

This story's told by a slave  
submissive and meek  
who's allowed to come only  
one time each week  
and he has something to say  
to new slaves like you  
about what HE would do  
if he belonged to Sue

I don't know  
about YOU,

but if it was  
ME on my knees,

she wouldn't  
have to give ME

**"Instructions Like These!"**

Stop staring  
at my tits

and put  
your tongue  
where

a slaves  
tongue  
SHOULD be

when he's  
kneeling  
NAKED

down  
there!

That's  
the end  
of the  
story

and if it  
WERE me,

I'd be kissing  
her femininity

PASSIONATELY!

And I'd kiss  
it all night

and I'd kiss  
it all day,

for  
permission  
to jerk off

and come again  
THIS Saturday!
