A close-up portrait of a woman with shoulder-length reddish-brown hair and bright red lipstick. She is wearing a white, high-collared blouse with vertical pleats and a row of black buttons down the center. A black ribbon is tied in a bow at the top of the blouse. The background is a light-colored wall with some faint, vertical patterns.

Is this
TRULY
the END
of his
life,

or is it
truly the
BEGINNING
of a NEW
life being
totally
HERS?

Like
he's
always
WANTED
and
NEEDED
to be
in the
very
DEPTHS
of his
SOUL?
