

I'm sure it's an embarrassing  
question

but I truly HAVE to implore

Is it  
only the  
WHIPPING?

Or is  
it the  
thought of  
something  
MORE,

that's  
keeping  
you  
hornier  
than HELL  
up to

**"Lash Twenty Four?"**

NINETEEN!

TWENTY!

TWENTY  
ONE!

TWENTY  
TWO!

TWENTY  
THREE!

TWENTY  
FOUR!

OK!

NOW you'll  
lick up all  
the precome  
you dripped  
all OVER my  
floor!

YES  
MISTRESS!

So was  
it the  
WHIPPING  
that kept  
you so  
HARD,

precome  
DRIPPING?

Or the  
fact that  
her Girl  
friends

were  
watching  
from the  
kitchen?

Hmmm?
