

They were off to her "PLAY" room
for her entertainment

and she just HAD to ask him
what the word meant

BLISS!

The dictionary
definition goes
something like
THIS:

"Perfect
happiness"

"Great joy"

"Pure
pleasure"

and I'll tell
you Mistress

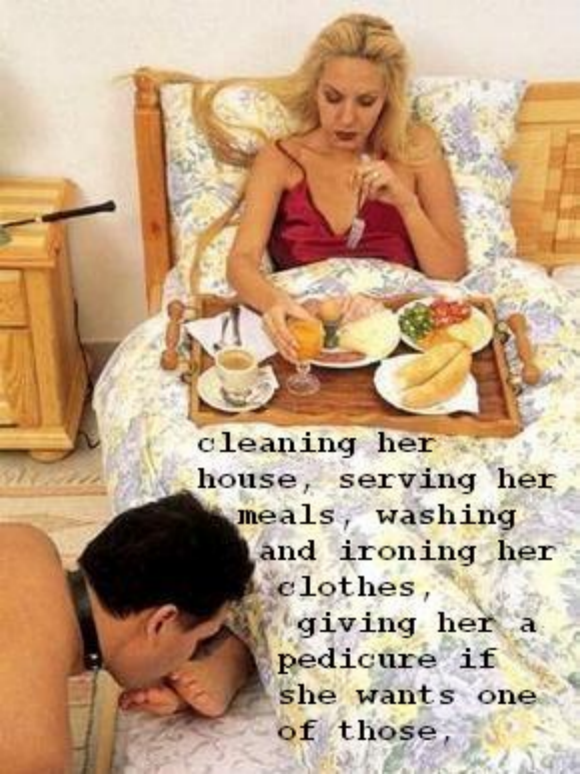

from my heart
and my soul
I define it

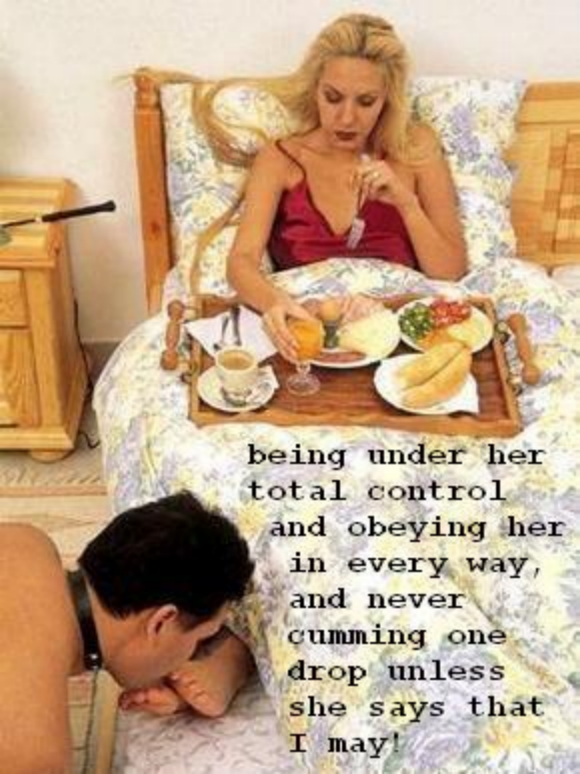

"As THIS!"

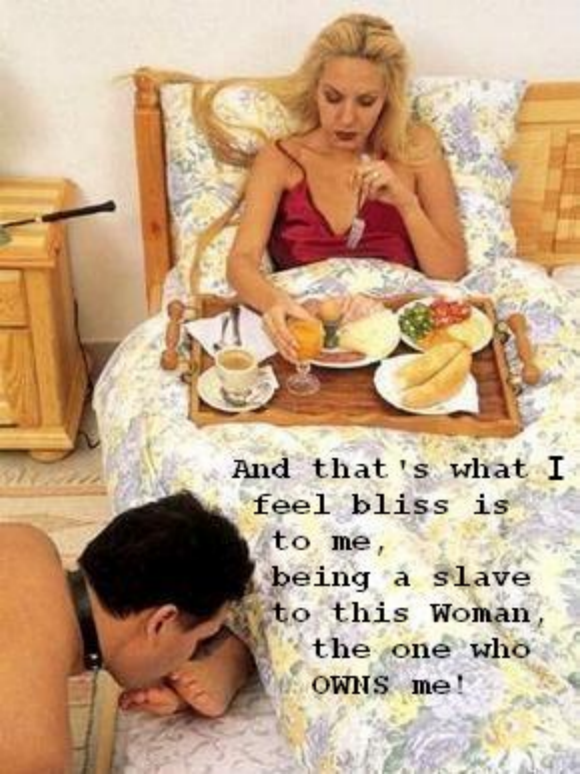

THIS is what
bliss is to THIS
submissive man,
serving and
pleasing my
Mistress every
day, any way
that I can,

cleaning her
house, serving her
meals, washing
and ironing her
clothes,
giving her a
pedicure if
she wants one
of those,

being under her
total control
and obeying her
in every way,
and never
cumming one
drop unless
she says that
I may!

And that's what I
feel bliss is
to me,
being a slave
to this Woman,
the one who
OWNS me!

And we
lived
happily
ever
after!

VERY
happily!

Ooooooh
YEAH!
