

She has some questions in this story  
with which I'm sure you concur  
will make you want to come  
so BADLY for her

How long has it  
been since she  
last allowed you  
to come?

A MONTH?

A WEEK?

Huh?

Well, even if it HAS  
been only ONE lousy  
WEEK,

I'm sure you want  
to come REALLY  
REALLY badly!

DON'T you?

Ooooooooooh,  
YES!

**"But You WON'T!"**

WILL  
you?

Did that story  
make you **HORNIER**  
and make you want  
to come even  
**MORE?**

GOOD!

Now  
SUFFER!
