

Here is a story for you submissive
guys who just may

be thinking about posting an ad for
a strict Mistress today

that you better BE as you CLAIM in
that missive

because if you're NOT there are
Women who want to LEARN how to MAKE
you submissive!

GOD! What was I THINKING?
I had to be MAD! The day
I too hastily posted
that personal ad!

"Submissive guy looking for a strict dominant Woman to serve and obey"

That's one of the ads I saw posted today

And I really would LOVE a submissive guy who

really WOULD serve and obey me like I WANT him to do, BUT

Girls, he may
say in his ad
that he's a
submissive
guy, but
the truth
IS

"MOST Of Them LIE!"

So hows a
Girl to KNOW
if what his
ad says is
TRUE?

Well, I
suppose we
can ask my
friend
Mistress
Sue!

Girls, a truly
submissive guy's
one a Girl does
NOT have to ASK

to pull
down the
sheets and
start kissing
her ass!

And then
open her
legs so that
he, can pleasure
her soaking WET
femininity

A photograph of a woman lying on her back in a bed, partially covered by white sheets. Her legs are raised and bent, with her feet tucked up towards her chest. The scene is set in a bedroom with a window in the background. The lighting is soft and natural, suggesting daylight. The overall mood is intimate and relaxed.

and
bring her
to ORGASM
after ORGASM
until he has
satisfied her
COMPLETELY!

Then he'll make
the coffee and
then he'll serve
her some,

and not complain
because he knows
WHY, HE'S not
gonna cum!

And of course
SHARON knows
that a TRULY
submissive guy
will NOT
protest

if instead of
ME allowing
him SEX,
I always make him
do THIS while he
stares at my
breasts!

And of course when
he's finished he
ALWAYS licks up
and SWALLOWS his
MESS, a truly
sumissive guy WILL
do that!
Ooooooh YES!

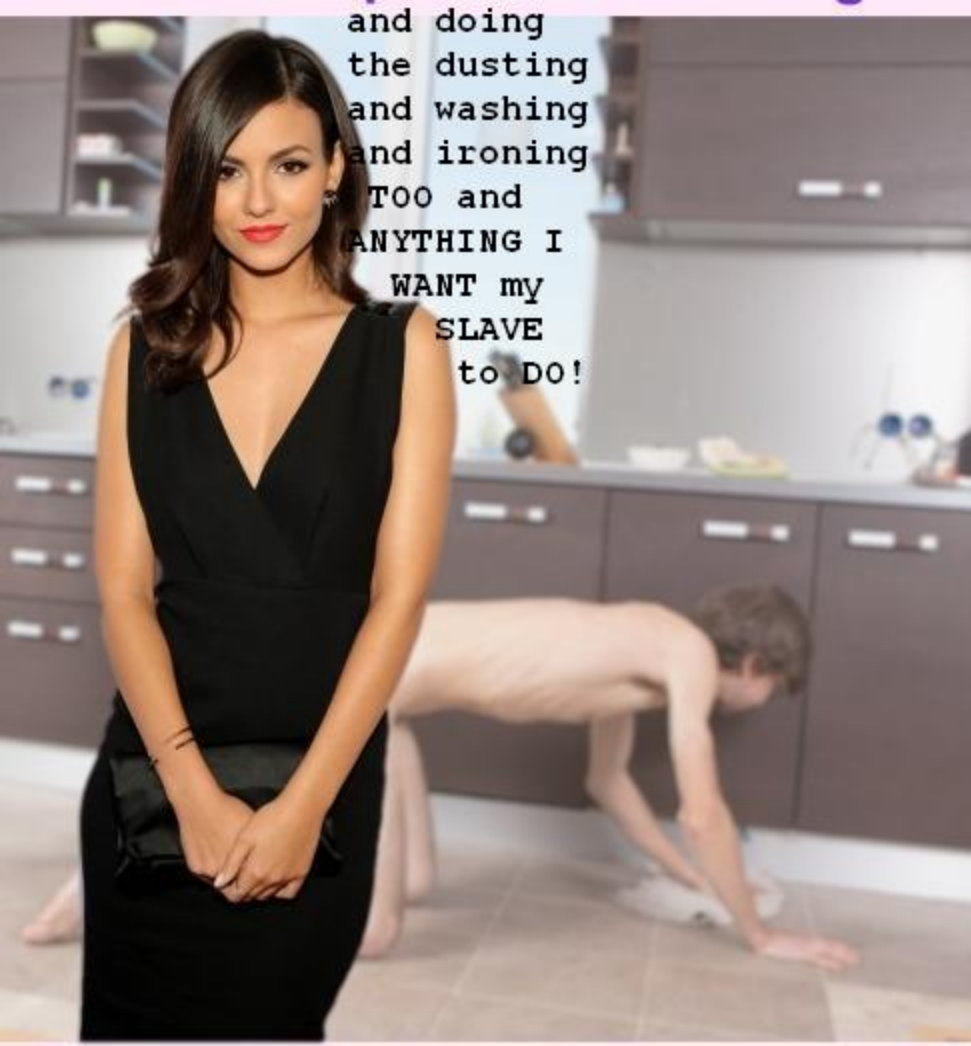

And as far as
knowing when a
guy's **TRULY**
submissive, **NO ONE**
knows **MORE** than my
friend Elenore

who knows he
WANTS to be
naked on
his knees
washing my
floor

and doing
the dusting
and washing
and ironing
TOO and
ANYTHING I
WANT my
SLAVE
to DO!

A woman with long dark hair, wearing a black sleeveless dress, stands in the foreground of a kitchen. In the background, a man is crawling on the floor, propped up on his hands and knees. The kitchen has dark brown cabinets and a white countertop.

Yes,
a TRULY
submissive
guy will
GLADLY do
that!
WON'T he
my SLAVE?

OH GOD YES
MISTRESS
PAT!

But what
if the
guy from
the ad I
answered
doesn't
WANT to?

Well, then
you go get
your BELT,
and you
MAKE him
WANT to!

Then you
lock his
manhood is
THIS and
sternly tell
him that he

isn't
cumming till
he becomes as
submissive as
his ad SAID
he would be!

**THANK YOU! All your
advice has truly
helped me!**

**I'll REPLY
to his ad!
Oooh, YES
SIREE!**

And I will
DO it
IMMEDIATELY!

And now she is living
a life of pure BLISS,
asking me EVERY day,
questions like THIS,

SLAVE, did you clean
my kitchen, wash the
floor, and
do all the
dishes?

hearing ME meekly
answer with the
required
"YES MISTRESS!"

And ooooh YES I OBEY
her and PLEASE her
because if I DON'T
what I FEAR

is she'll keep me locked
up like THIS without
ANY sexual release
for ANOTHER
whole year!
