

There's ways to prevent  
pregnancy

I mean everything from A to Z,

There's pills and creams and  
IUD's

and things that make your  
insides freeze

but the best one that a girl can  
choose

is the one she really WANTS to  
use!

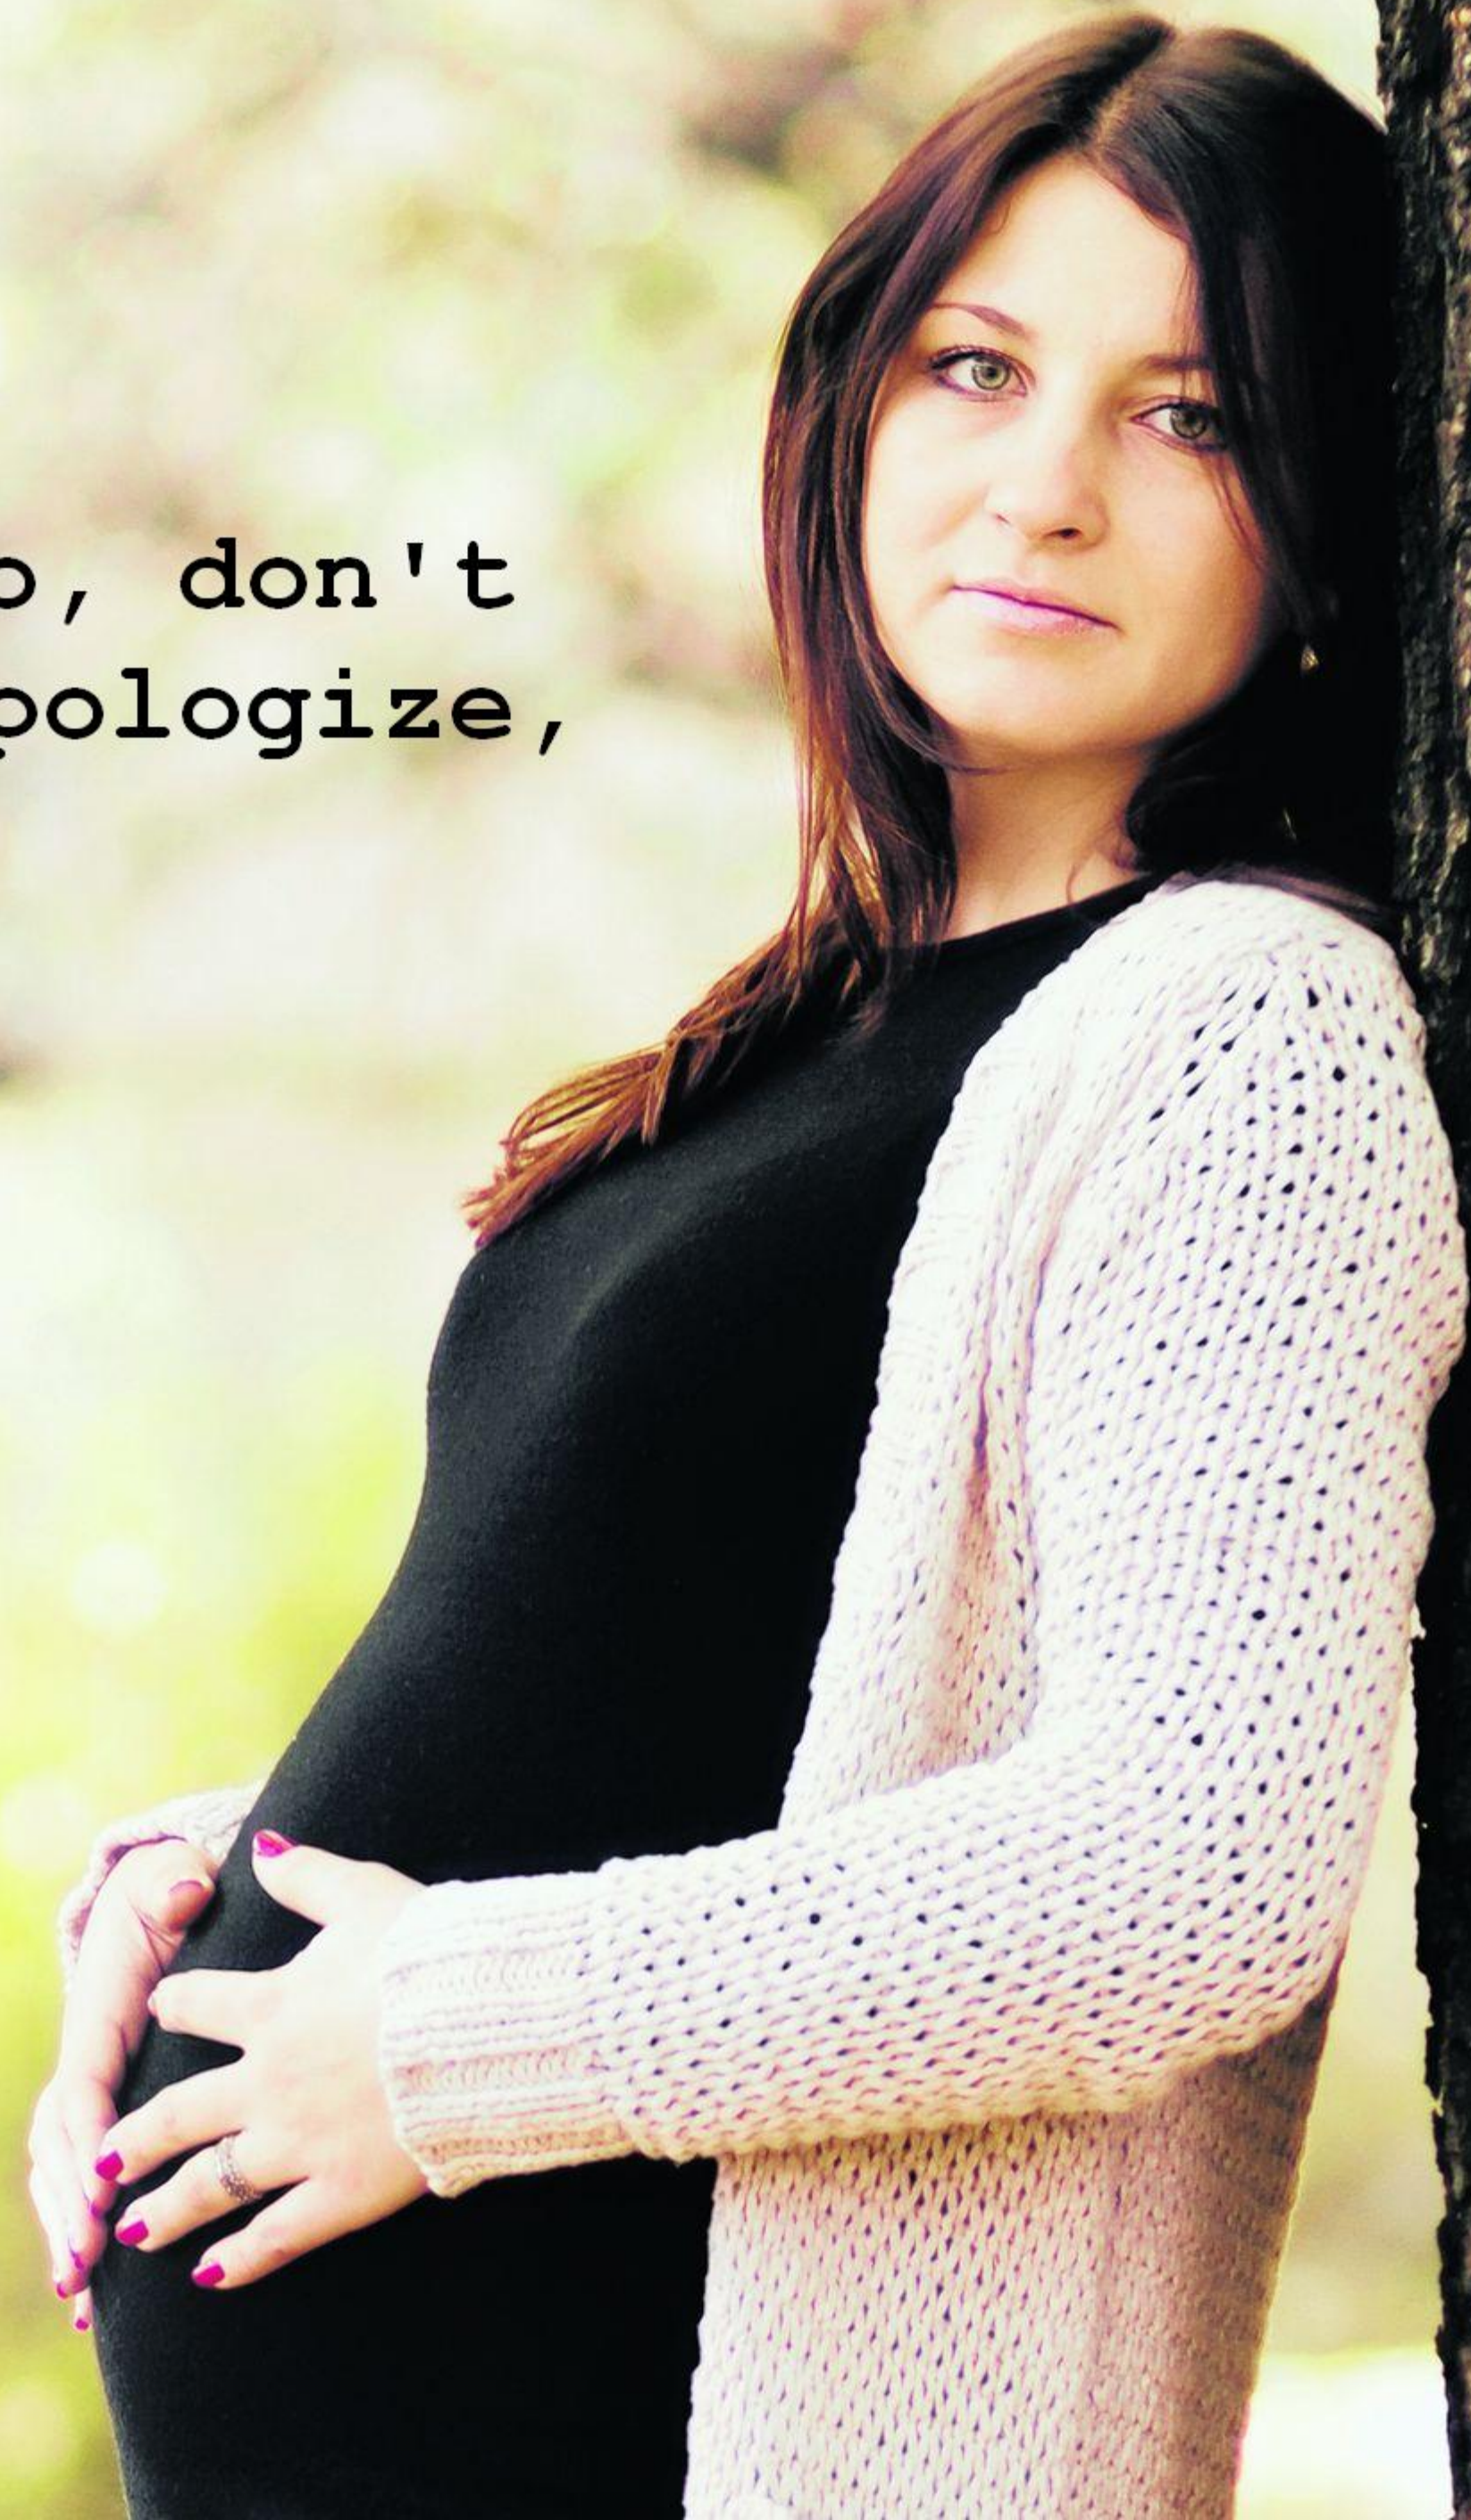

A pregnant woman with long dark hair is leaning against a tree trunk on the right side of the frame. She is wearing a black long-sleeved top and a light-colored, textured knit cardigan. Her hands are resting on her belly. The background is a soft-focus forest with sunlight filtering through the trees, creating a warm, golden glow. The text "How do you AVOID this?" is overlaid on the image in a typewriter-style font.

How do you  
AVOID this?

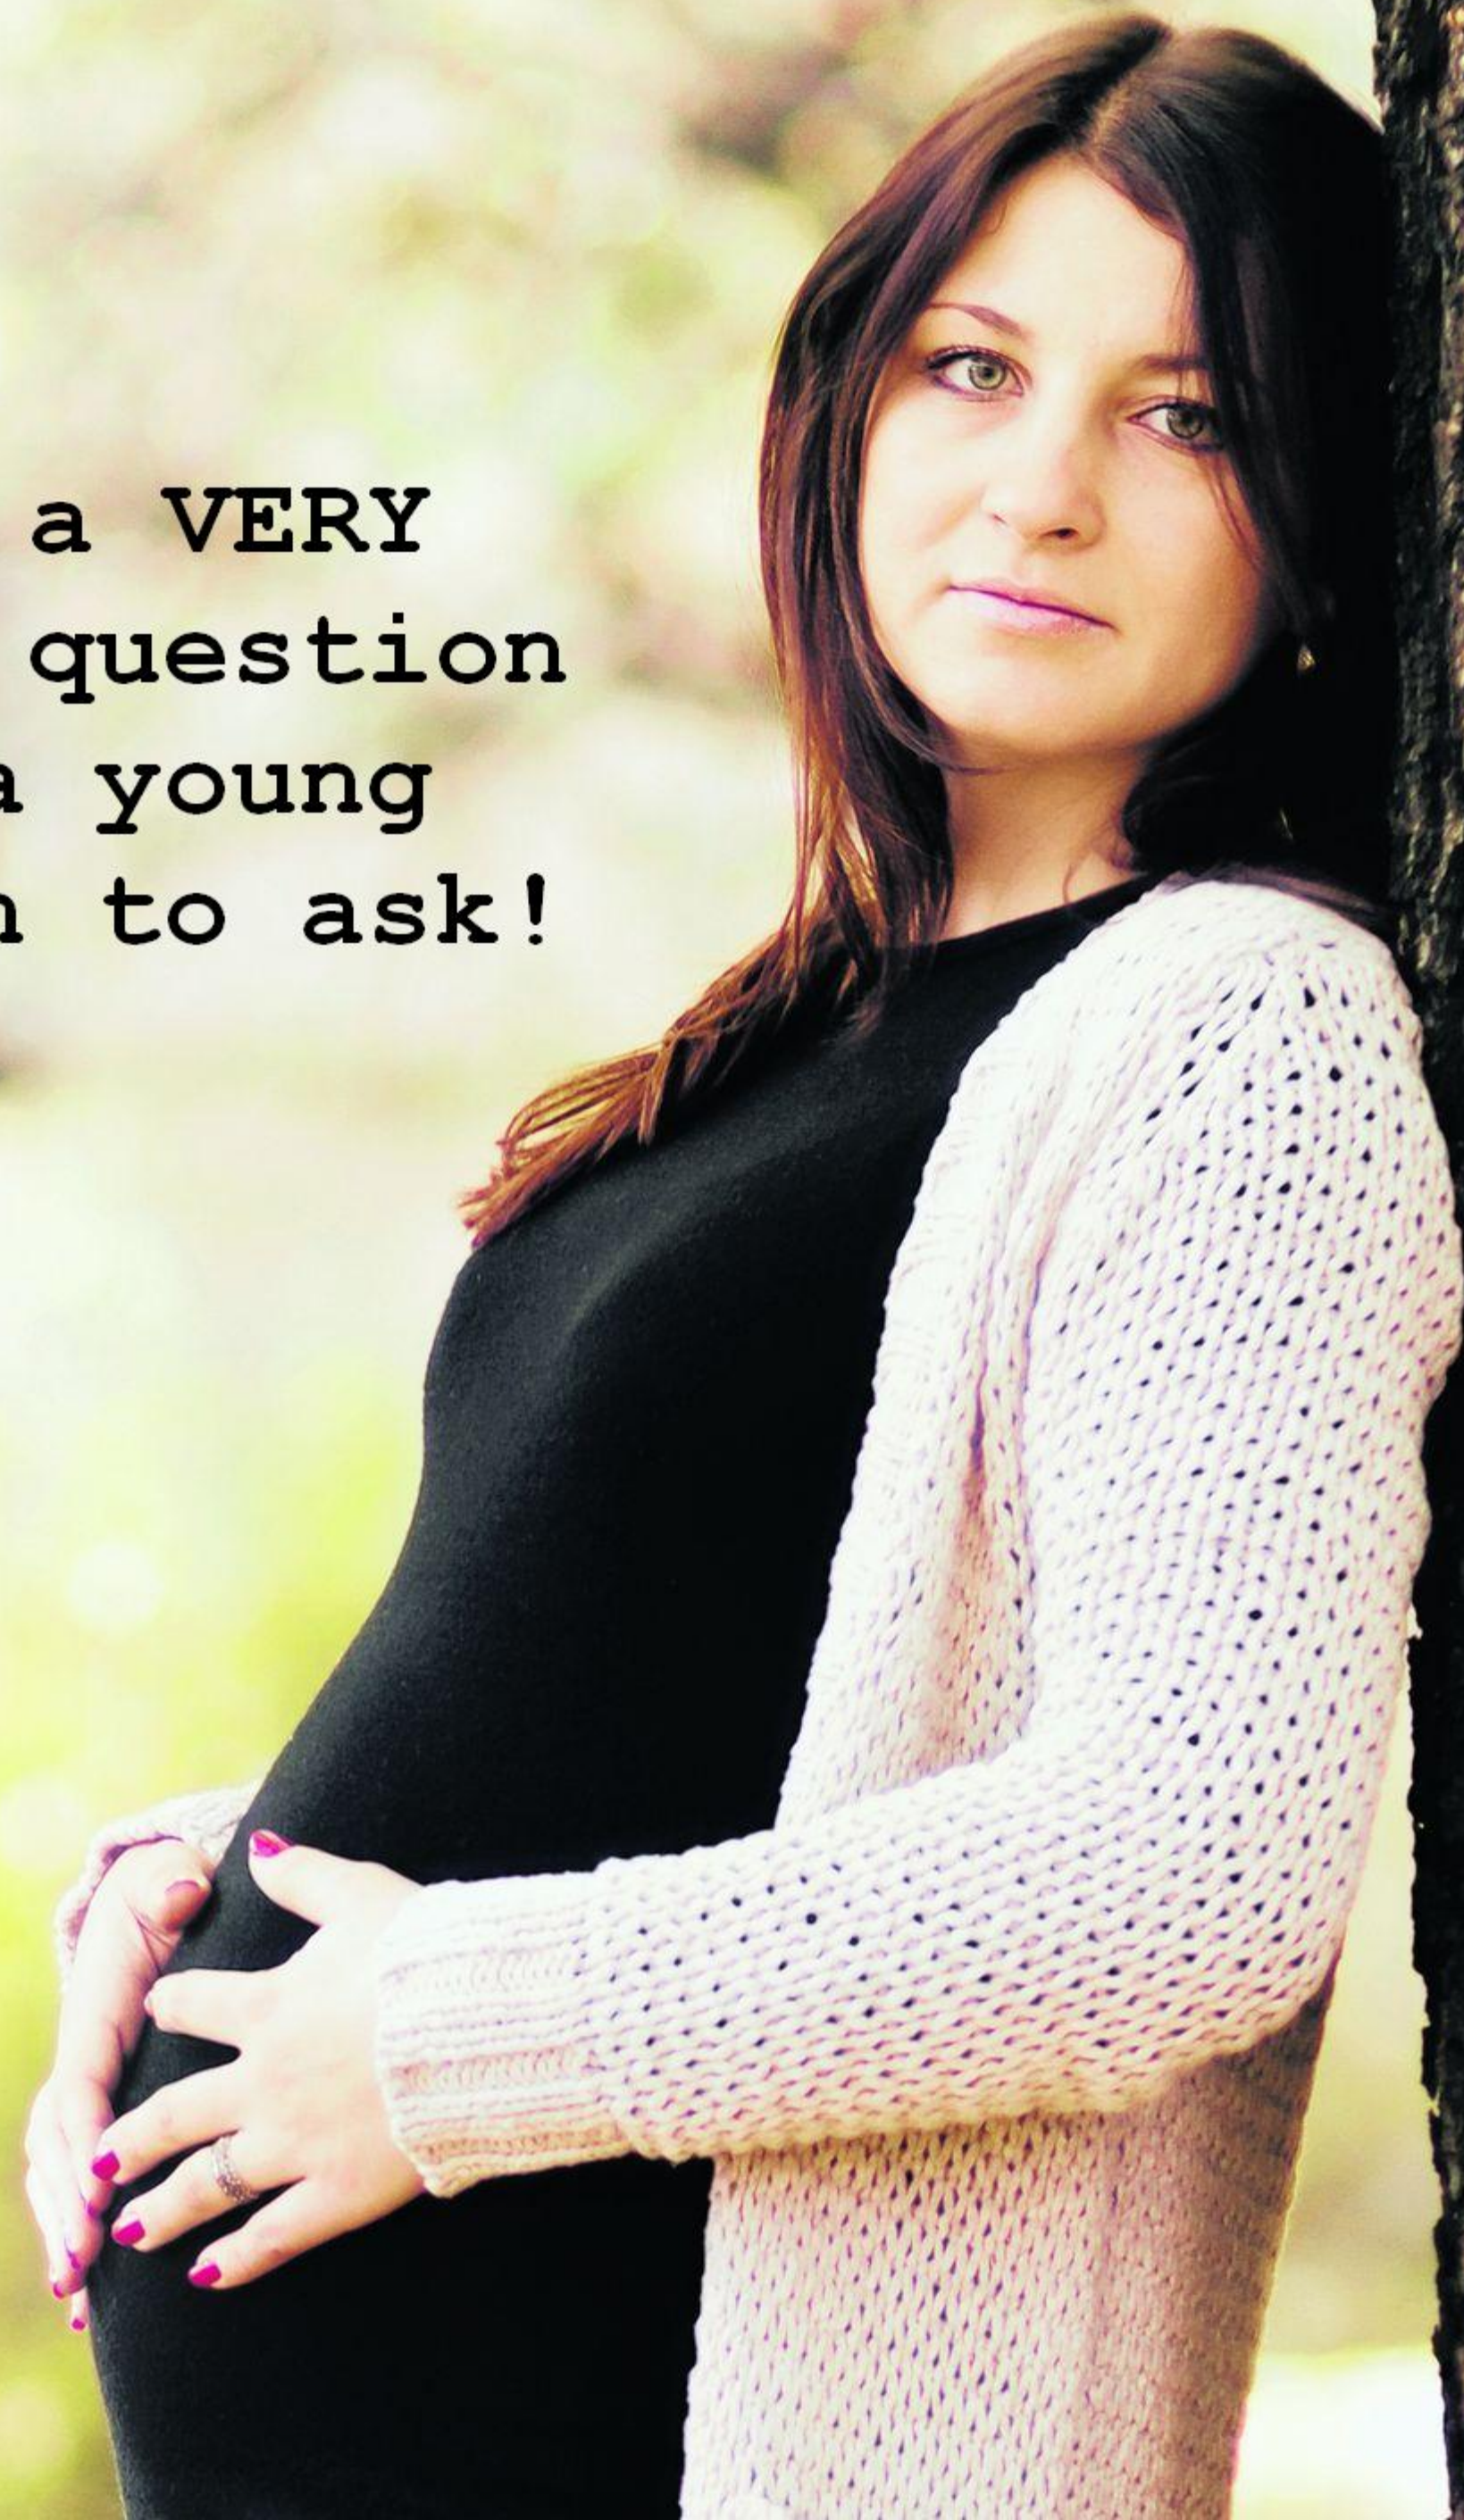

No, don't  
apologize,

it's a VERY  
good question  
for a young  
woman to ask!

**There ' s  
condoms ,**

IUD 's

Oral contraception,  
one form of which  
is the PILL,

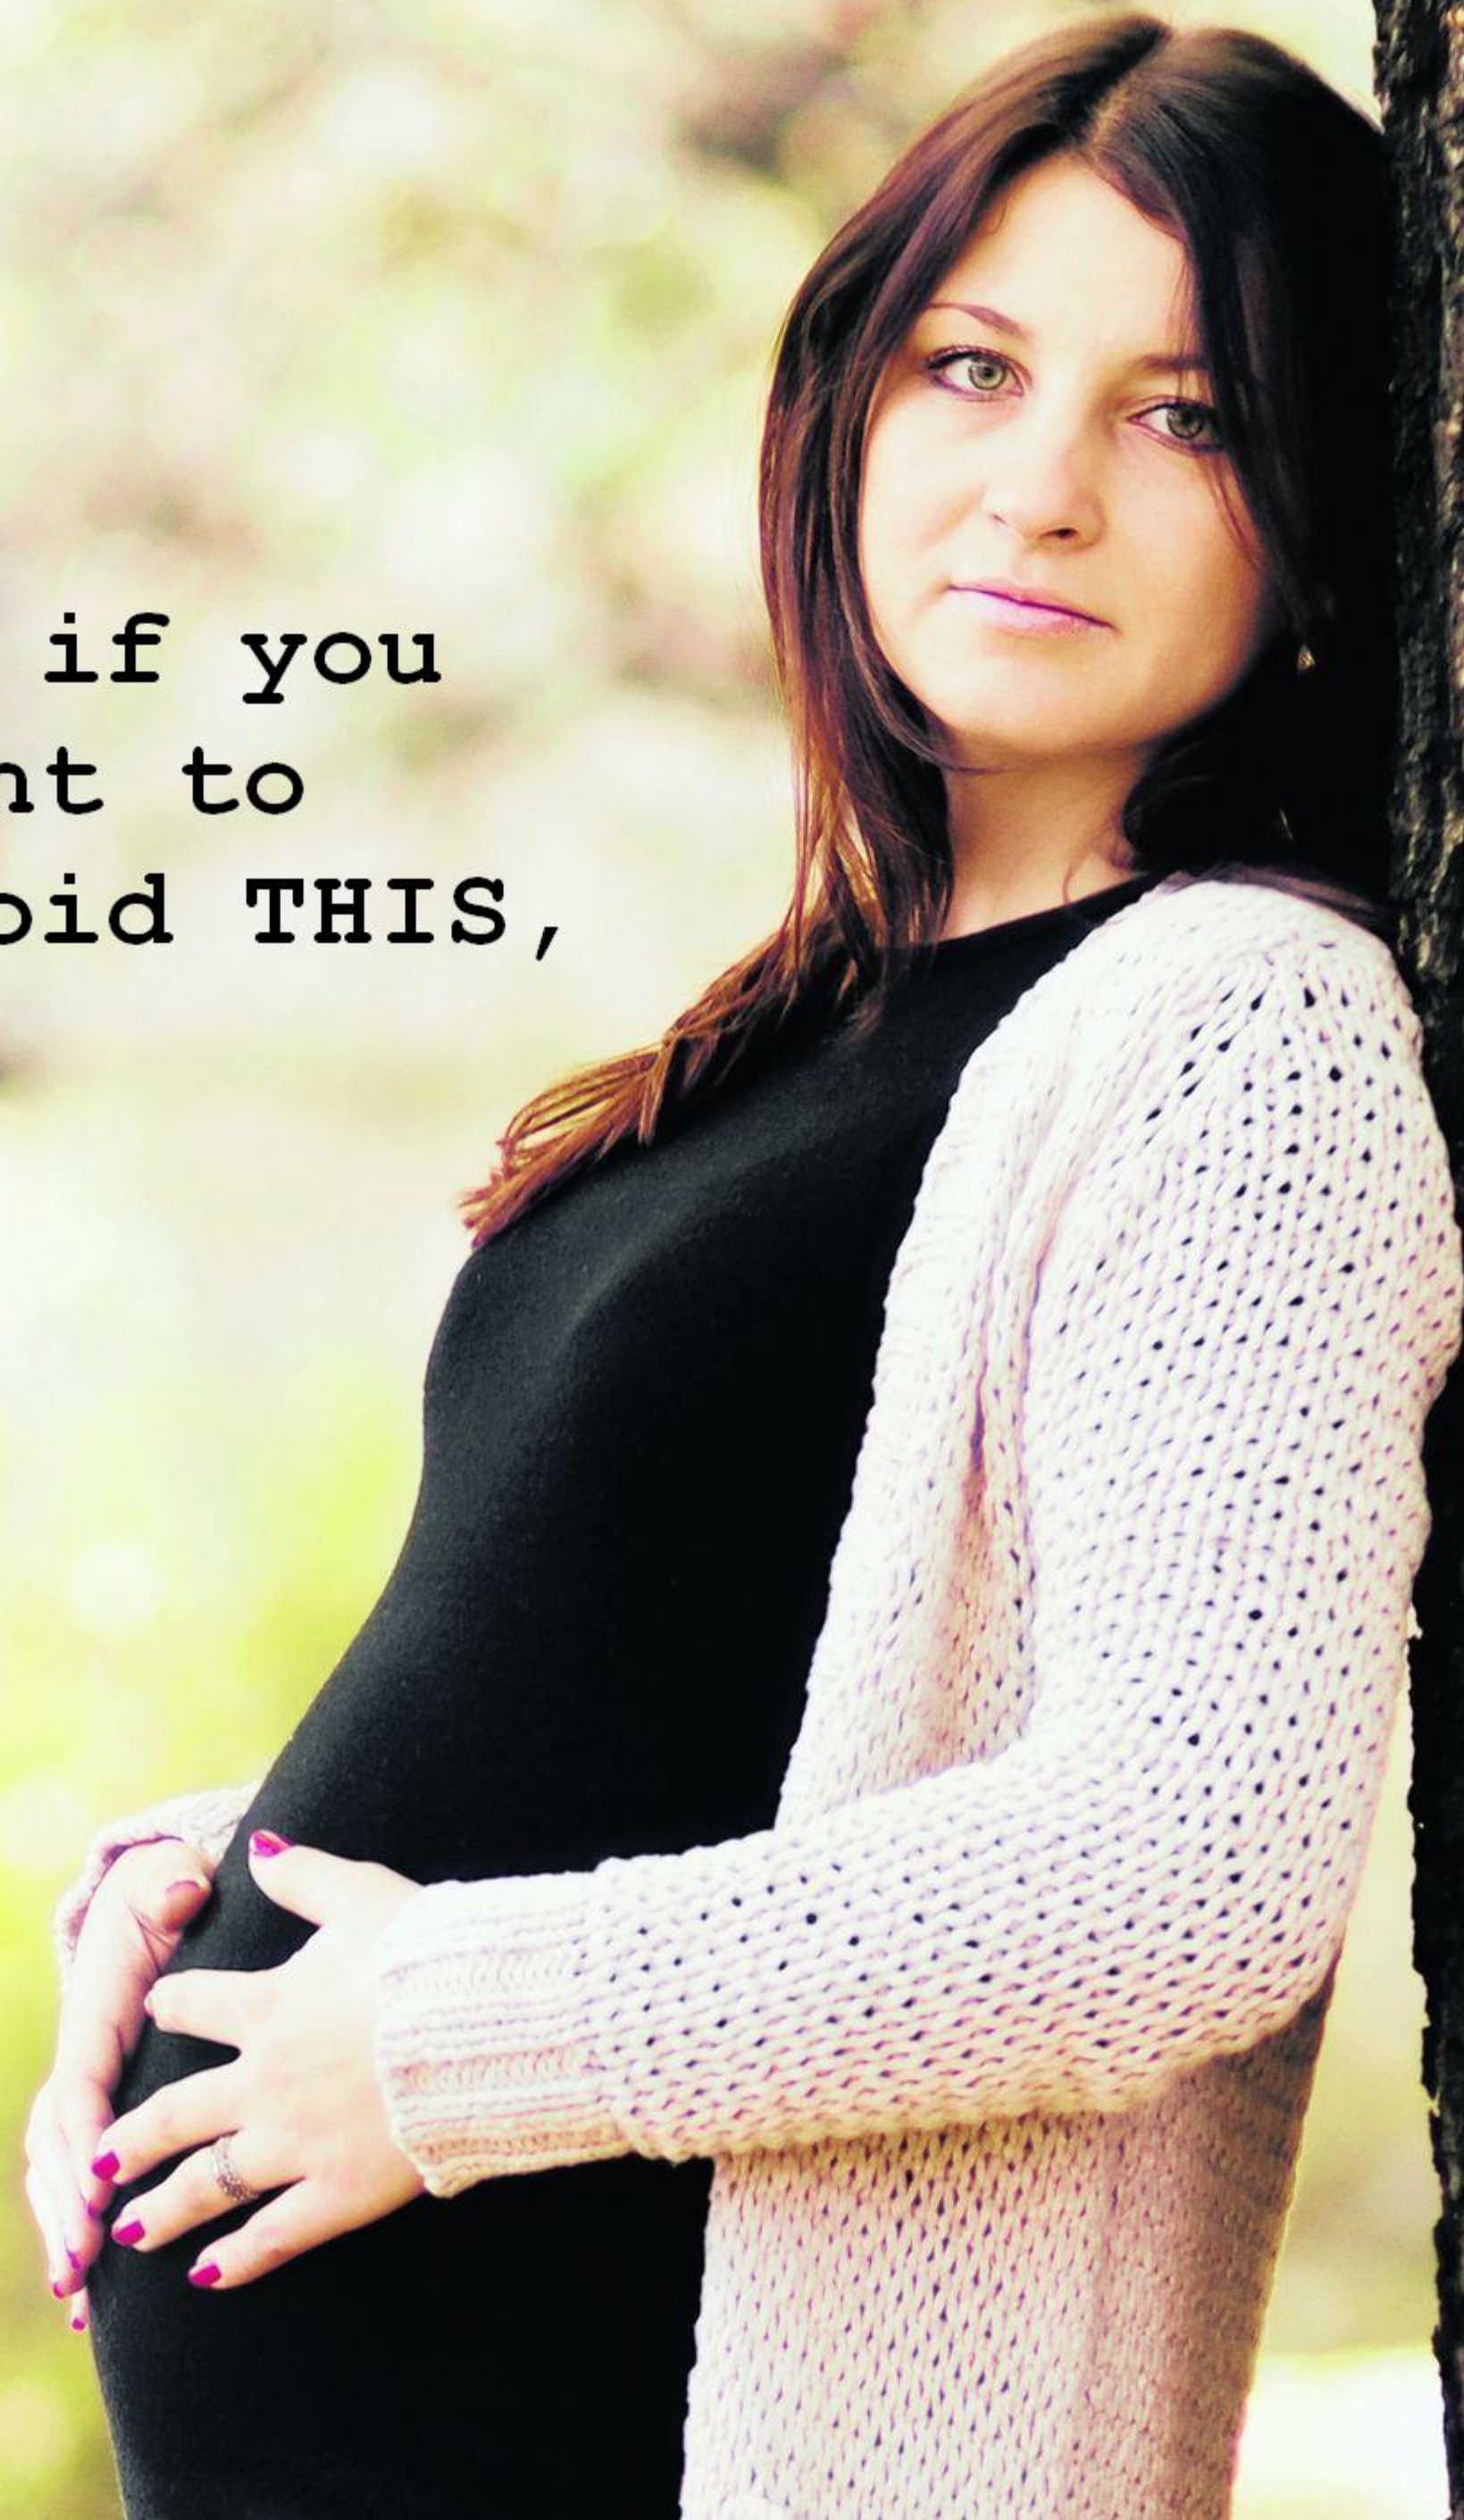

and of course there's  
always lifestyle  
changes or changes  
in how you fulfill  
your own sexual needs!

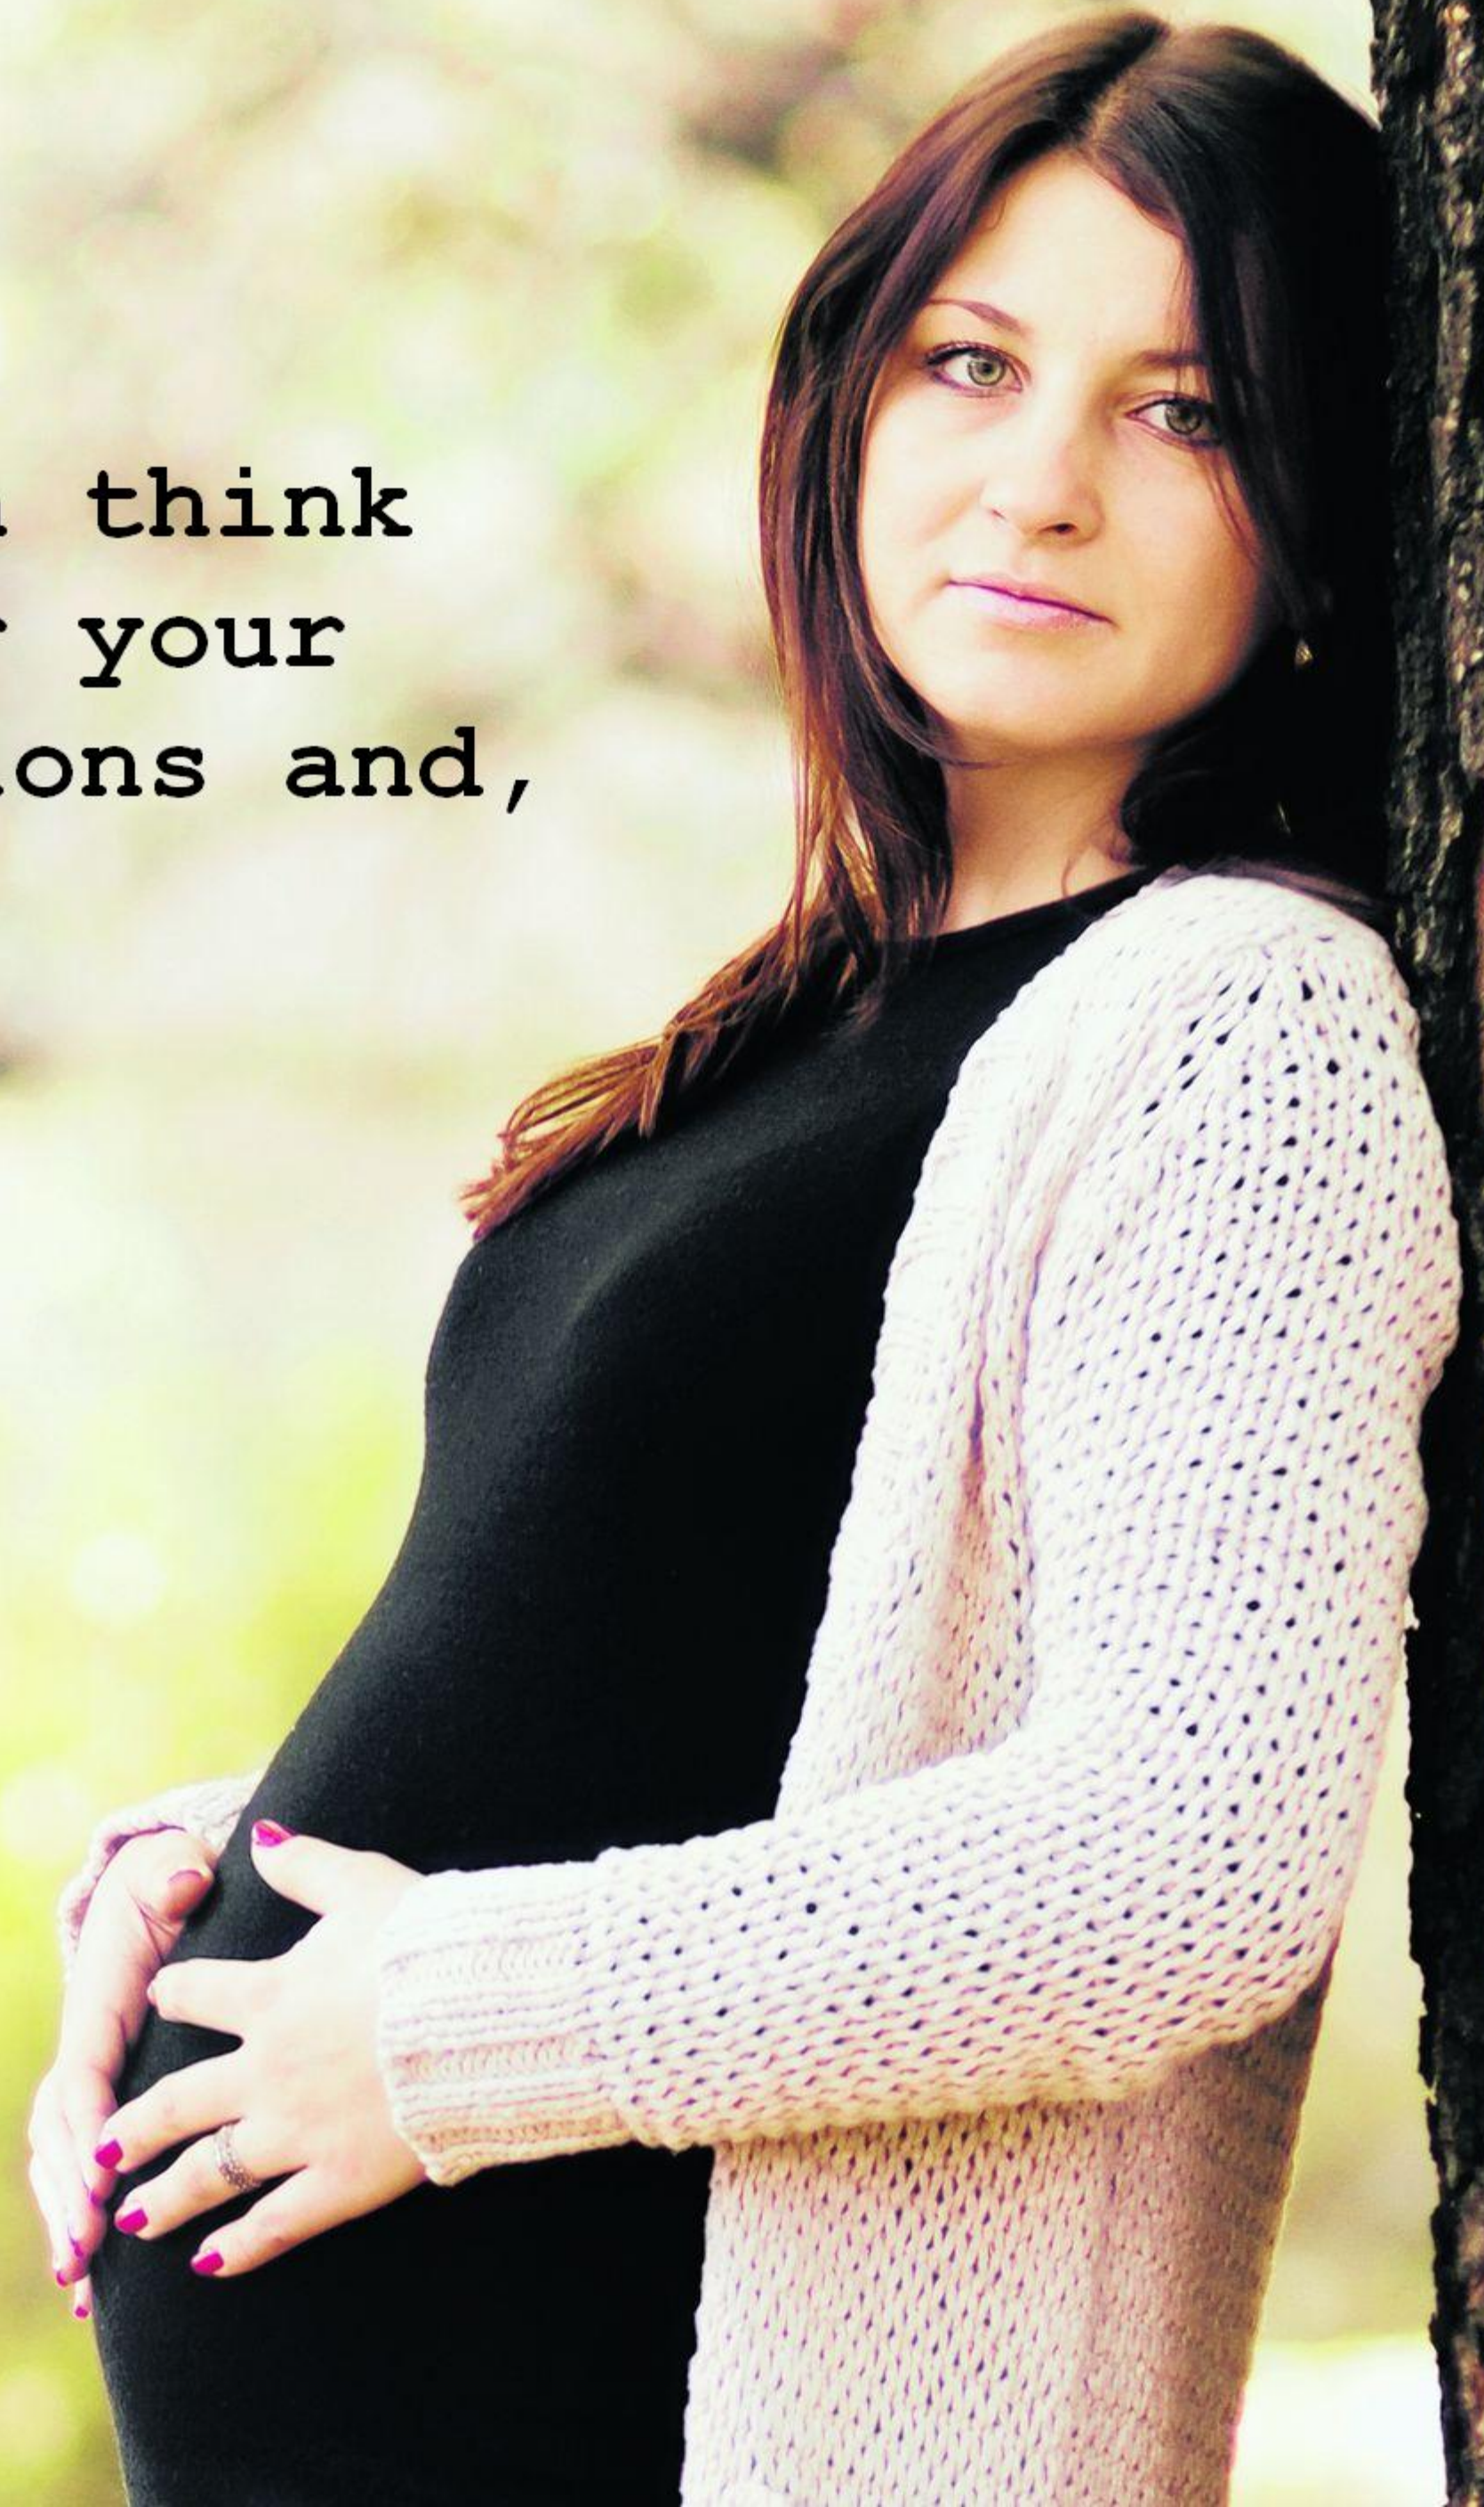

So if you  
want to  
avoid THIS,

then think  
over your  
options and,

**"Do What's Best For YOU!"**

A close-up, profile shot of a woman with long, dark, wavy hair. She is looking towards the right of the frame with a neutral expression. A hand is visible on the left side of the frame, resting on her shoulder. She is wearing a red top with a dark pattern. The background is slightly out of focus, showing a light-colored cushion and a window with blinds.

Well,  
I thought  
about it,

A hand is visible on the left side of the frame, resting on her shoulder. She is wearing a red top with a leopard print pattern. The background is slightly out of focus, showing a light-colored cushion and a window with blinds.

weighed  
ALL of my  
options,

She is wearing a red top with a leopard print pattern. The background is a light-colored, textured surface, possibly a pillow or wall.

pondered the  
pros and cons  
of each of  
them,

before I  
decided on,

"Orel"  
contraception,

because I  
don't have to  
worry about  
any PILLS,

and Orel  
does THIS  
without having  
to be TOLD  
to do it,

EVERY day of  
the month!

DON'T you,  
Orel?

**" YES  
MISTRESS ! "**

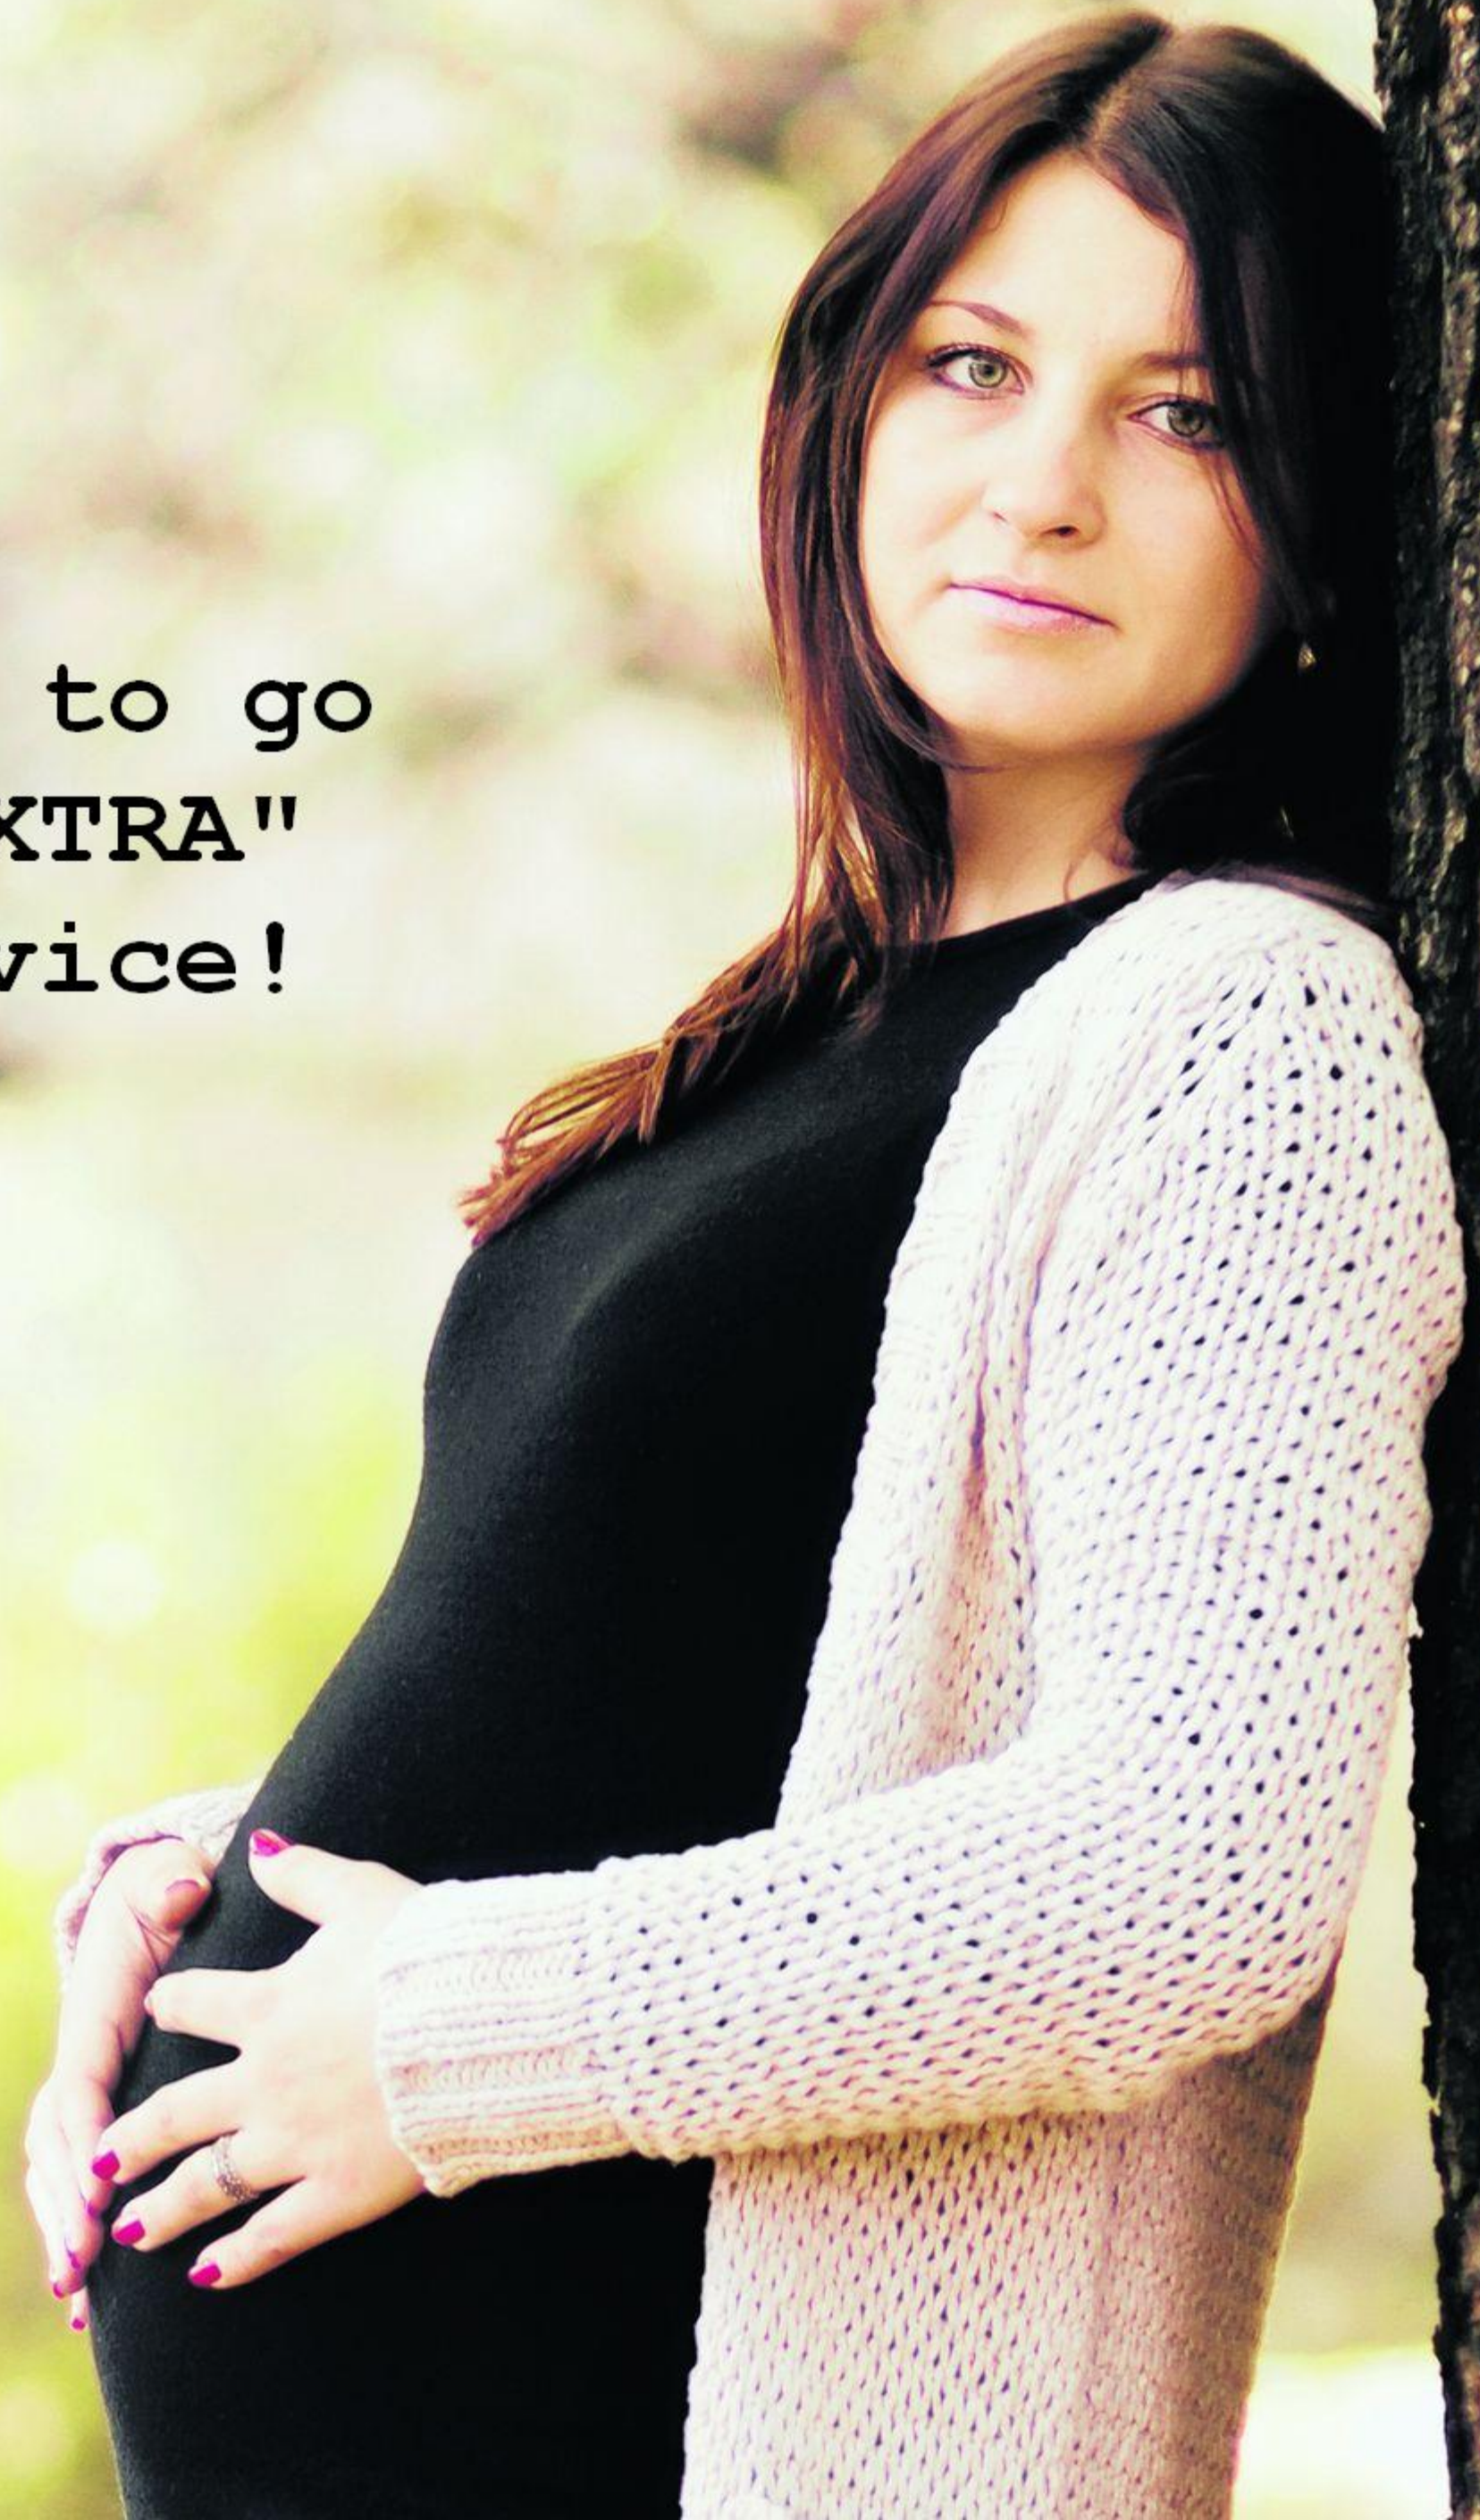

Wow ,

A pregnant woman with long dark hair is leaning against a tree trunk on the right side of the frame. She is wearing a black long-sleeved top and a light pink, textured knit cardigan. Her hands are resting on her belly. The background is a soft-focus forest with sunlight filtering through the trees, creating a warm, golden glow. The text "good choice, Honey!" is overlaid on the image in a black, typewriter-style font.

good  
choice,  
Honey!

**I** decided to go  
with an "EXTRA"  
uterine device!

DIDN'T  
I  
Dear?

"YES  
MISTRESS!"

A WISE  
choice!

**THANK  
You!**
