

Yes, ALL that OBEDIENCE to her's
coming from

the fact SHE decides WHEN HOW
and IF he may cum

And Girls that's a power with
UNBELIEVABLE might

as you'll see in the story
we'll be reading tonight!

Pick up
your books
Girls and
lets read
a tale

about
how one
Woman dealt
with HER
submissive
male

who refused
to behave
and just
would NOT
do

what a
GOOD slave
shouldn't
HAVE

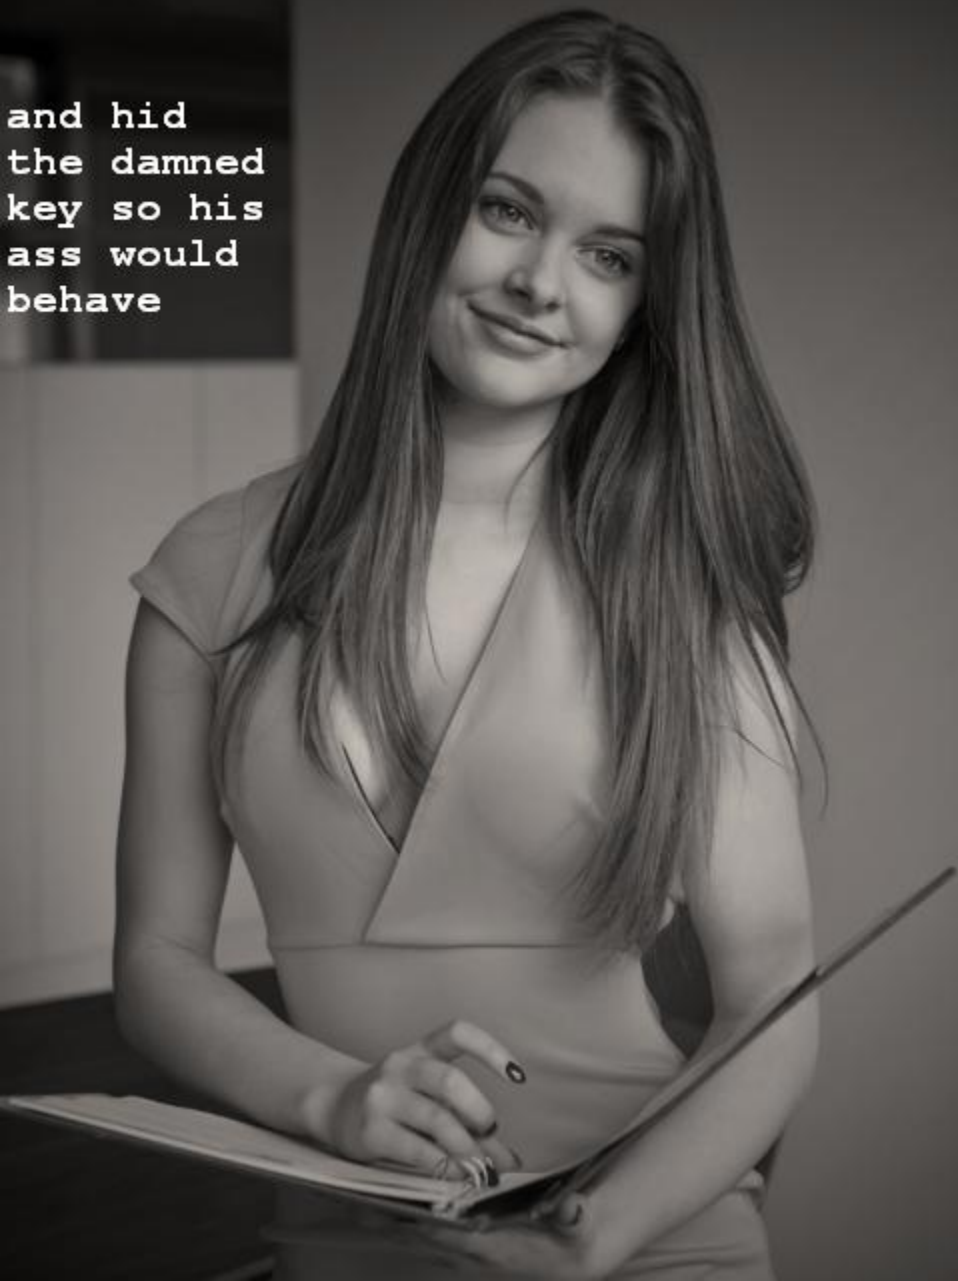

"To Be TOLD He Must Do!"

Once upon
a time
a Woman
locked up
her slave

and hid
the damned
key so his
ass would
behave

and OBEY
her and
put all
of HER
pleasure
FIRST

instead of
worrying
about
slaking
his
sexual
thirst!

And when
she'd let
him out
ONCE a
month

for a
TIMED
three
minute
span,

she'd make
him get on
his knees
and take
his cock in
his hand

and
sternly
say
"You may
cum for me
and you
better cum
QUICK!"

And when
he was all
finished
cumming he
always
made sure
to lick

up his mess
as her
timer shut
off with
a CLICK!
