

It's really bad manners
and it's not very nice
to stare at her friends
while they're over tonight

And now here's a reminder
to all you submissive guys
when serving her and her friends

here's where you SHOULD keep
your eyes!

She hasn't
allowed you
to come for
four or five
seasons

and for THAT
I'm sure your
Mistress has
a VERY good
reason!

And you want
to come SO bad
but I don't
really CARE

it just isn't
NICE slave,
you just
SHOULDN'T

"Stare!"

Stop staring at
Sharon, it isn't
polite

she didn't come
over to my house
tonight

to be the object
of some horny
slave's
LACIVIOUS leer

because his
Mistress hasn't
let his ass COME
for a year!

Now serve us
some wine,
and get BACK on
your knees

and keep your
eyes DOWN, where
a slaves eyes
SHOULD be!

"Yes Mistress
Marie!"

Well, what are
you waiting
for?

Go get us
some wine,

and when you
bring us the
glasses,
make sure
the biggest
one's
MINE!

"Yes
Mistress!"

Very GOOD
slave,
now get
BACK on
your knees

and put
your eyes
where they
SHOULD be

when you're
in front
of ME!

"Yes
Mistress!"
