

Yes, they BOTH worship

with the same PASSION,

they do,

whether in the living  
room or bedroom

or in a church pew

I say Thank You  
to my GOD on my  
knees every day

for taking charge  
of my life and  
showing the way

to a heavenly  
future of  
eternal bliss

just like the  
slave in this  
story who says

**"Thank You MISTRESS!"**

for teaching me to  
OBEY you and PLEASE you  
with my mouth DAILY down  
THERE ,

clean the house,  
do the ironing  
do your nails,  
brush your hair,

and for telling me  
these balls are now  
YOURS Mistress Claire!

And Thank You for your  
discipline and for making  
it your mission

to train me to never  
ever come without  
YOUR permission

and be GRATEFUL for that  
cause unlike Sister Marie,  
MY God doesn't want TOTAL  
celibacy!

Thank You  
Mistress!

He said to  
HIS diety!

**Wow!**

Though they  
worship  
different  
dieties

it's quite  
obvious  
to me

he's JUST  
as religious  
as Sister  
Marie!

I mean  
look  
at him  
**KNEELING**  
there!

**SERIOUSLY!**

Honey, I agree  
with you **WHOLE**  
**HEARTEDLY!**

**THANK You  
Sister  
Marie!**

**Now get YOUR  
ass busy  
and start  
worshipping  
ME!**

**NOW !**

**YES MISTRESS!**
