

Before reading anymore of these stories
today

Mistress Eleanor's conducting a readers
survey

Now that you've
read a few of
these tales

about dominant
women and
submissive
males,

please take a
few moments with
Mistress Eleanor,

who has some
questions to ask

"Before You Read Any More!"

Are YOU one
of those
submissive
males,
who really
ENJOYS reading
these Femdom
tales?

And does YOUR
little cock
grow,

like my slave
husband Ben's

before the
story you're
reading
even GETS
to the end?

And how about
YOU Girls?

Do they get
you really WET,

and help you
have the best
orgasms,
you've ever
had YET?

And do they
take you BOTH
to a world
you've looked
forward to
with JOY,

since YOU
were a Girl,
and he was
a BOY?

Hmmmmmm?

Well, that's
the end
of what I
have to say,

and Ben knows
what HE'S doing
for he rest
of the day,

DON'T you,
Honey?

Yes
Mistress
Eleanor!

YEAH!

He sure
DOES!
