

When I used to tell him to do
something

he would often say NO to me,

so

I told him

"I Want You In Chastity"

IMMEDIATELY

or I'll
take you
to my
doctor and
I'll have her

do THIS for me!

"So I put
on my cock
cage

just as
QUICK as
can BE

and I
handed the key
to Mistress
Marie!"

And now at
the end

of OVER two
months now

"actually
going on
THREE",

when I tell
him to DO
something

"I say
Yes Mistress
Marie!"

Ooooooh YES!
AND he
SAYS it

"IMMEDIATELY!"
