

A Female led relationship can  
be Oh SO devine

the dominance and submission  
as intoxicating as wine

But when you speak of one to  
others

the first words from their  
mouth

is "What's a Female led  
relationship

and what the Hell is it  
about?"

When I tell  
people  
that our  
relationship

is a FEMALE  
dominated  
relationship

they ask me  
"What's a  
relationship  
like THAT

**"All About?"**

Are you SURE  
that you want  
to be my slave?

YES  
MISTRESS!

Is being my  
slave about  
doing what ever  
YOU want to do  
and telling me  
NO, slave?

**NO MISTRESS!**

**ANSWER ME  
BITCH!**

You're God Damn  
RIGHT it isn't!

Is it about  
YOUR needs  
and YOUR sexual  
satisfaction?

**NO MISTRESS!**

**ANSWER ME  
BITCH!**

You're God Damn  
RIGHT it isn't!

So what IS  
it about,  
slave?

**ANSWER ME  
BITCH!**

**IT'S ABOUT  
SERVING AND  
PLEASEING YOU  
MISTRESS**

AND BELONGING  
TO YOU MISTRESS!

AND OBEYING  
YOU MISTRESS!

You're God Damn  
RIGHT it is!

And YOU  
slave,

WILL learn  
to DO that!

Oooooh YES!  
It's all about  
TRAINING!  
Isn't it Dear?

"Yes  
Mistress!"

That's RIGHT!  
Now crawl to the  
bedroom and get my  
BELT, and bring  
it IN here,

and hand it to me  
because I'm in the  
mood for DOING  
some Dear!

"Yes  
Mistress!"
