

As far as his obedience he obeys
very well

and as far as his domestic servitude
he truly does swell

As far
as his
COMING,

should
I choose
to ALLOW,

once a
month
is the
WHEN,

jerking off
on his
knees is
the HOW!

Now HE'LL tell
you WHAT this
castrating
CUNT

makes him DO
to earn the
PRIVILEGE of
DOING that
each month!

God DAMN
it slave,

TELL
them!

"In Front Of Her Friends"

is where
I'm being
taken

and it
WILL be
humiliating

about that
there
is NO
mistaking

to lick
EACH one
to orgasm

till they're
all TOTALLY
pleased

JUST like you
WANT me to

Mistress
Louise!

And when he's all
finished and all
my Girlfriends
are totally
pleased

I let him jerk
off and come
right in FRONT
of them

when I give him
PERMISSION to
on his knees!

And as far as
MY pleasure?

Well, after I've
finished watching
him lick up and
SWALLOW his
mess,

the orgasms I
have while he's
THANKING me?

Oh my GOD,
they're the
BEST!

The VERY
fucking
BEST!

SERIOUSLY!
