

It's really our OWN fault

I can honestly say

because we really do WANT

them to train us this way

YEP!

More than
ANYTHING!

You
better
NOT come,
slave!

" YES
MISTRESS! "

You're
probably
wondering

"Why"

he's going
to obey me

even though
he hasn't came
for almost a week

and he wants to
come REALLY bad

because I've
been doing THIS
every day,

AREN' T
you?

Slave,

let this be
the END

of their
wondering!

TELL them
WHY you're
going to
obey me!

"BECAUSE
YOU'LL PUNISH
ME IF I DON'T,
MISTRESS!"

And HOW will
I punish you,
slave?

"VERY
HARSHLY,
MISTRESS!"

And for a
LONG time!
