

After you've read this short story
about this submissive named Stu
you DO have to wonder
if what she's saying is true

Honey,

sometimes I
think you
really WANT
this!

AND I think
you want it
SO fucking
BAD,

that you
screw up on
PURPOSE

to make
me THIS
fucking MAD!

I TOLD your lazy
ass to wash the
floor in the
kitchen!

Now get that
disobedient ass
OVER here and

"Assume The Position!"

Ooooooh,
YES!

SOMETIMES

I think

that you
really LIKE
this!

A pregnant woman with long dark hair and bangs is sitting on a green tufted sofa. She is wearing a dark floral-patterned short-sleeved top and light-colored pants. She is holding her large, bare pregnant belly with both hands. Her right arm is also raised, holding a small object. The background is a plain white wall with a small framed picture on the left. The text "DON'T you?" is overlaid in the upper right area of the image.

**DON'T
you?**

OK!

**That's the end
of THAT cheeks
punishment!**
