

You'll soon agree

you were a fool

thinking she

was being cruel

I FINALLY  
had enough  
of his  
disobedience

so I did  
what a Woman  
HAS to do  
with a  
disobedient  
male,

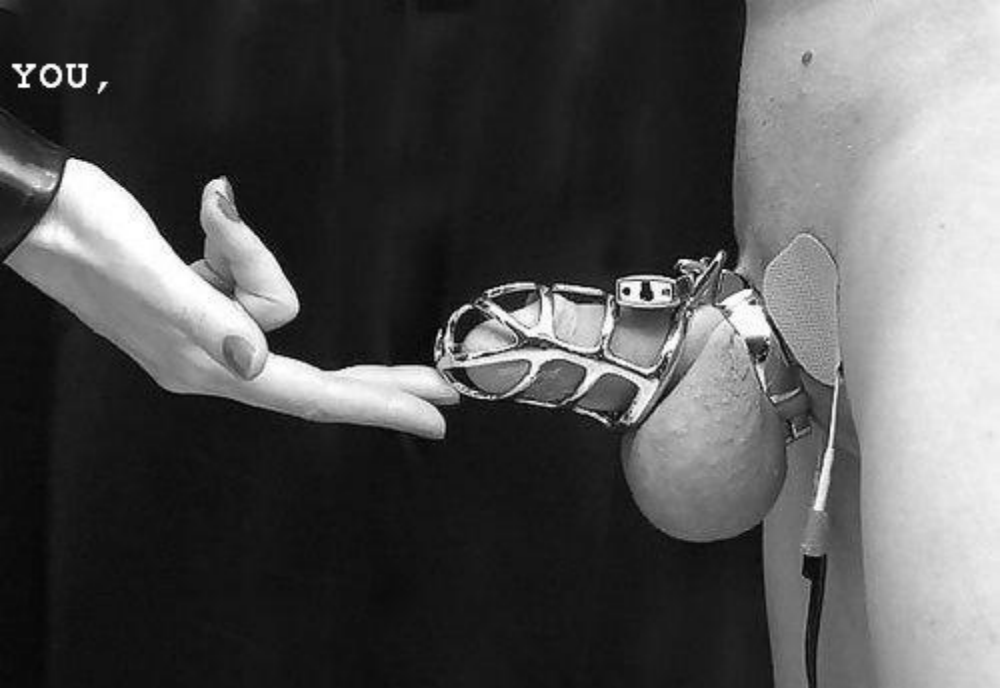

who REFUSES  
to obey,

and  
told  
him,

YOU,

are STAYING  
in this

for the REST  
of this year!

And now he's  
on his knees  
CRYING,

and WHINING,

that

**"I'm CRUEL!"**

Cruel  
my ASS!

**STAND UP,  
SLAVE!**

**"Yes  
Mistress!"**

Now  
STOP  
crying,

like a  
pussy  
whipped  
Bitch,

and  
**LISTEN**  
to me!

OK?

**"Yes  
Mistress!"**

slave,

staying  
in THIS,

for another  
TEN months,

ISN'T  
cruel!

Taking  
you  
to my  
Doctor

and  
having  
her

A female medical professional, possibly a nurse or doctor, is shown in profile, looking down with a somber expression. She is wearing white scrubs and a green stethoscope. Her hair is dark and pulled back. In the background, there is a desk with a computer monitor, a glass jar, and some papers. The text is overlaid on the right side of the image.

perform  
that little  
"PROCEDURE"  
we talked  
about you  
having,

where she  
puts them

in a JAR

A clear glass jar with a black lid sits on a reddish-brown wooden deck. The lid has the text "in a JAR" printed on it in a white, monospace-style font. Inside the jar, a hard-boiled egg is visible, along with some yellow and brownish ingredients, possibly pickled vegetables or herbs. The jar is partially filled with a clear liquid. The background is slightly out of focus, showing more of the wooden deck and a dark, textured object.

for me to  
keep on my  
dresser,

IS!

**ESPECIALLY**

if I  
don't  
let you  
COME

before  
she does  
it!

So this  
BETTER  
be the  
END

of you  
thinking  
that I'm  
being  
CRUEL,

or I  
WILL  
be!

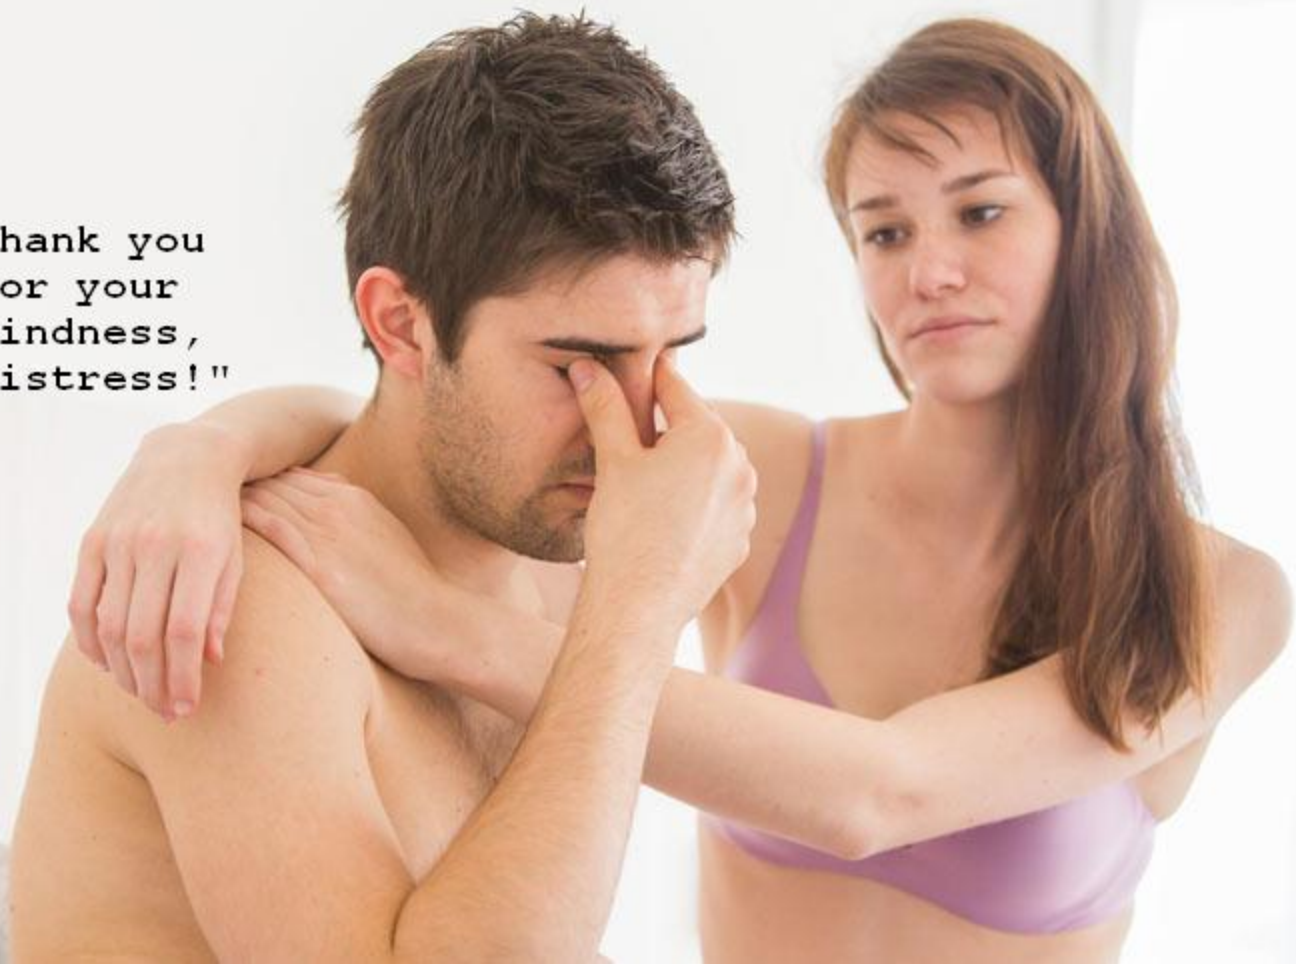

OK?

**"Yes  
Mistress!"**

"Thank you  
for your  
kindness,  
Mistress!"

You're  
welcome,  
slave!
