

Oh YES, you MAY wish for it

it's TRUE, Yes siree!

And it can happen to YOU

like it happened to ME!

My Mistresses
went on
vacation and
left me
with their
best
Girlfriend
Laurie,

And what did
SHE have to
say?

Well,

"I'll Tell You The Story!"

You may think
I'm a cruel
UNFEELING
bitch,

but after not
coming for two
years

because they
keep you in

THIS

with NO chance
of EVER coming

for EITHER
Mistress,

I bet you
wish they HAD
castrated you
two years
ago

when you
have to watch
them do

THIS ,

and THEN

THIS!

Huh?

And as I
stood there
before her
on that
LONG ago
night,

I realized
with dismay
that
Mistress
Laurie was
RIGHT!
