

He's doing well at "come" training

he's obeying quite a bit

while his Mistress is doing it

and keeping physically fit

This is
a story

about a
strict
Mistress
who
wondered

if her slave
would obey
her and
NOT come

before
she got
to

"One Hundred!"

**"Eighty three
Mistress!"**

**"Eighty four
Mistress!"**

**"Eighty five
Mistress!"**

Eighty six
Mistress!"

**"Eighty seven
Mistress!"**

**"Eighty eight
Mistress!"**

**"Eighty nine
Mistress!"**

"Ninety
Mistress!"

"Ninety one
Mistress!"

And SO my slave
who wants to
come all over
my hand SO bad,
what if this
were YOU?

How far could
YOU make it
past

"NINETY TWO!"

"NINETY THREE!"

"NINETY FOUR!"

"NINETY FIVE!"

"NINETY SIX!"

"NINETY SEVEN!"
