

At first you'll not WANT
to do what this slave did next
but you WILL after weeks
or MONTHS without sex

A woman with long dark hair is lying on her back on a white sofa, looking up with her mouth slightly open. A man is lying on his back on top of her, with his head resting on her chest and his hands on her hips. He is wearing black underwear. The background is a bright, out-of-focus interior space.

"Thank you for
letting me come
inside of you
again,
Mistress!"

A photograph of a young couple in a close embrace on a white sofa. The woman, with long dark hair, is lying back with her head tilted upwards, eyes closed, and a blissful expression. The man, with dark curly hair, is leaning over her, his face buried in her neck. They are both unclothed. The man's hands are resting on the woman's chest and waist. The background is a bright, minimalist interior with large windows.

"Oh God,
THANK you!"

You're WELCOME
slave, but I'll
tell you

"For Good Measure,"

that the reason
I LET you come
inside me

is NOT for
YOUR pleasure,

or for THAT
matter MINE

cause you can't
even make it
FIVE seconds

before
you come,
EVERY time!

A woman with long dark hair is lying on her back on a white sofa, looking up at the ceiling. A man is lying on top of her, with his hands resting on her chest and stomach. The man is wearing black shorts and black socks. The woman is wearing a white top. The background is a bright, modern interior with large windows.

**I'm
sorry
Mistress!**

NO! I DO it
because
at the end
of your
COMING,

and you can't
give ANY more,

you get your
mouth between
my legs

as you kneel
on the floor

and I COME
and I COME

until
I CAN'T
anymore,

while you make my
femininity as CLEAN
as BEFORE!
