

Then I'll  
SHOW you,  
slave!

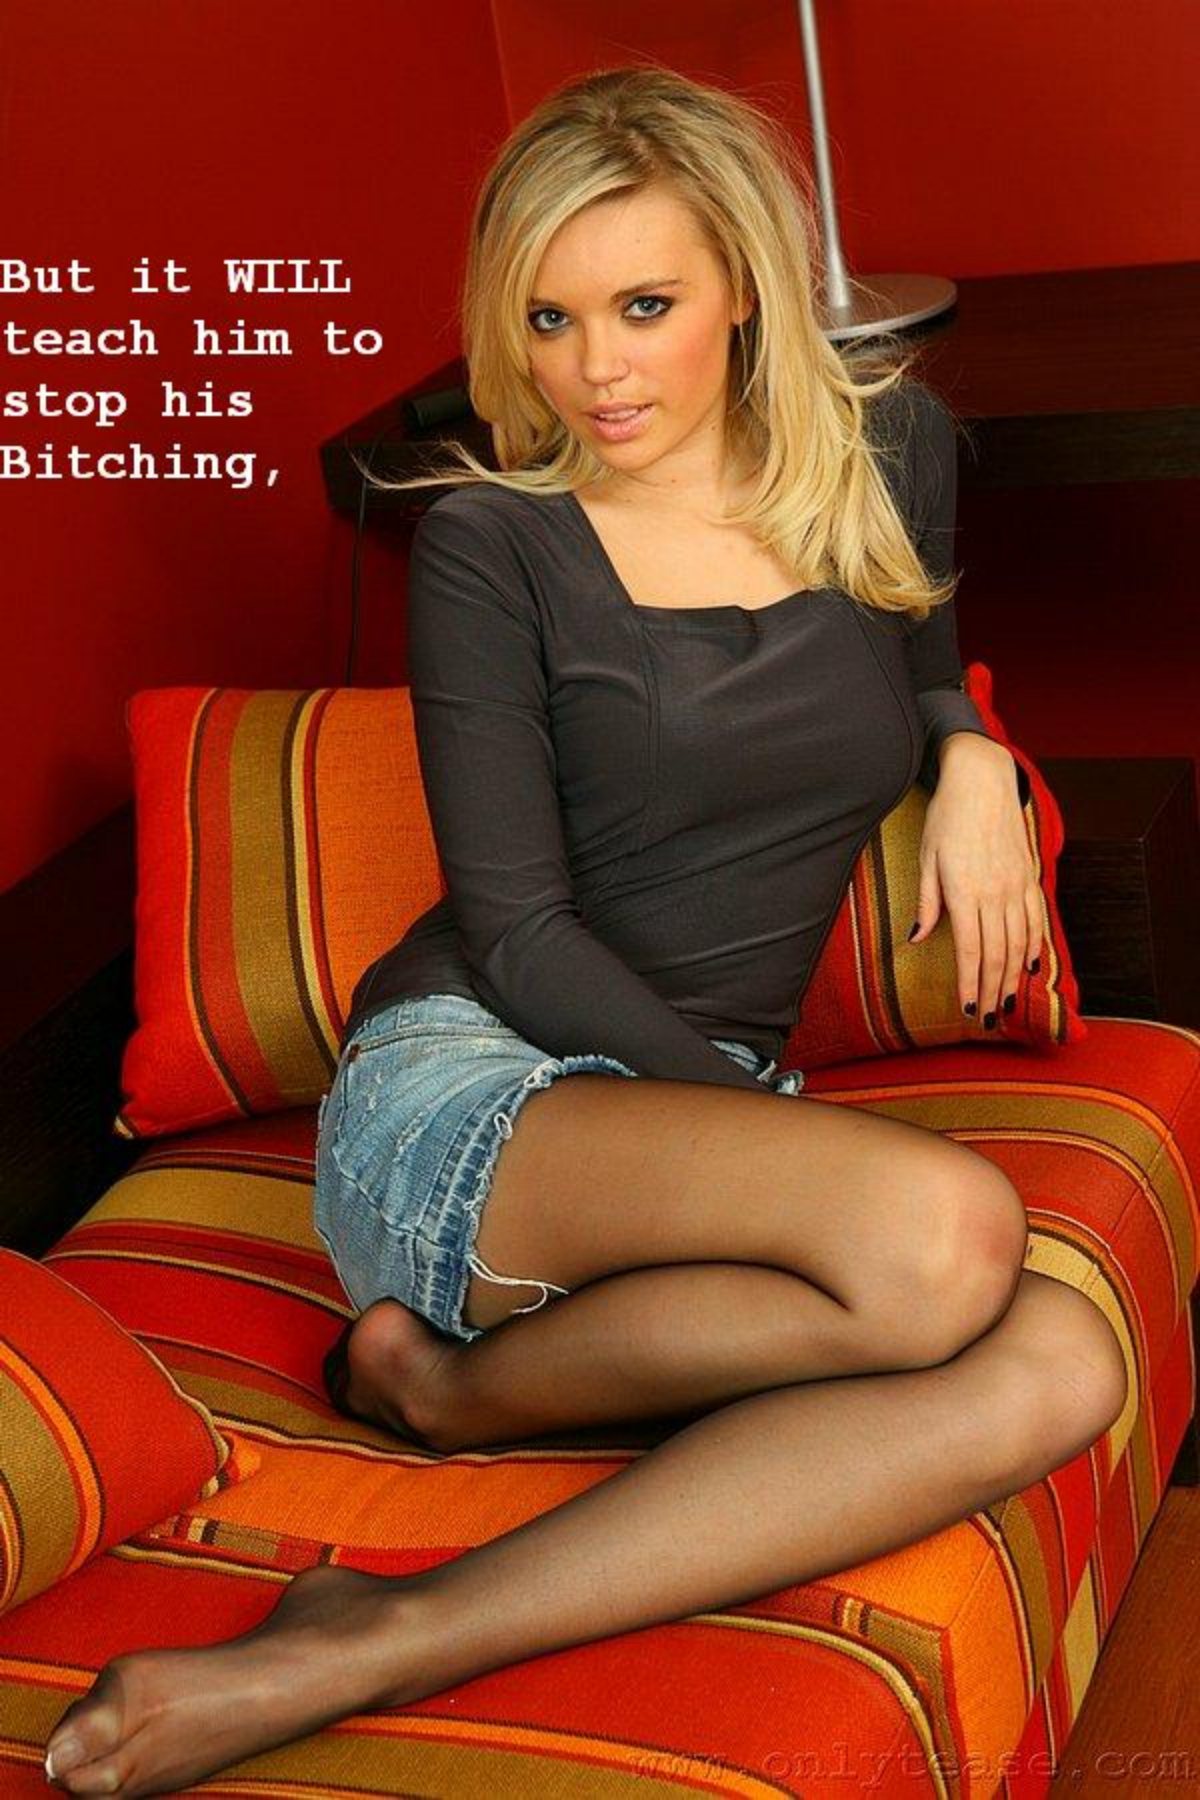

My God,  
that HAS to  
hurt like Hell

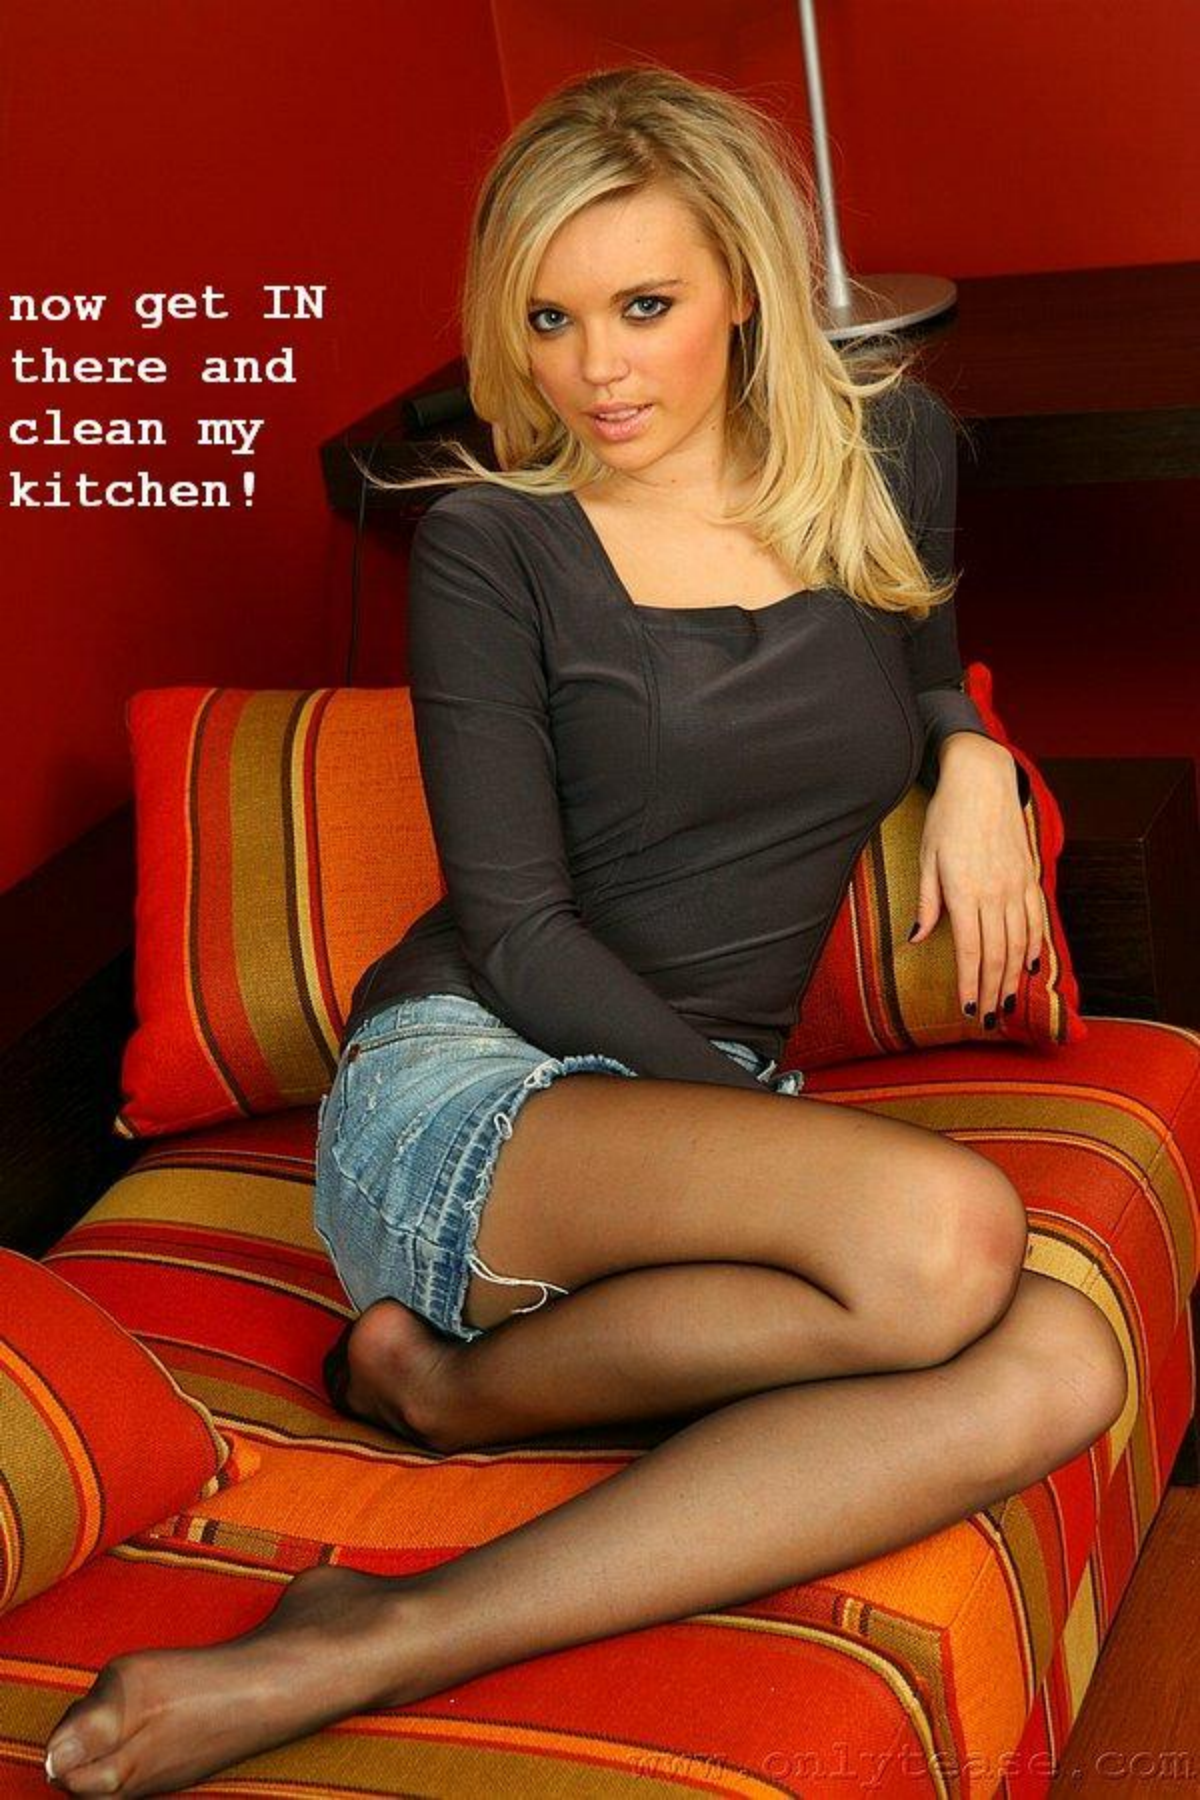

can be QUITE  
embarrassing  
as well!

But it WILL  
teach him to  
stop his  
Bitching,

now get IN  
there and  
clean my  
kitchen!

"Yes  
Mistress!"
