

The fates granted me my lifelong
desired femdom fantasy wish

and I BECAME an obedient slave to
my dominant Wife/owner Trish and

her Sister Janet
came over to visit
my Wife, and my
Wife told her

Do what you
WANT Janet!
DO it!
They're MINE
and they
WILL be

"For The Rest Of His Life!"

Oh I AM
gonna DO it!
You KNOW I
will Trish,

cause since
we were just
little Girls,
you knew I
LOVED doing

THIS!

And just as I was
praying it was
OVER my friend,

A man is bowing deeply towards a woman who is sitting on a black leather couch. The woman is wearing a teal long-sleeved top and has her hair in a ponytail. The man is shirtless and is bowing from the waist. The scene is set in a living room with a floor lamp on the left and a pumpkin decoration on the right. The text "I heard my Wife sternly say" is overlaid at the bottom of the image.

I heard my
Wife sternly
say

STAND UP!
To make you
want to get
over here
and please
me with
PASSION,
I want her
to do it
AGAIN!

YES MISTRESS!

Now get
uver here
and lick my
pussy!

YES
MISTRESS!
