

I got into a relationship
which was Female led
and as I crept close behind her
here's what she said

FOLLOW
me,
slave!

Yes
Mistress!

Oh God!
What are you
going to DO,
Mistress?

I'm taking
you upstairs
to my "PLAY
room",

and when
I get you
inside,

I'll fasten
you down so
your legs
are

"Spread Open WIDE!"

Then I'll teach
you when you're
TOLD to clean my
house every night,

not only will you
DO it, but you WILL
do it RIGHT!
Now start COUNTING!

YES MISTRESS!
ONE MISTRESS!

TWO MISTRESS!

THREE MISTRESS!

FOUR MISTRESS!

FIVE MISTRESS!

SIX MISTRESS!

SEVEN MISTRESS!

And at
the end
of THAT
lesson

what you're
gonna do
NEXT,

is learn how
to give

your
Mistress
GREAT sex!

Does THAT
answer your
question,
slave?

Yes
Mistress!

A woman with long brown hair, wearing a white long-sleeved button-down shirt and a black skirt, is walking up a dark wooden staircase. She is wearing light-colored high-heeled shoes. A nude man is following her from behind, also on the staircase. His back is to the camera, and he has several large, red, irritated patches on his lower back and buttocks. The staircase has dark wooden steps and metal railings. The wall on the left is made of light-colored stone or concrete.

GOOD !
