

What words can describe a  
relationship where

the male's owned by the Female  
and his only care

is obeying and pleasing every  
one of her needs

by staying submissive to her on  
his knees

This story's  
about a  
woman

who  
dominates  
her man

and what their  
relationships  
like

when she  
doe's what  
she

"CAN!"

Oh my  
GOD!

Isn't this  
HUMILIATING  
for him,  
Lois?

It  
sure IS,  
Darlene!

Then why is he  
letting you DO  
this to him?

Because  
I CAN!

Right,  
SLAVE?

"YES  
MISTRESS  
LOIS!"

"THANK YOU FOR  
ACCEPTING ME AS YOUR  
SLAVE, MISTRESS LOIS!"

"THANK  
YOU!"

You're  
WELCOME,  
slave!

WOW!

Yeah,  
that's  
a good  
word  
for it,  
Darlene!

A VERY  
good  
word!

Well,  
I don't  
know about  
YOU Amber,  
but this  
story

has me  
wondering  
WHY

EVERY  
woman  
doesn't  
want

to own a  
submissive  
guy!

A photograph of two women in a restaurant setting. The woman on the left has long brown hair and is wearing a light blue, long-sleeved, pleated top. She is looking towards the woman on the right. The woman on the right has long blonde hair and is wearing a dark grey sweater. She is holding a wine glass filled with red wine and looking back at the first woman. The background is slightly blurred, showing a kitchen area with a range hood and some kitchenware. The text "Yeah, REALLY!" is overlaid in the center of the image.

Yeah,  
**REALLY!**
