

It'll take a lot less than a WEEK,
before you're SO horny Son,
that you'll think with your dick,
and forget what you SHOULD have done!

You've obeyed
and served me
satisfactorily
all week,

so I'm going to
allow you your
once a week
ejaculation!

"Thank you
Mistress!"

You're
WELCOME,
slave!

"How do you
want me to
do it,
Mistress?"

Go get your
"Come Panties"!

"Yes
Mistress!"

Good
BOY!

"Now USE Them!"

So he says
"Yes
Mistress",

picks
up the
panties,

crawls over to
where she's
standing,

gets back
up on
his knees,

covers his
erection with
the panties,

and proceeds
to slowly jerk
himself off
for her,

as she
looks down
at him!

Oh my GOD,
he's BEGGING
her for
permission
to come!

Is he
CRYING,
Beth?

He sure
IS, Gail!

WOW!

OK! She just gave
him permission
to come, let's
see what
happens NOW!

Oh my GOD!
He's kissing
her FEET as he's
coming into
the panties!

AND sobbing
"THANK YOU
MISTRESS!"
while he's
DOING it!

And Oh my
GOD is he
doing it!

I think he's
finished
giving her
THIS weeks
come,

she told him to
go and wash his
panties out,
and he said
"Yes Mistress!"

Yeah, there
he GOES,
obediently
RUNNING to
the bathroom!

Yeah, but
before he even
gets out of the
ROOM she tells
him

Now that
you're
THINKING
again,

because
your dicks
FINALLY
soft

you may
want to
remember,

to turn the
"Nanny Cam"
OFF!

Huh
Girls?

Nah!

Nah!
