

A question that's better  
is why do we let her,  
you have to admit that is true  
So now read this tale  
of a submissive male  
who's a little bit like  
me and you!

Will someone  
please TELL me?  
I simply  
DON'T  
understand

how a male  
can be  
trained,  
to  
obey a  
woman's  
command

to NEVER  
ejaculate  
until  
SHE says  
YES,

I haven't  
a CLUE  
I have  
to confess!

PLEASE tell me  
slave,  
TELL Mistress  
Tess!

"Well,  
my Mistress

**"Fran"**

trains me  
HARD with  
her hand

A woman with blonde, wavy hair is shown from the chest up, wearing a white short-sleeved shirt. She is looking down with a focused expression at a large, realistic-looking dildo held in her right hand. The dildo is positioned vertically. The background is a plain, light-colored wall with a baseboard and a power outlet visible on the right side.

and I say  
"Don't you  
DARE come!"

and I say  
"YES MISTRESS  
FRAN!"

And IF  
he can't  
HOLD it,

"and if I  
DISOBEY,"

I Sob  
"OH GOD!  
I'M SORRY  
MISTRESS  
FRAN!"

A woman with blonde, wavy hair is shown from the chest up, wearing a white short-sleeved shirt. She is looking down at her hands, which are positioned in front of her. She is applying a dark-colored nail polish to her fingers. The background is a plain, light-colored wall with a white baseboard and a small electrical outlet visible on the right side.

And  
I do

THIS

to his  
balls

till he's SORRY he  
was born as a MAN!

And it hurts  
so damn BAD

that I can't  
help but cry,

but the NEXT time  
she trains me

Oh my GOD  
do you TRY  
to OBEY  
your  
Mistress

as the  
minutes  
creep by  
with her  
hand going  
UP

and DOWN  
tween your  
thighs!

slave,  
I KNOW how  
to train a  
submissive  
male like  
you

but the REAL  
thing about  
which I  
haven't  
a clue

is why do  
you LET  
a woman  
DO that  
to you?

Why,  
slave?

WHY?
