

Night after night he KEPT saying
"NO! I won't DO it!
It's DISGUSTING and GOD it smell
BAD!"

And needless to say his
Wife/Mistress was getting
a LOT of bit MAD!

He just did NOT
want to eat her
pussy, he said
"There is NO
way I CAN!"

So she went
in the drawer
of her night
stand and
found herself

"A Really SMALL Rubber Band!"

And after
she put
HER balls
IN it he
sobbed

Mistress
it's too
TIGHT!

And SHE said
"GOOD! Now
lay down and
it'll help
you LEARN to
eat my pussy
tonight

and it'll STAY
on until you
finally learn
HOW to pleasure
me RIGHT!

and as he
kept LICKING
and LICKING
with PASSIOIN
because his
balls hurt so
BAD

she had the
BEST orgasms
she EVER had
had!

But in my
mind some
questions
ABOUT her
GREAT orgasms
REMAIN, like

what turned
her on more?
Was it his
LICKING? Or
was it his
PAIN?

Oh my GOD!
Don't you dare
STOP slave!
I'm cumming
AGAIN!
