

I KNOW you can answer

the questions they ask

if you've waited for YOUR
Mistress

to punish YOUR ass!

She has an
INTERESTING
question,

REALLY,
it's
true,

what IS
your slave
thinking
while he's

"Waiting For You?"

How does
it FEEL
slave,

to be
WAITING
for me,

tied face
down to
my bed,

A photograph of a man lying on his stomach on a dark wood four-poster bed with white linens. He is shirtless and has his arms extended to the bedposts. The room features light blue curtains, a nightstand with a lamp, and a dresser. The text "all READY for me," is overlaid on the wall.

all
READY
for me,

knowing
for
CERTAIN

what you'll
have to
endure

when me
and my
belt

walk through
this door?

Are you
AFRAID
slave?

Do you
tremble
in FEAR?

What ARE
you feeling

as you
hear me
draw near?

And now
this story
has ME
wondering
TOO,

what YOU'RE
thinking
about ME

using
THIS belt,
on YOU

and whipping
your naked ass
UNMERCIFULLY!

**WOW!
Never MIND,
I THINK I
can SEE!**
