

Once upon a time there was a Woman
of the very DOMINANT kind

who LOVED that her submissive man
was as her SLAVE quite resigned

to his life of denial of his
sexual release

and the pleasure it gave her he
knew would NEVER surcease!

She told
him,
"You may
make
yourself
cum,
I won't
punish
you,

and you may
cum when
YOU want,
it's OK,
it's
alright,

you may
even
take
your
TIME so
your
pleasure

"Goes On ALL Night!"

**Does this
HURT?**

**OH GOD YES
MISTRESS!**

Then CUM cause
I'm gonna KEEP
doing it

A woman with blonde hair is applying a product to the leg of a man whose back is to the camera. The woman is looking down at her hands. The man's leg is the focus of the application. The background is a plain, light-colored wall.

until you
DO!

YES MISTRESS!

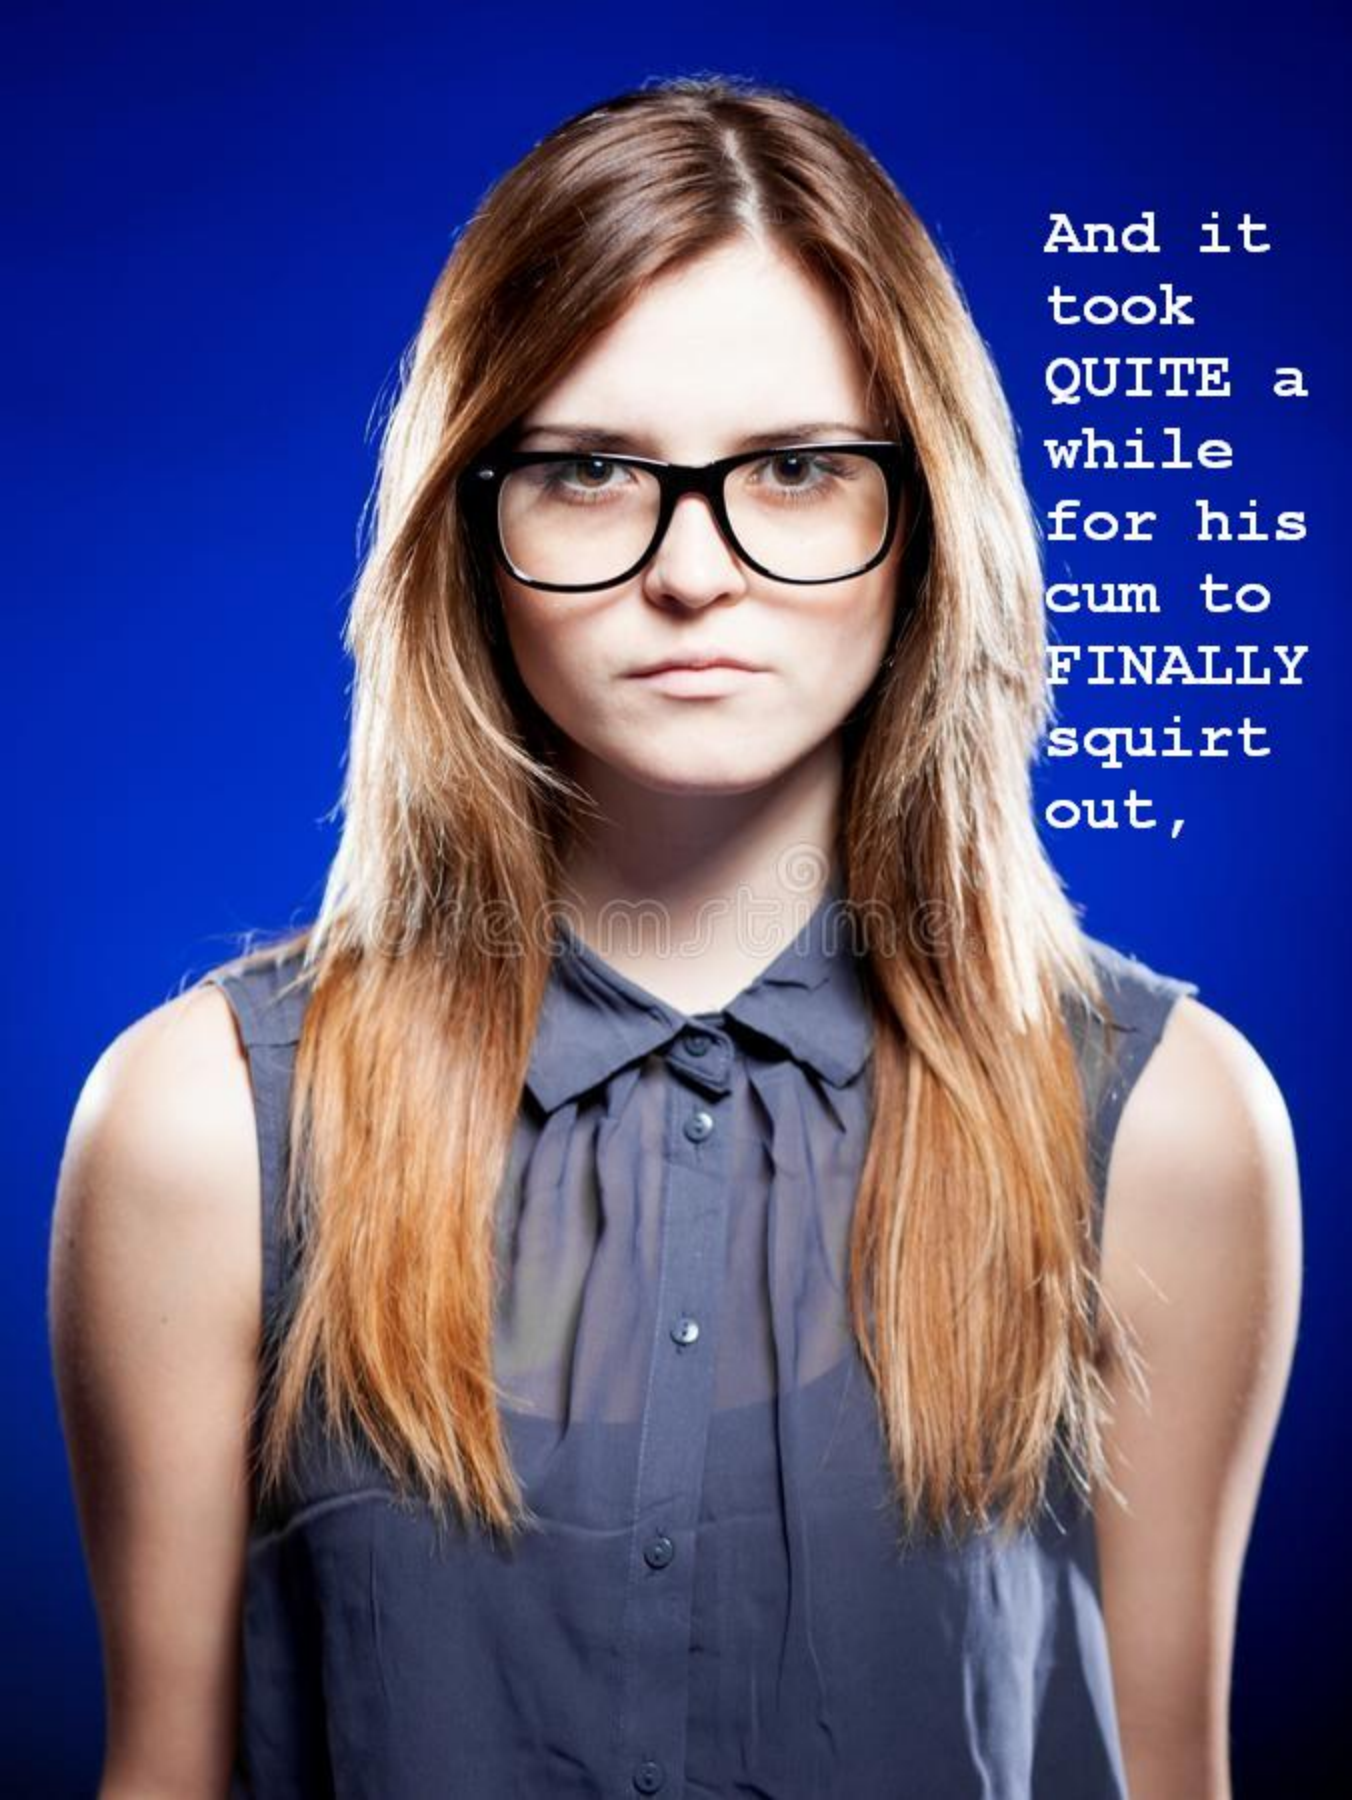

And it
took
QUITE a
while
for his
cum to
FINALLY
squirt
out,

and I
don't
think it
was HIS
pleasure
going on
ALL
night
that SHE
cared
about,
WAS it?

NOPE!
Not
even a
LITTLE
bit!
