

You try your damndest as the minutes go
by

to obey your Mistress while you whimper
and cry

Oh Yes you DO, I KNOW that is true,

because **I** was a slave once

and **I** did it too

as you'll see in this story told
by a strict Mistress named Sue

Yeah,
I KNOW that
it's hard

when she
trains you
THIS way,

but there are
REASONS your
Mistress

DOES this
each day!

"AREN'T There?"

A woman with long blonde hair, wearing a white short-sleeved crop top, is leaning over a man. She is holding his penis with her right hand, which has pink and white manicured nails. The man's hairy legs and pubic area are visible in the foreground. The background shows a dimly lit room with a window covered by brown blinds and a doorway leading to another room.

Do you
WANT to
come,
slave?

"OH GOD, YES MISTRESS!"

A woman with long blonde hair, wearing a white short-sleeved crop top, is leaning over a man. She is holding his penis with her right hand, which has pink and white manicured nails. The man's hairy legs and pubic area are visible in the foreground. The background shows a dimly lit room with a window covered by brown blinds and a doorway leading to another room.

Are you
GOING
to come,
slave?

"NO MISTRESS!"

Why NOT,
slave?

"BECAUSE YOU'LL PUNISH
ME IF I DO, MISTRESS!"

Yes
I WILL,
slave!

The End

Yes, her control
of your COME

keeps you
as meek as
a mouse,

that's why you
OBEY when she
ORDERS you,

SLAVE !

GO CLEAN
MY HOUSE!

Isn't it?
