

The answer is simply

"BECAUSE, Mistress Gayle!

Because I was born

as a submissive male!"

Wow!

A black and white photograph of a woman with blonde hair, sitting in a dark armchair. She is wearing a white, ribbed, long-sleeved sweater and a dark, knee-length skirt. She has a watch on her left wrist and a long necklace with a pendant. Her right hand is resting on the chair's arm, holding a pen. Her left hand is near her head. A dark, textured bag is on the chair next to her. The background shows a window with light coming through. The text "This is un fucking BELIEVABLE!" is overlaid on the left side of the image.

This is
un fucking
BELIEVABLE!

All you
submissive
guys,

I have a
QUESTION
for you!

why's his
dick HARD
when he
KNOWS

what she
likes
to do?

Huh?

Hi,
slave!

Guess
what
I'M
gonna
do!

"Oh GOD!
Please don't
do what you
did to me the
LAST time,
Mistress!"

"I'm
BEGGING you
Mistress!"

"PLEASE!"

WHY? Don't you
LIKE when
I hang you
by your
wrists
from the
ceiling
hook and
have FUN
with
you?

"NO,
Mistress!"

WELL
slave,

"NOW You'll Like It"

even
LESS

when I
grab you
by your
BALLS

and PULL
you UP
by them

so I
could get
THEM tied

to the
rope
that's
attached

to the
OTHER
ceiling
hook!

"OH GOD NO
MISTRESS!"

he SCREAMED
as she hung
him up HIGH,

but at
the end
as he HUNG
there I HAVE
to ask WHY

his dick was
even HARDER,

can you
tell me
WHY?
