

"How did you get him to DO it?"

My Girlfriends all ask

"Getting a male to do THAT

has got to be one HELL of a
task!"

Girls,
this is
the STORY

of how I
got my
new slave
named Paul

to do what
I WANTED
him to

and MAKE

"That Phone Call!"

"My life with
my new Mistress
hadn't gone too
far

before she
informed me she
wanted my balls
in a jar

on her dresser
where she feels
a slaves balls
belong!

So she told me
I'd HANG here
like THIS for
as long

as it takes me to
WANT to call her
friend doctor Fran

and make an
appointment
to have myself
un manned!

I've been hanging
since this MORNING

and I don't WANT
to, NO WAY,

but he DID
make that
phone call
by the END

of a very
very LONG
painful
day!

DIDN'T
you?

**"Yes
Mistress!"**

And you
BEGGED me
to let you
DO it!

DIDN'T
you?

**"Yes
Mistress!"**

You're
God Damned
RIGHT
you did!

Now go
clean my
fucking
house!

**"Yes
Mistress!"**
