

I can sympathize with this guy  
because I've done it myself a  
WHOLE lot my Dear

when my MIND heard ONLY what my  
EARS really WANTED to hear!

His hopes are  
ALL gone

they truly  
ARE dead

because what he  
WANTED himself to  
HEAR was something  
that she

**"Never SAID!"**

Oh GOD Honey that  
feels so GOOD!  
I'm gonna CUM!

**Do YOU want  
to cum TOO  
Honey?**

Oh God YRS  
Mistress! You  
haven't allowed me  
to cum for a  
MONTH Mistress!

OH God I'm gonna  
cum NOW Honey!  
I want you deep  
inside of me  
FUCKING me!

**NOW Honey!**

**Fuck me till I**

**CUM and CUM and**

**CUM!**

**Oh God  
YES MISTRESS!**

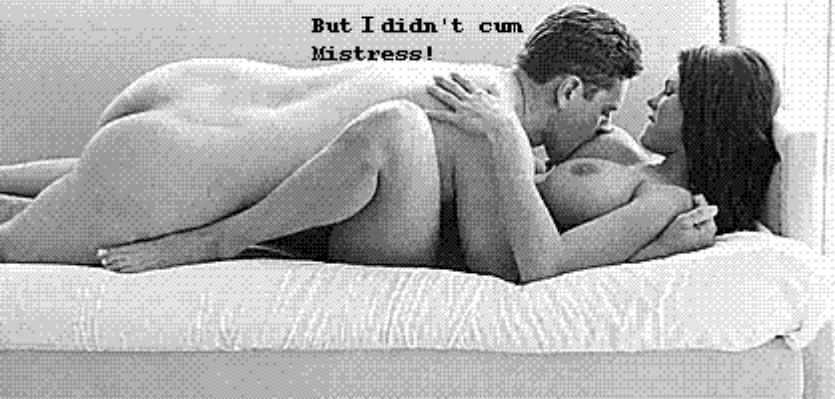

Oh my God  
that was  
**GREAT Honey!**  
I coululdn't  
stop **CUMMING!**

You may go  
back to  
licking my  
pussy now  
Honey!

But I didn't cum  
Mistress!

I never SAID  
you could cum!  
I SAID I wanted  
you deep inside  
of me fucking  
me so I could  
cum!

Now do what I  
TOLD you to  
do or I'll  
make you wait  
ANOTHER Month  
to cum!

**Yes  
Mistress!**

And though  
"And I want you to  
cum deep inside  
me while you're  
fucking me"  
she NEVER said's  
TRUE

I DID very LOUDLY  
hear her saying

FUCK  
you!

DIDN'T I?
