

In a Female led relationship

what normally occurs

is it's not about YOUR pleasure

it's about HERS

"COME!"

they all
shouted

COME !

COME !

COME !

COME !

as my
slave
STRUGGLED
to obey

COME !

COME !

COME !

COME !

and not
come ONE
fucking
DROP

COME !

COME !

COME !

COME !

unless
I should
SAY that
he may!

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

COME !

And after an
HOUR of him
not coming'
I REALLY do
THINK,

the NEST
part was
letting
my hair
down,

COME !

COME !

COME !

COME !

and
RELAXING

while he
served
me a
drink!

Thank
you,
slave!

You're
welcome
Mistress!
