

"I know it's your first time as my  
slave when you'll be serving and  
obeying me when we aren't alone

and the humiliation you're expecting  
chills you down to the bone

but look at this story and it may  
mollify some of your fear

because you KNOW I am NOT like  
Mistress Ann, AM I my Dear?"

Once upon a  
time there  
was a strict  
Wife slash  
Mistress  
named Ann,  
and her  
submissive  
slave  
slash  
husband  
Marty,

who were  
ALSO about  
to leave  
to go to  
HIS first  
Femdom  
party!

And HIS  
Wife slash  
Mistress,  
she DID it  
all right!

She did  
EVERYTHING  
she SAID  
she would  
do

**"At That Party That Night!"**

This is  
what  
we're  
both  
wearing  
to the  
Femdom  
party  
tonight

and I'm  
gonna fuck  
his ass  
as HARD  
as I CAN  
in front  
of EVERY  
Woman  
in  
sight

while he's  
on hands  
and knees  
saying  
hello to  
them by  
kissing  
their  
feet

and GOD his  
HUMILIATION  
is gonna  
feel SO  
fucking  
SWEET!

Now  
YOU may  
SPEAK  
slave!

Thank you  
Mistress!  
And I'M gonna STAY  
locked in chastity  
and continue my SO  
far two month long  
denial,

as she humiliates  
me in EVERY way she  
can THINK of ALL  
night while I  
suffer in shame and  
SHE wears a SMILE!

And YES  
I WILL  
smile,  
ALL  
evening  
long,,

and slave,  
you'd  
better  
make SURE  
you do  
EVERYTHING  
right,

or I'll  
whip your  
balls in  
front of  
everyone  
with ALL  
of my  
might!

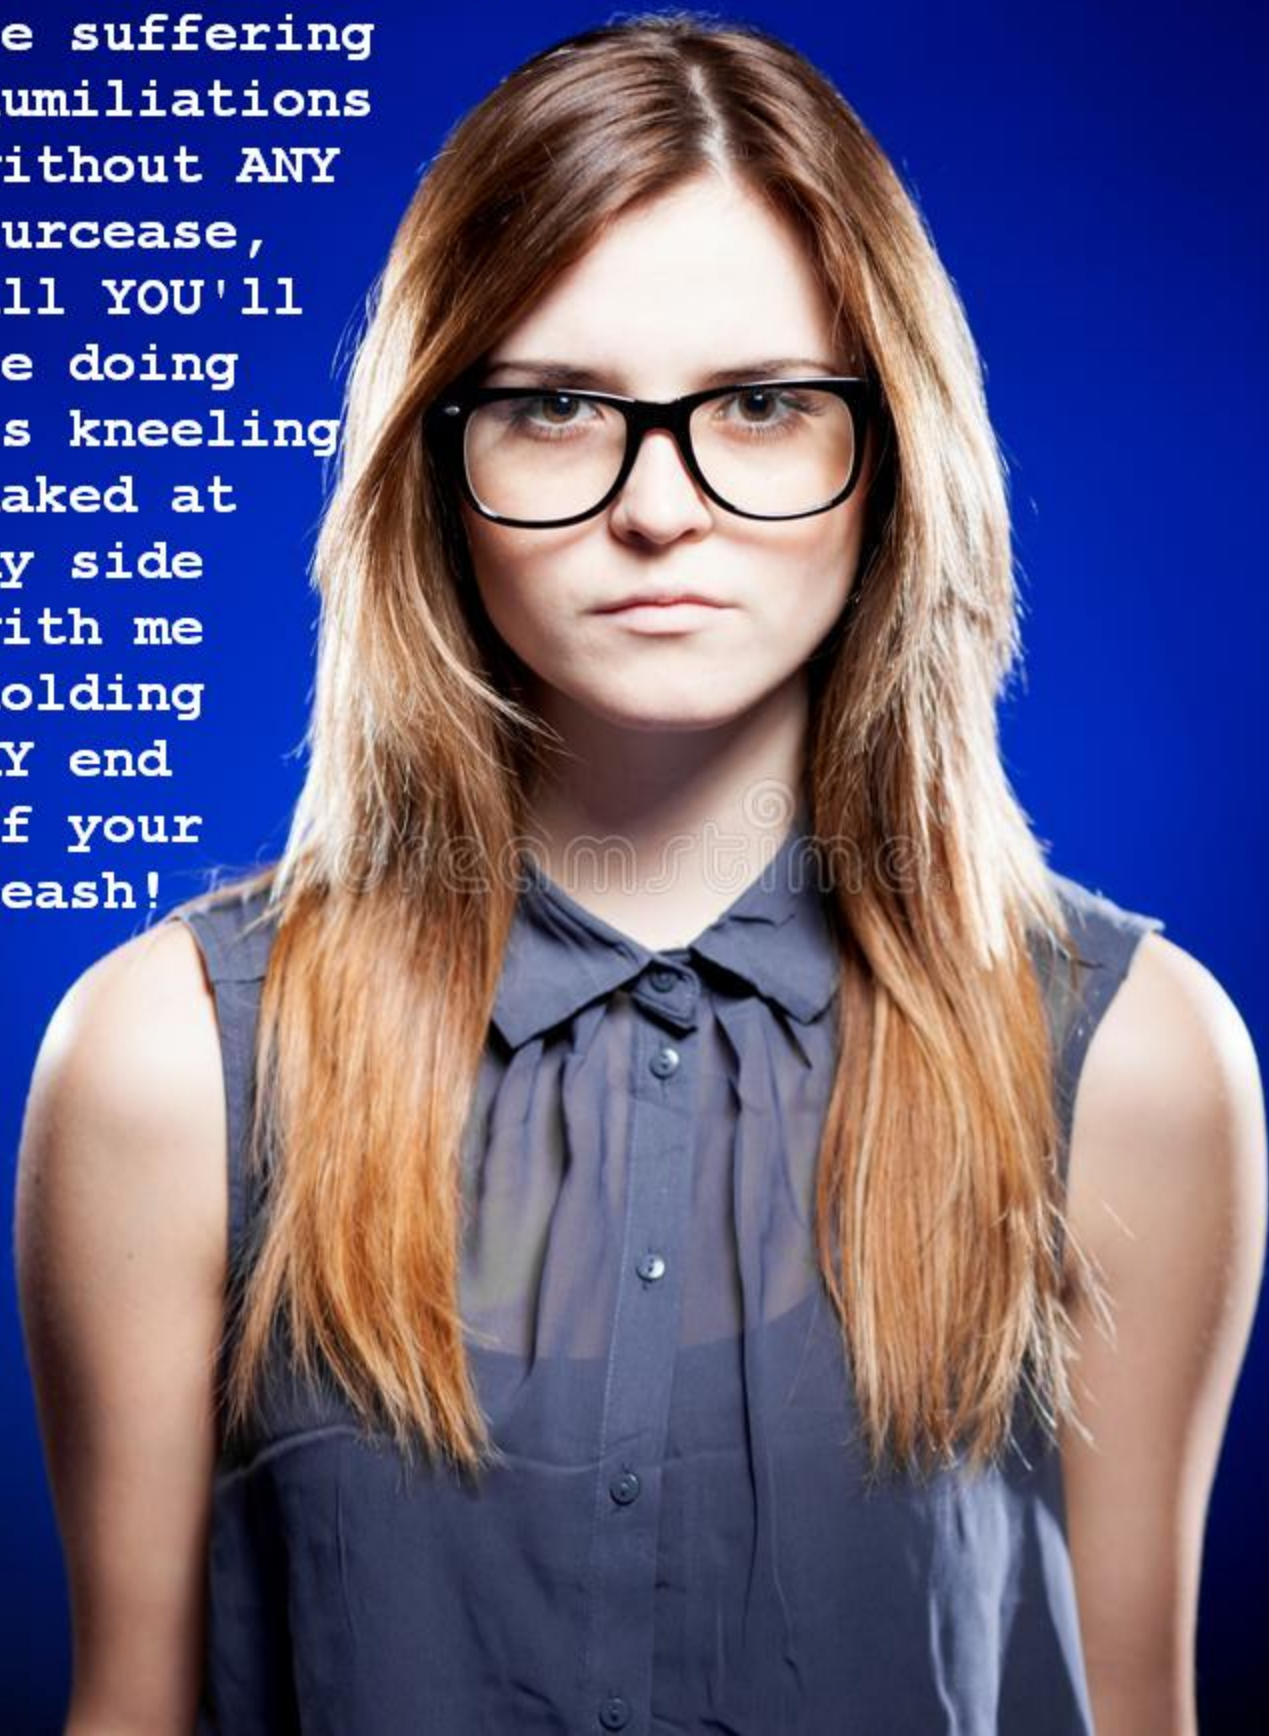

Now be thankful  
I'M not wearing  
what Ann wore  
that night,  
and that I  
let YOU  
cum just  
LAST Friday  
night,

and that YOU won't  
be suffering  
humiliations  
without ANY  
surcease,  
all YOU'll  
be doing  
is kneeling  
naked at  
my side  
with me  
holding  
MY end  
of your  
leash!

Now get  
your naked  
ass in my  
car!

**YES  
MISTRESS  
DENISE!**

Ooooooh NO  
I'm not  
LIKE Ann!  
Oh no,  
not I,

dreamstime

but as  
he'll find  
out later,  
GOD do I  
LIE!
