

If you're a guy who has no problem
saying "Yes Mistress"
Then you definitely are someone
who can identify with THIS!

If you guys
are reading
this

with your
Girlfriend
or your
wife,

she already
knows that
for guys
like YOU
this is
just a

"Fact Of Life"

Ooooh YES!
I can SEE
you like
these
storys,

they most
definitely
DO ring
your
chimes.

and all
I'VE got
to do is
SAY it
and you'll
be
totally
MINE,

a SLAVE
who'll
SERVE me
and OBEY me
totally
EVERY day
ALL the
time,

A woman with long, straight purple hair and heavy makeup (dark eye makeup, red lipstick) is blowing a cloud of white smoke from her mouth. She has large, colorful tattoos on both arms, including roses and a figure. She is wearing a black top and has pink nail polish. The background is plain white.

is THAT
what you
WANT?

Yes
Mistress
Caroline!

The End

And you
really can't
HELP it but
something
down DEEP in
your SOUL,

needs so
BADLY to be
totally
under a
WOMANS
control!

Doesn't it
SLAVE?

Yes
Mistress
Nicole!

I KNOW!
